STEAMBOAT FRANK.

"What place was that?" saked a tall. aristogratic planter, as the stemper pulled away from the landing into the

neath the black slouch hat, who had just stepped aboard. "Good place to leave: nothing but swamps."

"How far to Duvis' plantation?" "Heat three hours. Another durined examp. Buop there?"
"Yes. Got a plantation back from the

river a place. Swamp is right through. Three hours, ch? "Yes. Indn't suppose there was land snough along there to plant one." "Oh it's all right when you get to it. Going to be dark, ain't it?" ild say so. Got a good pilot,

'First rate, Do you play?" Nobody much. Drummers and such

like, Oh, Wheeler of Richmond. Know m?"
"No; who is he?"
"Not much; cotton edger. Safagama,"
"All right; I'm in. That spray's little

wet, sin't it?"

"Rather; let's go inside,"

"What's the limit?"

"Two hundred. Have a cigar?"

"Yes, thanks. Here we are."
"Any room here, gents? Whow! it's "Yes, lots of room. Hello, colonel: come in," says a voice from the smoke. "Bring out the drink, nigger. I say, colonel, what you're going to have?"

colones, what you're going to have:
"Little whisky—rys."
"Bye whisky there, nigger. Hold on,
there—I want another card. All right.
Den't your friend take anything?
"Den't know; you had better sal; him."
"Til take the same, stranger," from
beneath the hat."
"All right. How do they run, "sleans?"
"Fair to middling. Haven't been me

"Fair to middling. Haven't been up-for some time. What's the news?"
"Nothing much. Queer about Nichols, want't it?"

Yes; how did that happen? "Well, there are several stories going around. Some say they put up a job to de Steamboat Frunk, and he got the best

of them. Comin in, colonelis 'You, stranger?"

"Yes."

"All right. Never did think much of "An right. Average and the that feller Nichols anyway."
"Same here; bad eyes."
"You're right. How many do you want? Three. Frank killed two, diun't

he? Who was the other fellow?"

They got to playing a pretty stiff game, and Frank took all the money. They were hard losers and tough men gen-

"Heavy you've right, and they say he to be the same of the proposed and the most longer if you only the control of the proposed and the most longer if you only the control of the proposed and the most longer if you only the control of the proposed and the most of the proposed and the most longer if you only the control of the proposed and the most longer if you only the control of the proposed and the most longer if you only the control of the proposed and the proposed and the time for your of the same of the work of the time for your of the proposed and the time for your of the same of the work of the time for your of the control of the control of the time for your of the control of the time for your of the control of the control of the control of the time for your of the control of the co

keep your hands up if you don't want to know how it feels to get hurt. Forward, march! Look out for the stairs; that's good. Right dress (as the men stood by the rail upon the belier deck). Now, then—one, two, jump?"

A heavy splash immediately followed his words. The boat was just rounding the bend and not more than 30 yards from shore.

Malta the pretext, all the world knew that was not the real cause of the rup

the bend and not more than 30 yards from shore,

"Ben voyage," said he, sticking the revolvers in his pockets.

"Captain, land me at the nearest woodyard on the other side."

"All right," said he, making a signal to the pilot. Immediately the faint, faraway fingle of bells was heard, and the boat turned her nose toward the opposits bank.

"Good night, gents," he called to the ture—that he was sincere in his desire for pence, as a proof of which he sent his expedition to San Domingo. When it was remarked by Colonel Campbell that Eng-land did not tidnic him sincere, from his refusing a treaty of commerce and send-ing consuls to Ireland with engineers to examine the harbors, he laughed and "Good night, gents," he called to the

crowd hanging around the rails as the gaugplank was slammed into place. "I always did prefer this mode of landing." "Who was it?" saked the Spanish acsximins the harbors, he laughed and said that was not recessary, for every harbor in England and Iroland was well known to him. Bertrand remarked that every embassador was a spy. Napoleon said that the Americans ad-mitted the justness of his principles of commerce. Formerly they brought over some millions of tobacco and cotton. cent, as the boat awang out into her

ourse again.
"Steamboat Frank," said the captain. "I thought so," muttered the colonel. Philadelphia Press.

Cardinal Newman at Dinner.

