A LIE NAILED.
MAYOR CHURCH, AUG. 24, 1892.

EDITOR OF THE ADVOCATE: Some of my enemies have been circulating the report that I had made a compact with Mr. H. J. Kuntz, Republican nominee for the Legislature, to elect him to said office. I desire to say through your columns that it is FALSE, and that I am extremely sorry for W. F. Biery, the Democratic nominee.

Yours truly,
Geo. W. Esser.

HARRISON'S LETTER of acceptance is a very lengthy affair and covers the whole ground of Republican policy since the war.

IT BECOMES more painfully evident every day that to proceed further Lehighton must have more industries. Will some of our progressive, enterprising citizens more in this direction.

THE POET WRITTEN is dead. No word of ours can further add to the light of him whose life was an exemplification of purity. His memory will at all times shine brightly in the galaxy of poets. Rest in peace.

IT'S TOO BAD Samuel Lawyer Gilliam couldn't be persuaded to be a candidate for District Attorney. It would be such a splendid opportunity for his friends to give a testimonial of his perfect fitness for the place. There is big brains in the lower end of his neck.

THIS PAPER is not accustomed to do business on the under hand, and a doubtful basis presented by some people not a thousand miles away. We have over 1400 circulation; our rates for advertising are low and in job printing we use first-class material and do the work cheap.

THE CARBON ADVOCATE is the people's paper and has a circulation every issue of over 1400. These figures are correct; there is no misrepresentation to get patronage. Live advertisers who desire to reach an intelligent, thrifty class of people will take advantage of the low rates we offer our space at. Every body reads the ADVOCATE.

THE HAZLETON SENTINEL Wednesday appeared in new form and completely regenerated throughout. The Sentinel shows almost a revolution of improvement and is now the leading daily evening paper in eastern Pennsylvania. There is brains, push and enterprise back of the paper and it is now on the high road to success.

A VOTE FOR KUNTZ is a vote for Matt Quay. Should Ben Kuntz be elected to the Legislature from Carbon he will vote for Matt Quay for United States Senator and the great Keystone state will continue to be represented by one of the most morally corrupt monopolists in the United States.

THE MAYOR CHURCH Gazette promises to make some Lehighton Democratic squires for saying "read more things" about "Our Ben." The Gazette might just as well go ahead; get all the music you can out of it for this intensely moral candidate of the Republican party will be a dead cork in the oil after election day. Biery will go to the legislature from this county.

BIERY HAS BEEN KUNZ on the road now and it takes all the time the latter can find to keep fitting up things along the line. Mr. Biery is an honest, capable fellow and won't simply be a figure-head. If occasion calls for it he can get up and say something that amounts to something, poor Ben however, who is led by the nose only holds up his thumb. Biery will be elected because he is the poor man's candidate.

IT CERTAINLY would be very amusing to have Lehighton's great abolitionist, Samuel Gilliam, run for District Attorney against the able Joe Fisher. Maybe those fellows who still remember that brilliant speech of Sam's when he labeled all Democrats as rebels and copperheads wouldn't get in their little work. Sam Gilliam as District Attorney would be almost as bad as Sam Gilliam as a school teacher. Both are bad.

THE PROMOTION to W. F. Biery has commenced a system of things which call "practical politics" in the present legislative contest. This consists of lying and buncombe and the spending of considerable money for beer and whiskey. Carbon county people however, are too intelligent to be caught by this style of electioneering and will render a rebuke at the November election and the result will be Biery will represent Carbon county in the next Legislature. He won't vote for a monopolist for U. S. Senator. Biery is the man for the place.

A STEELMAN for whom we have the greatest respect offers to wager \$20 that Burgess Kuntz did not order Chief of Police Biery to attend a council meeting to preserve order. We have not been in the habit of betting for some years, but we'll deviate for once and wager \$20 to \$10 that Burgess Kuntz did not order Chief of Police Biery to attend a council meeting to preserve order. STATE MATTERS IN BRIEF.

The greatest day in the history of Mahanoy City was the occasion of the unveiling of the soldier's monument. Among the distinguished persons present were Governor Robert E. Patton, General D. H. Hastings, and Secretary Thomas J. Stewart, all of whom delivered addresses. A parade took place with over 3000 men in line. Jacob Shuster, mayor of Lancaster, was seriously injured by falling from a window while asleep.

