OUR CIRCULATION 1504
OUR BOARD-NOMINATING EDITOR of the Lehighton Record is supporting a Monroe county man for Judge.
THE DEMOCRATIC TICKET is made up of most excellent material and should be heartily and honestly supported. Let Democrats do their duty.
THE LANDFORD RECORD and the **MANCH CHUNK DEMOCRAT** are distributing a large number of sample copies. The presumption is that some one is paying a desperate fee for useless campaign literature.
MICKEY CASSIDY was going about with tears in his eyes last Saturday because this fearless newspaper continued to show him in his true colors. A man who won't support the unanimous choice of Carbon county for Judge because he can't be a state delegate is a worm.
THE CLOVES-HOOD EDITOR of the Lehighton Record is an applicant for the voters' collection in this district. This, we presume, he expects for making speeches that he didn't make in York state last fall and thus saving the state to Cleveland. At the time this little blot published the fact of his absence in York state in his own paper, he was at his own home in Lehighton.
THE ENEMIES of Allen Craig say that they are against him because the action of Governor Pattison in appointing J. B. Storm Judge must be approved. Yet the same Governor appointed J. W. Maloy, of Lansford, a notary public, thereby offering a gratuitous insult to efficiency and decency and putting a premium on smallness. Ask the **MANCH CHUNK DEMOCRAT** how Maloy "tripped" on a legal advertisement to the state and collected his fee. The same wretch could not be elected dogcatcher in his own town.
THE MANCH CHUNK GAZETTE is independent to be bull-dozed by corrupt bosses into the support of measures derogatory to the interests of the taxpayers. The nomination of Hoydt, for Judge, was brought about by trickery and Mickey Cassidy, a deposed Democratic leader, and the Gazette editor refuses to swallow it. The Gazette believes in a non-partisan judiciary and in believing that it should not hesitate to come out flat footed for the state and collect its fee.
THE DEMOCRATIC TICKET. It can be said of the Democratic ticket now before the people for that earnest and emphatic ratification with which it will meet at the polls in November, that it is clearly a people's ticket because the nominations were made honestly—ring and cliques, the bosses and quacks having been relegated to the rear and the delegates in convention assembled elected by the whole people following the lead of the party, James M. Breslin. "I will do all that lies in my power to elect the whole Democratic ticket; imbued with this noble purpose every district in Carbon county will show a decided gain over the results of the past few years and the Democracy will be gloriously triumphant.
 The composition of the ticket shows worth, ability and straight Democracy associate Judge, Daniel House, Henry Swartz, of Lehighton, Commissioner, John O'Donnell, East Manch Chunk, and M. T. Trexler, Lehighton; treasurer, J. C. Creamer, of Allentown; auditors, E. J. Curry, of Audenried; and Lewis Peters, of East Manch Chunk. This ticket may be asked? Democrats, up front! Do your duty.
A HIGH POLITICAL POINT. The court for judges of the Carbon Monroe district is going to be a fight to the finish, as was predicted in these columns weeks ago. The nominations by the Democratic convention of the two counties was duly returned to Harrisburg, and there are actually two Democratic candidates on record. That to render assurance sure that the names of Messrs. Craig and Storm shall not be missed from the official ballot the friends of both have filed nomination papers.
 The Carr has all along predicted the election of Mr. Craig, believing the claim that he would receive practically the unanimous Democratic vote in Carbon county. This claim it appears was not well founded. Last week it was ascertained that Michael Cassidy, chairman of the Democratic county committee in Carbon, would support Judge Storm for election and upon inquiry he acknowledged it to be his intention. How many votes Mr. Cassidy can take away from Craig remains to be learned. The Craigmen intend to make a house to house canvass of the county and we are inclined to think that the Cassidy contingent will be found to be exceedingly small when the votes are counted. We understand that Mr. Cassidy was induced to oppose Mr. Craig because he was to be loyal to the state administration. So far as he is concerned he will find it very bad politics. We look for the election of Mr. Craig by a large vote and the defeat of the Democratic county ticket in Carbon, the latter due to Mr. Cassidy deserting the unanimous choice of his county for president Judge.—Easton Sentinel.

WATCH MIKE, THE DEM POLITICIAN.
 When a respectable and influential newspaper follows in the line of publicity and unflinchingly and unambiguously exposes corruption and questionable practices on the part of party leaders or of a party there can generally be found some newspaper of an irresponsible character whose editors either from a natural affinity to advance a course of pecuniary gain, who feebly attempt to defend those whom are guilty of a gross misconduct which calls for exposure and punishment. We have an example of this now and it is very beautifully exemplified in the Monarch Advocate's exposure of Mickey Cassidy's questionable practices as a Democrat and the efforts of the Lansford and Summit Hill Record to defend him. This newspaper, however, will not be frightened off either by the threats or by the violence of the Monarch Advocate's exposure of Mickey Cassidy's questionable practices as a Democrat and the efforts of the Lansford and Summit Hill Record to defend him. This newspaper, however, will not be frightened off either by the threats or by the violence of the Monarch Advocate's exposure of Mickey Cassidy's questionable practices as a Democrat and the efforts of the Lansford and Summit Hill Record to defend him.

