113 One Make. enal! If it could be its general—his six, galar performance just now—and I saw indee not are to thin shoop down—if it was really he, it shows along the property one unfortable poles on the same of t

As he escorted the lady through the As he escerted the lady through the room he tried to get near the general He managed to do so, and with the back of his hand he cautiously knowled against the peaket of the general's contwhich he empected contained the slipper. There was nothing there! He tried to sound the other pockes, but a alight move or the general's part carried him cut of reach. To touch it, it was necessary to pass around on the side where it was.

was.

"Where in the world are you taking me?" demanded the lady on his arm.

"Why—or—to the head of the room,"

why—or—to the head of the room," "Why or to the head of the room, and as he was now on the right side of the general he wanted to try the other pocket. Here was a new obstacle that he had not foreseen. The fact that the lady had the arm nearest the general made any attempt at exploration impossible. He offered the other on the proext of an old wound which was paining size and was able at last to repeat his corner tactics. This time he was satis-ted. "It's there!" he murmured, and he did not enjoy the reflection that the hus-band of his adored one had discovered his maneuvers under the table.

Well, I'm in a pretty mess," he cor Everybody had crowded into the room there was an expectant hush, and all were on tiptoe for the promised trick. There was no way to retreat.

"Here goes," said the impredent lover.
"I must take the plungs, come what

may." And be plunged.

"Ladies," he said, "I have lost my slipper. I have not got it concealed about
my person; my pockets are simpty"—hiturned them inside out—"nor is it in my with the state of Paris. My eminently correct with the state of Paris and the state of t

person to my right."

This person was the general.
"Not bad!" the latter exclaimed under his breath, and in obedience to the universal cries of "Search yourself, search yourself, general," he drew the slipper from the pocket indicated.

A storm of applause was evoked by the brilliant success of the trick. Then, after, much whispering, several voices. person to my right.

"he's a confederate."

The conjurer protested.
"Do it again, then!" some one demanded, and everybody took up the cry: "Yes.

conference.
"The exact truth is this, ladies: You

asked the conjurer to repeat his per-formance. I just this moment told him formance. I just this moment told him that it was one of those tricks that should not be tried a second time. Did I not sit?" said the general significantly.

"Precisely, general, and I shall follow your advice," replied Latournelle.
"It shall not be repeated."

And it never was.—Translated For Argunant From the Franch of Jules Mei.

THE BEST QUALITY. FRUIT FLAVORS. who treats her well,

Why? White Lead the best paint? Because it will outlast all other paints, give a handsomer finish, better protection to the wood, and the first cost will be less. If Barytes and other adulterants of white lead are "just as good" as Strictly Pure White Lead, why are all the adulterated white leads always branded Pure, or

"Strictly Pure White Lead?"

This Barytes is a heavy white powder (ground stone), having the appearance of white lead, worthless as a paint, costing only about a cent a pound, and is only used to cheapen the mixture. What shoddy is to cloth, Barytes is to paint. Be careful to use only old and standard brands of white lead.

"Atlantic" "Bradley"
"Brooklyn" "Jewett" "Ulster" are strictly pure. "Old Dutch" process brands, established by a lifetime of use. For colors use National Lead Co.'s Pure White Lead Tinting Colors with Strictly Pure White Lead.

Deficity First White Lead.

CONVERSATION OF A MAN WHO WAS PRIMED FOR A DYSPEPTIC.

One Case, Hears of a Store Broughald Words to the Course of a Long Talla.

"You are so burly and robust," said the orgalous dyspeptic, with some scorn, to his casual traveling acquaint goes, "that I processes you are never trendled with dyspopola. You have rauch to be thankful for I am often to

"On the contrary," he immediately re "On the contrary," he immediately replied, for, never having suffered a ment in his life from any physical a ment, his mind was active and vigilar "On the contrary, I have suffered a told forture from dyspepsia, and as y are interested in the analysis I will willingly give you my experience. I beginned to the finest digestion in the worl but while engaged in the military serving the country, being 10 years scould on the frontier, the character of the tions together with the quality of confections of soldier cooks previous

castings"

"Oh, my trouble was not with cooks, interposed the dyspeptic loftly, bu nevertheless much chargined to find the burly acquaintance prepared to talk of on the subject. "As I was about to tel you, I am often to such a state that"