On an occasion when Cardinal Newman was dining at a friend's house, a noble lord among the guests, wishing to draw him out with respect to the upshot of political contests in the Roman states, said, "Things are sailly disturbed just

of political contests in the Roman states, said, "Things are sailly disturbed just now in Italy, Dr. Newman." Staring into space in an apparently vacant manner, he replied, "Yes, and in China." No one present said a word more on the subject.—San Francisco Argonaut.

When the Rocks said Stones Were Fizing.
When M. de Saussure, the eminent Swins naturalist, was upon one of the high mountains of Mexico he found himself in the very midst of a thunder-cloud. Every ridge of rock and all the angles of the loose stones were fizing, and the Indians who had accompanied him ran screaming and howling down the mountain their lengths and standing street upon their heads.—Youth's Coming is for me at Terrare, Lyons and those inglies of well know what the same other thing. I well know what the same other thing. I well know what the feeling is for me at Terrare, Lyons and those

think."

"I raise you 50," here broke in a panish accent from the lower end of a table.

"Hallo, Sig! Right in it, ch! Til have raise you. How did that killing come anyhow? Know the second of the table. Spanish accent from the lower end of the table.

"Hello, Sig! Right in it, ch? I'll have to raise you. How did that killing come off anyhow? Know anything about it. Wheeler?"

"Oh, easy enough, from what I hear. They got to playing a pretty stiff game, and Frank took all the money. They are the color of the cloth.—New York and Frank took all the money. They client of a friend of mine who sistem appearance to the materials emission appearance to the material appearance to the materials emission appearance to the material appearance to the material appearance to the material appearance to the materials emission appearance to the material appearance to the material appearance to the cloth.—The client of a friend of mine who appearance to the material appearance to the material appearance to the cloth appearance to the cloth appearance to the cloth appearance to the continue are accustomed to the finds explanation for this in the fact that clergymen, like women, are accustomed to the material appearance to the cloth appearance to the cloth

They got to playing a pretty stiff game, and Frank took all the money. They were hard losers and tough men generally. They accosed him of cheating and started the row, and he simply wiped them out."

"And they were not the first ones that the has wiped out either."

"No, you are right. If all the reports are correct, he has a pretty long list back there, but they do say that know him that he is as square as a die and wouldn't kill a chicken without he had to, but when some one cenns along and takes him for a mud flat or sand bar the way things Jingle around that locality is a caution to Christmas bells in a great city."

A Good Place for Ducks.

"The client of a friend of mine who takes from the land of St. Patrick exceed in the Twenty-fourth ward of New York city a structure with plasters of lath for the facade and with the sale as equare as a distant who him that he is as square as a dis and wouldn't kill a chicken without he had to, but when some one cenns along and takes him for a mud flat or sand har the way things Jingle around that locality is a cantion to Christmas bells in a great city."

A Good Place for Ducks.

"The client of a friend of mine who takes from the land of St. Patrick exceed in the contrary, all I desire is to give a consistent appearance to the materials entity of the cut with a cellar below the rested in the Twenty-fourth ward is the record, with a cellar below the rested in the Twenty-fourth ward that he can be adopted. Alpaca weven with for the record, with a cellar below the rested in the Twenty-fourth ward is the same test of lath for the facade and with the land of St. Patrick exceedingly in about the least weighty have a close of the first one strips of aluminum will be used to rigidly maintain the bens of skirts in funnel slace. Stiff musiling seven with narrow line alone the rected in the Twenty-fourth ward is the standard at the way that he way that he way the standard at the way that he are contract. We name to demand that any other. It is also probable with the statement. We

And then be branched out into several amusing ane-clotes regarding hin; of his heavy games and ugly scrapes; of his con serve and ready wit; how upon one consistent actions at Texas ranchmum had, by his loud and braggaded manner, contrived to offend the more quiet tastes of Steam. The fire commissioners said they would be glad to pump out the water, but Malbon I to allow a fire and the more quiet tastes of Steam. The mayor, who was Mr. Grace, received him with that bland air which he advantably near his nose, and after see the mayor. The mayor, who was Mr. Grace, received him with that bland air which he advantably near his nose, and after being towed for a mile or two was at last handed aboard again and contained lass starch and more gentleuses of manner.

"But there is one fellow who has got in on Frank, who don't allow any time for foeling. He is a big New Orieans gambler called Blazer."

"Elazer You don't rell me, "said tho coloned. I know him; hard lot, they say,"

"Elazer You don't rell me," said the colonel. I know him; hard lot, they say,"

"Yes, you're right, and they say he is the man who has driven Frank from the river."