Frank Day, aged 12, was accidentally shot in the stomach by Willie Blaine, aged 15, while playing with a revolver at Summit. It is thought Day will die.

The Board of Managers of the Pennsylvania Chautauque held their annual meeting at Lancaster and elected officers.

The Grand Jury at Pittsburg returned six indictments against Alexander Berkman, the anarchist who shot H. C. Frick.

During a dispute near Uniontown, Oliver Roberts struck Jacob Ross with a stone. Ross was afterwards found dead in his room.

August Faber, of Tanawau, a member of the National Guard, who served at Homestead, died of typhoid fever contracted at that place. Eight other members of the same company are ill with the disease.

A new method is being worked in various neighborhoods. The swindlers offer a box containing thirty-six pieces of soap for \$1, and they give as a prize a rubber floor mat with the initials of the purchaser on it. He delivers the soap, which is treated, in accordance with the way in which it can be manufactured with the initials there on, collects \$1, and vanishes.

Charles H. Grinn, tenant on the Selwyn Hill Farm, near Reading, the other day thought a black snake's nest in which were thirty-seven eggs, almost hatched. The eggs when broken open were found to contain live snakes from eleven to thirteen inches in length which sprang at persons when touched with a stick.

During the season just closed three shippers of huckleberries at Hazleton handed and sent to the market 300,000 quarts. The berry picking was done principally by Hungarians and Italians. About \$300,000 was paid out to pickers since the season began.

One day last week while Mr. Jacob R. Ritter, farmer, residing in western Salisbury, was engaged in ploughing, he turned up a nest of 8 snake eggs. On being opened they were found to contain such an infantile snake about six inches in length. They were of the spotted species, but will not trouble anybody next season, as all of them were killed on the spot. The spotted snakes are not poisonous, as is proven by the fact that all venomous or poisonous serpents bring forth their young alive, the egg being hatched internally.

Mr. James A. Venger, farmer and hotelkeeper at Dorneyville, the other day presented his friend, Mr. P. M. Haslam, of near Weacoma, with a turkey of his own raising measuring 23 1/2 inches in circumference, and weighing 3 pounds and 10 ounces. He however had many larger ones, some of them having a circular measurement of 2 feet, and weighing 12 pounds.

One of the smallest infants on record was born at Port Providence, Montgomery county, on Tuesday last week. The mother is Mrs. Geary, and the infant weighs but 1 1/2 pounds. The child is only eight inches in length, and can easily fit in the palm of a person's hand. It is dressed in small doll's clothing, and is carried around on a pillow. The child is fully formed, and has a luxuriant head of hair. It attracts much attention, and the neighbors for miles around are visiting the house to get a glimpse of the infant.

THE FINANCIAL statement issued from the Treasury Department at Washington, Sept. 1st, shows a decrease in the debt during the last month amounting to \$2,254,573. There was an increase of \$700 in the interest-bearing debt, a decrease of \$1,523,115, in the non-interest-bearing debt, and an increase of \$2,102,958 cash balance or surplus. The surplus to-day, including the one hundred millions gold, greenback redemption fund, is \$125,135,734. The Treasury to-day holds \$125,135,734 in gold, and \$125,135,734 in surplus cash in the treasury, amounting to \$250,271,468, of which amount, \$250,000,000 is interest-bearing debt, made up of \$250,000,000 in and \$250,271,468 in 2 per cent bonds.

MARRIED.
Heinrich Gets-On Sept. 4, at the Lehigh Valley, Pleasant Valley, Lehigh Valley, by Rev. H. B. Stupp, pastor of the Lehigh Valley, Pleasant Valley, Lehigh Valley, by Rev. H. B. Stupp, Benjamin Snyder, of Readingville, to Miss Emma C. Shupp, of Dorneyville.

At a meeting last Saturday, called for the purpose of organizing the Lehigh Valley Water Company voted to increase the amount of capital stock from \$50,000 to \$200,000. This amount will pay off their floating debt and allow of the extension of their water mains to Weisport and also as far south in this town as Koel's brick yards. It is very likely that this work will not be long delayed.