THE BRIDGEGANG COME TO LATE.
 ATLANTIC CITY, Oct. 19.—Presty Adels, owner of Egg Harbor City's hotels, did not become disconcerted when August Klein failed to appear at the hour set for their wedding. She promptly asked for Harry Stauffer, a former lover, and after a few minutes conversation they were married in the presence of the established guests. Klein arrived after the ceremony had been performed, and was much agitated at the outcome.
Hilton Sentenced for Five Years.
 NEW YORK, Oct. 19.—Reverend Dr. Henry, who was convicted of the murder of the late President McKinley, was sentenced to five years in Sing Sing prison for a second time. Judge Ingraham, of the supreme court, granted a stay of execution, pending appeal to the last for a more lenient sentence.

 "I have been terribly afflicted with Salt Rheum for over 20 years. At times my head was so swollen, my eyes were so sore, they would bleed and I had to wear eye glasses. My hands were so hot, I could not get any temporary relief, no permanent cure. For a few years past, I have had no appetite, could not sleep, and I would look upon life as a burden. I was hopeless that I would ever be cured. I had been advised to use Dr. T. B. Sargapilla's Remedy, and I have used it for 20 years. Last Christmas I commenced taking DAN'S SARGAPILLA. The first bottle did not seem to help me in the least, but I persevered, and the result was wonderful. My hands and eyes are perfectly well, appetite is restored, I sleep peacefully, and I feel as well as I have ever felt. I also suffered with Indigestion, and I was cured by the same medicine. I am now 74 years old. Last Christmas I commenced taking DAN'S SARGAPILLA. The first bottle did not seem to help me in the least, but I persevered, and the result was wonderful. THE DEMOCRATIC TICKET. It can be said of the Democratic ticket now before the people for that earnest and emphatic ratification with which it will meet at the polls in November, that it is clearly a people's ticket because the nominations were made honestly—ring and cliques, the bosses and quacks having been relegated to the rear and the delegates in convention assembled elected by the whole people following the lead of the party, James M. Breslin. "I will do all that lies in my power to elect the whole Democratic ticket; imbued with this noble purpose every district in Carbon county will show a decided gain over the results of the past few years and the Democracy will be gloriously triumphant.
 The composition of the ticket shows worth, ability and straight Democracy associate Judge, Daniel House, Henry Swartz, of Lehighton, Commissioner, John O'Donnell, East Manch Chunk, and M. T. Trexler, Lehighton; treasurer, J. C. Creamer, of Allentown; auditors, E. J. Curry, of Audenried; and Lewis Peters, of East Manch Chunk. This ticket may be asked? Democrats, up front! Do your duty.
A HIGH POLITICAL POINT. The court for judges of the Carbon Monroe district is going to be a fight to the finish, as was predicted in these columns weeks ago. The nominations by the Democratic convention of the two counties was duly returned to Harrisburg, and there are actually two Democratic candidates on record. That to render assurance sure that the names of Messrs. Craig and Storm shall not be missed from the official ballot the friends of both have filed nomination papers.
 The Carr has all along predicted the election of Mr. Craig, believing the claim that he would receive practically the unanimous Democratic vote in Carbon county. This claim it appears was not well founded. Last week it was ascertained that Michael Cassidy, chairman of the Democratic county committee in Carbon, would support Judge Storm for election and upon inquiry he acknowledged it to be his intention. How many votes Mr. Cassidy can take away from Craig remains to be learned. The Craigmen intend to make a house to house canvass of the county and we are inclined to think that the Cassidy contingent will be found to be exceedingly small when the votes are counted. We understand that Mr. Cassidy was induced to oppose Mr. Craig because he was to be loyal to the state administration. So far as he is concerned he will find it very bad politics. We look for the election of Mr. Craig by a large vote and the defeat of the Democratic county ticket in Carbon, the latter due to Mr. Cassidy deserting the unanimous choice of his county for president Judge.—Easton Sentinel.

She promptly asked for Harry Stauffer, a former lover, and after a few minutes conversation they were married in the presence of the established guests. Klein arrived after the ceremony had been performed, and was much agitated at the outcome.

TERRIBLE! TERRIBLE!
Salt Rheum for 20 Years.
SYSTEM THOROUGHLY PERMEATED.
DR. T. B. SARGAPILLA
 Mrs. MOODY'S REMEDY IN WESTON, ARDROOK CO., Md., AND WHOSE REMARKABLE STATEMENT WE PUBLISH BELOW, IS WELL KNOWN AS ONE OF THE "OLD SCHOOL WOMEN" WHOSE WORD IS GOOD AS GOLD, ONE OF THE PINE TREE STATE ARE PROUD TO CALL MOTHER. SHE SAYS—
 "I have been terribly afflicted with Salt Rheum for over 20 years. At times my head was so swollen, my eyes were so sore, they would bleed and I had to wear eye glasses. My hands were so hot, I could not get any temporary relief, no permanent cure. For a few years past, I have had no appetite, could not sleep, and I would look upon life as a burden. I was hopeless that I would ever be cured. I had been advised to use Dr. T. B. Sargapilla's Remedy, and I have used it for 20 years. Last Christmas I commenced taking DAN'S SARGAPILLA. The first bottle did not seem to help me in the least, but I persevered, and the result was wonderful. My hands and eyes are perfectly well, appetite is restored, I sleep peacefully, and I feel as well as I have ever felt. I also suffered with Indigestion, and I was cured by the same medicine. I am now 74 years old. Last Christmas I commenced taking DAN'S SARGAPILLA. The first bottle did not seem to help me in the least, but I persevered, and the result was wonderful.
