KINKELIN, Northwest corner of THIRD and UNION Streets, between Spruce and Pine, a square-and-a-half from the Exchange, Philadelphia. TAKE PARTICULAR NOTICE. The individual becomes feeble, he is unable to labor with accustomed vigor, or to apply his mind to study; his step is tardy and awkward, he is dull and irritable.

THE GOLD MINES OF CALIFORNIA!! THE excitement produced by the discovery of gold in the Sacramento Valley with a large number of our citizens, who will, it is to be hoped, reap a rich reward from Sacramento's Golden mine. We had almost determined to go along with the crowd, but after mature deliberation as to the consequences of leaving Lewistown without a Store where cheap goods could be bought, we concluded that the interests of our friends demanded that we should remain, and we have accordingly determined to make the sacrifice. There will, therefore, be no need for any one to go to California to get rich, as our store will afford a splendid opportunity for acquiring gold and silver in abundance, in the shape of cheap goods—so low, that a picayune is worth more here than an ounce of gold in the Sacramento Valley with flour at \$100 per barrel, other things in proportion, and not to be had at that. We therefore invite all our old customers (whose names we "legion") and ten thousand new ones to give us a call as soon as they read this notice, so that they may have an early choice from the

Tremendous Piles of goods of all descriptions we are now piling on our counters, on shelves, under the counters, in drawers, in the store-rooms, in the cellars, garrets, ware houses, custom houses, etc, and so forth, lest they disappear as quickly as they came.

It is hardly worth while to enumerate a few articles where there are so many—we therefore only say that there are lots of Cloths, Cassimeres & Satinets, from Great Britain, France, Germany, and the United States, embracing all prices from 37 1/2 cents a yard to \$10;

SHAWLS, from India's coral strand and the vales of Cashmere; SILKS from Italy; Plaids from Scotland; LINENS from Ireland; HANDKERCHIEFS from Australasia and Polynesia;

FINE MUSLINS from the ice-bound hills of Switzerland; CAPES, Collars, Edgings, Insertings, Laces, &c., &c., from Greece, Turkey, and Egypt; GINGHAMS

from here, there, and everywhere, and thousands of yards of CALICOES from all creation. In all other matters, from a row of Pins to a hoghead of Sugar, we more than hold our own, as any one can test by calling. We've got all in the Grocery line that anybody else has—as good as the best—as cheap as the cheapest, and perhaps A LITTLE CHEAPER. As "seeing is believing," and we don't ask people to put on a pair of green spectacles to make them believe that a barrel of shavings is a barrel of green grass, like the yankee pedlar did his horse, just walk in and judge for yourselves—and you'll say, as everybody else does, that the place for good goods and cheap goods, is

LEWISTOWN, NUSBAUM, BROTHERS. Lewistown, April 7, 1849-tf.

Cooking Stoves. We have now on hand a large stock of Cooking Stoves, such as we warrant to give entire satisfaction. We have the Laubach, two sizes, from \$20 to \$22. We invite Farmers and all persons needing a Cooking Stove, to give us a call before purchasing elsewhere. F. J. HOFFMAN, Lewistown, March 24, 1849.

PLASTER, Fish and Salt on hand and for sale by Dec 30. WALTER LILEY.

HARRIS, TURNER & HALE'S Compound Syrup of Spigelia or Vegetable Vermifuge. The most effectual, the safest, pleasantest and most convenient Worm Medicine ever offered to the public.

THE SPIGELIA, says a work of highest authority, stands at the head of the list of Antelmintics or Worm Medicines. It is adapted to a wider range of cases, and constitutes the best of experience in the hands of distinguished physicians, in Philadelphia and elsewhere, who have recommended it in the highest terms, and still employ it in their practice. In addition to this evidence of its merits, we offer the following, selected from a number of letters solicited from the friends of the Syrup, and sent to us by a distinguished physician of Virginia, of much experience, writes of it thus:

"I should have written before this, but felt disposed first to try the efficacy of your Vermifuge. I have used more than half the quantity of the Syrup, and it has been most successful. I really believe that it possesses advantages over any other Vermifuge I have ever used. It is also an extensive variety of the CHEAPEST CARPETING that has yet been brought to this place; together with a never-ending assortment of READY MADE CLOTHING, which will be sold at prices to suit purchasers. Besides this, he has

JAUNDICE, DYSPEPSIA, CHRONIC OR NERVOUS DEBILITY, DISEASE OF THE KIDNEYS, AND ALL DISEASES ARISING FROM A DISORDERED LIVER OR STOMACH IN BOTH Male and Female: Such as Constipation, Inward Piles, Flatness or Bloat to the Head, Acidity of the Stomach, Nausea, Heartburn, Digestion of Food, Fullness or Weight in the Stomach, Sore Throat, Sinking or Fluttering at the pit of the Stomach, Swelling of the Head, Throbbing and Dizziness, Breathing, Fluttering at the Heart, Choking or sufficing sensations when in a lying posture, Dimness of vision, Dots or webs before the sight, Fever and cold pain in the Head, Feebleness of perspiration, Yellowness of the skin and eyes, Pains in the Side, Back, Loins, &c., sudden Flashes of Heat, Burning in the Flesh, constant Imaginings of evil and great depression of spirits, can be effectually cured by

Dr. Hoffman's Celebrated GERMAN BITTERS. Their power to cure almost all diseases not cured by equalled by any other preparation in the United States, the cures attest, in many cases after skillful physicians had failed.

OBSCUREMENT OF THE LIVER AND STOMACH ARE SOURCES of debility, and will also produce disease of the Skin, Lungs and Kidneys, and may also be the origin of attack of the Cholera, Bilious, or Yellow Fever, and is generally the first cause of that most baneful disease, Consumption.

Opinions of the Philadelphia Press. "The Dispatch," December 31st, says: "AN INVALUABLE MEDICINE—We have frequently heard the celebrated German Bitters, manufactured by Dr. Hoffman, in terms of commendation, and we know decidedly from our own experience, that in certain quarters, to puff all manner of useless trash, but in the case of the above Bitters, hundreds are living witnesses of their great moral and physical worth. As a medicine for the Liver Complaint, Jaundice, Nervous Debility, and Dyspepsia, it is the best and most effecting cure and thoroughly eradicating disease which other medicines have failed. We feel convinced, that in the use of the German Bitters, the patient does not become debilitated, but constantly gains strength and vigor to the frame—a fact worthy of great consideration. Bitters are pleasant in taste and smell, and can be administered under any circumstances to the most delicate stomach. Indeed, they can be used by all persons with the most perfect safety. It would be well for those affected with the nervous system, to commence with a small quantity or less, and gradually increase. We speak from experience, and are of course a proper judge. The press far and wide have united in recommending the German Bitters, and to the afflicted we most cordially advise their use."

"Spirit of the Times," June 24, says: "Our good citizens who are invalids, know the many astonishing cures that have been performed by Dr. Hoffman's celebrated German Bitters? If they do not, we recommend them to the 'German Medicine Store,' all who are afflicted with Liver Complaint, Jaundice, Dyspepsia, or Nervous Debility; the doctor has cured many of our citizens of the best physical ailments. We have used them, and they have proved to be a medicine that every one should know of, and we cannot refrain giving our testimony in their favor, and that which gives more credit than our humble effort, is that they are entirely respectable."

"The Daily News," July 4th, says: "We speak knowingly of Dr. Hoffman's celebrated German Bitters, when we say it is a blessing of this age and in diseases of the bilious, digestive and nervous systems, it has not its equal. It is a Vegetable Preparation, and made without Alcohol, and to all invalids who are afflicted with the nervous system, it is a most valuable medicine."
