GARDENERS and orchardists who desire to plant only the very best kinds of hardy fruits, are respectfully informed that they can obtain trees here of all the most estimable varieties, including all those which have received the special sanction of the American Congress of Fruit Growers. (N. Y., Oct. 1848)

The TREES offered this season are of beautiful appearance, extra size, (excepting the few new rare sorts) and from the elevated locality in which the Nursery is established, have all the essential advantages of hardiness and early maturity, for which trees grown at the north have been deservedly preferred.

The advantages possessed here are being improved to the utmost, with the view of making this Nursery, in merit, second to none in the State. Every tree is judiciously marked and warranted correct. They will be delivered in Lewistown or at intermediate places at the low catalogue prices, and warranted sound on delivery. If to be shipped, they will be well packed for the purpose at a moderate charge.

It is advised that orders be sent direct to the Nursery, in preference to purchasing ill assorted trees, from often irresponsible dealers, at high prices. Such orders, if received in time, have the first attention. Season for fall planting, October 20. A choice collection of the most admired ornamental plants, vines, evergreens, &c. has been added to the Nursery Catalogues, sent to all post paid applicants. WM. G. WARRING.
