brown hair and a froah face of only twanty summers and whiters. It is true she had made the said herself and he hat also, with a little help from her sister, when it was decided that the was to have a church position, and- Perisins. what does not always follow as a neces. There many consequence-a generous salary. But her dress, as a whole, had such an indescribable air of style and finish that indescribable air of style and finish that only the keen eye of a fashionable ween not straight from the hands of ex-perts. The young girl had no pre-vision of whist was awaiting her, that she was walling upon a thin ormst, which might one day crack and make a fissure wide smough for her to slip in --out of slight. Pagetown had recolved a shock, and few things short of an earthornake could have so since or an mind of every one in the parish. There mine or every one in the parsa. There was considerable enrichety as to whether the Presents staters would be present. It was soon satisfied. Jane entered alone. She took a piece of work and seated herself, saying but little to any-one for arbitis When asked why her sister had not come, she replied that she had gone away for a few weeks to pay a visit to earthquake could have so sinken up the little community as the sudden deter-mination of 'Squire Page, for whose ancestor the town had been named, to a friend. "She has pretty well lost her inter-est in the church work, and reason enough, too." "Now," said Mr. Fairchild, plunging

"Now," said Mr. Fairchtid, plunging at once in medias res, "I don't think Matilda ought to feel just so, Jane I don't like changes, myself, and J thought we were getting along woll enough when the old choir-but we can't all view things alike, you know." "If they'd only got a good, respect able girl, I wouldn't have said a word." "Myny, you don't know anything against Miss Wayne, do you? I thought she seemed a sweet, innocent little things as ever was, myself." "Well, M you call a sheplifter an inno cent little thing, Fre no more to say." "A what?" shuddered Mrs Fairchlid, in a stifled, husky whisper, her very make a change in the choir of the Con-gregational church. Matilda Present had been the head soprano in the church for the past fiteen years, with a salary of accenty-five foliars a year, which Squire Page paid out of his own pocket, as he did all the expenses connected with the singing. Something in the nature of an electric shock passed, through her, therefore, when he called one morning in the sum-mer, and, saking to speak with her alone, the data could be able to be alone, the called one morning in the sum-mer, and, saking to speak with her alone, the called one morning in the sum-mer, and, asking to speak with her alone, the data could be along a speak as possible the reasons forweiching to make a chairse in the of morning and he an Wieward bo of it. face is, Minthia, the world from floor, and we we all got to now with it.
