The finest complexions in the world are those of the Italian and Spanish ladies, who live largely on coarsegrained food and truit, like the orange or bansma. People Who Fall Safely.

A fall, as a rule, injures a drunkers man much less than a sober one, because the controlling power of the mind being resdered nil through intoxication, the body falls as an inert mass, and thus the chances of injury are lessened, for, strange though it may appear, it is no less a fact that the most emed, for, strainge though it may appear, it is no less a fact that the most immerous cases of injury arieing from a fall serve caused by the effort, voluntary or otherwise, to avert the consequences, thus straining the muscles and tendoms. Very rarely are injurious effects from a fall known in a lumatic saylum, for the same simple reason—the mind has no influence over the action of the body. And it is a remarkable and well-known fact to those who have to deal with such cases, adds the Boston Herald, that whatever is juries are so caused heal much more rapidly than in the case of same people, the mind having more to do with retarding or assisting nature's efforte than is generally known or realized.

In praising Dr. David Kennedy's Favorite Remedy. It is our family medicine now, thus wries a lady from First avenue New York City, Favorite Remedy was first infroduced in our family when I was suffering untold agony, and misery from gall stones, nothing I took helped me. One day my brother brought home a bottle of Dr. David Kennedy's Favorite Remedy made at Rondout, N. Y., and it permanently cured ms. My husband is an ice man and was troubled with pains in his back was so lame he could hardly move at times, he used Favorite Remedy, the pain disappeared, and six doses cured him. Dr. Rennedy's Favorite Remedy is the ouly medicine that affords a speedy relief and permanent cure for such affections, for it dissolves and causes the expulsion of gravel and stone from the kidneys and bladder. If you have pain in your back, if your urine is dark colored, painful or ir regular, do not delay for a single day, but take Dr. Kennedy's Favorite Remedy, but take Dr. Kennedy's Favorite Remedy which will stop the progress, and causes that is forming.