"And the irregularity of the meals, purried on the burly acquaintance "served, you understand, it comp, is freece and a la fourdhette sams ceremonie three me into such disorder that I had indigestion, then dyspepsia, then non-assimilation, I submitted my case to the

rmy surgeons. They advised me"---"Doctors are of little use. I will tell To confine myself to the simplest and "To confine myself to the simplest and most digestible edibles and escalents to be found in the military commissary. But I graw worse, and the aurgeous ordered me back to civilisation, where I could obtain the delicate mutriment which my disordered and seriously impaired system required. I went to Chicago and began a diet of chicken broth, frosh fruit, stale broad made from newly ground graham, steamed outment"—

"Oh, I tried all those. Five years ago"—

And overything else usually kept in a before, and the local decitors alivised ine Lürst class store of this kind. to go to—to go to New York, where I should be able to find foods better suited to my parious state. Accordingly I went to New York and laid out a diet of the fluest and purest of the selected foods Of all kinds attended to neatly, cheap-

finest and purest of the selected foods that that metropolis affords"
"Plain country food taken as the system requires"
"My physician advised exact regularity. I had two counces sea food, two ounces farinaceous food, two ounces of the juice of fresh imported fruits and two onness coagulated albuminoids overy two hours. Growing steadily worse, I consulted higher medical talent. One doctor kept me on clam broth, another on tangerius, another on shredded broiled frogs' legs, another on distilled alfalfa" lily and promptly. Special attention lipsed to the manufacture of Harness to order. Robt. N. Anthony,

"Five years ago"-"Growing steadily worse, I consulted still higher authority. I was now told that my diet was at variance with na-ture. The doctor told me that nature was proportion, rhythm, mude—foods must be taken in harmonious propor-tions. He prescribed the same sea foods, cereals, meats and fruits as the others,

tones"—"Of course you recovered, your case being merely temporary"—"Growing steadily worse, I consulted a doctor who had had great success among the millionaires—financial success. He was a man of blunt speech and plain common sense. He said I had overworked my stomach and must give it entire rest. What I was to do for a living in the meantime he did not say, but he took a large fee with great scorn, rightly despiaing me for the small. rightly desplaing me for the small amount of money that he left me. My stomach was now worse than ever. It refused to be cajeled and despised my A Remarkable Case!

offers of peace. Excuse me a moment. Once I had spent over 48 hour fasting. I then drank two drams of sods min with four ounces of agua pura-every onness with me, and the signag symbols of those distressing quantities appeared in my nightly nightmares like a procession of Daniel Quilps and Humpbacks of No-tre Bame—as I say v drams of sterilized milk at 70 degrees contigrade, with iv wiggles of bianuth and ii juggle jaggles Rev. G. W. H. Clarke, Chaplain of the wiggles of biannth and it juggles jaggles of sola, with a couple of glasses of wine and peptin to aid in the mysterious processes of digestion.

"The large amount of actual food contained in the onnes of milk began to distress me exceedingly, but the wine, to which I was not accustomed, gave the

Senate, SHOULD BE INCARDED AS THE MOST positive proof of THE WON-derini medicinal power of DA-NA'S SARSAPARILLA. AND WE WOLD HERE STATE THAT HIS father AND brother both died of Kid-ney Disease. which I was not accustomed, gave me courage. I took several more doses of it immediately, increasing the doses rhyth-mically. I independ so well in months, I said. Wine is undoubtedly a mocker, but it is a good rubifactent, besides pos-sessing valuable qualities as an antisar-sotic and merrymaker. Now, very well, Mr. Stomach, I said, you are unsmea-ble to continues uninvocilly infinites. Mr. Stomach, I said, 'you are unamena-ble to gentleness, unmoved by leindness and irresponsive to the concord of sweet culinary symphonics. I will give you something to rage about. Putfing on my hat, I walked lightly adown the street, and entering, not a doctor's wait-ing room, but a restaurant, I instantly ordered and partook of a repeat comist-pugin part of turtle somp, roast old goose, broiled that lobsters, corned beef and cabbage, saft pork, but rolls, Italian cheese, tripe, mince pie, black coffee-chartrones and a black and green cigar "As you can imagine, when you conpermanent cure. In fact, I am so much improved that I expect to take another Charge. I will also state that one year ago but Spring I was attacked with cancel by averwork, and my breath because so short that it was very difficult for the low two with a cane. The Physicians said I must be very careful about walking or executing myself. I ANA'S SARSAFARILLA very scentrelleved me. "As you can imagine, when you consider the philosophy of it, that ended it I hope you will never be troubled as I've been. Good day,"—New York Sim.
