IVER PILLS.

My curiosity naturally prompted me t listen. The conversation was usually of a commonplace order, but what really attracted my attention was this strange

""Now, Joylla, put hat informal heast out of the way and over him up.' It was a mun's volve, gruff, though, I fan-ded, kindly. This piculiar request was invariably met with some such response

"Oh, Tom, shame upon you! What would dear mother say if she knew how you treated her present?"

The voice this time was distinct mine and rather shrill and complain-Of course I was fairly consumed Brackman. Alcohol B good for leather; 14 g =1 for the skin. Alcohol is the chief ing - lient of Cologne, Florida Water, and for floin the well known face wather. ing. Of course I was fairly consumed with our/coiry. What manner of beast was this which the poor woman was thus obliged to 'put out of the way and cover ap? And why did they keep a 'beast' in their befroom anyway? "In vain I pondered over this seeming mystery. In vain I fretted and guessed. Toma ampared to he are kind and aver. We think there is nothing too costly to use in a good leather preservative. Acme Blacking retails at 20c.

mystory. In vain 1 fratted and goneses Tom appeared to be so kind and even tempered too. Well, I could stand it no tempered too. Well, I could be not be "the Tom, I and to him one morn-

"Alls, Tons, I had to him one morn-ing, pray escuse my apparent radeness and curiestly. but won't you tell me about that beast you keep in your room and why you wish to have it coverad up every evening before you retire?" "A glosm of mirth lighted up his coun-tenance. 'So you're heard up his coun-tenance. 'So you're heard up a stallin, neighbor,' he said. 'Well, it's just this average for a recips which will enable us to make WOLFY'S ACHT HLACKING at such a price

a-way: "Jovilla, she's my wife, an she set great store by her ma, which, betwee great store by her ma, which, betwee

great store by her ma, which, howern you an use an that there gate post, 1 dun't. So 'long 'bont last Christmas the old woman give ns a clock. It wasn't much to look at, but it had the awfulest tick you ever hesed. Lond and solemnlike it was, an it made me that nervous I couldn't get no sheep o' nights. ""Now, Jorilla,' says I, 'you'll have to put that tickin beast-I slways calls it a beast-out of the way or muzale it or su'thin, or III smash it with a ham-mer, I will." Bo Jovilla she took it and wanped it up in her flannel petiticoat. "Bo my I that tickin beast-I have took it and wanped it up in her flannel petiticoat. "But may I never tooch another drop of cider of the cussed thing 'ddn't tick londor than ever. That kindor made me mad, an I todh her that if I heerd that tickin ag'in I'd stop if for good. "Bo, you say, neighbor, Jovilla fixes it every uight before the goos to bed ac's it with ' make no nolae. She just putat CARTERS

it kain'i make no noise. She just putati in the washinb, throws a big fur robe over it, shoves it in the closet an shuts the door.

"'An that, neighbor,' observed my rural acquaintance, 'is what I mean by soverin up the beast.'"-New York Her-

A Luxurious shanty. If the intelligent foreigner who comes to New York includes Shantytown in his round of observation, it must sur-prime him to see what a difference exists between the rule huts of that district and the cabius of the very poor in Great Britain and France. The latter are built to last, while the New York shanty is often or five years; but, rule as it is with-out, the shanty is often the superior of the European cottage in its furnishing. Wall made furniture, carpets, stores and wall paper are common to the shan-ty, while the peasant across the sea may how to content himself with an earthen thor and a bed built into the frame-work of the binne. On a recent evening A Luxurious Shanty.

work of the house. On a recent evening a reporter saw a shanty that could not have cost \$100. It had lace curtains at the windows, portieros worth about \$10, framed pictures on the walls, and was lighted by a plano lamp with a slik shade.-New York Sun.

A Popular Myth. The time worn "million stamps" He still survives and is likely to prove immortal. People all over the co infry ar morial. People all over the country are trying to accumulate 1,000,000 canceled postage stamps, in the belief that a standing offer is made by the govern ment or by somebody of a big price for such a collection. Some think that \$10, 000 is the sum guaranteed, while others imagine that the reward is the endow
