LEWISTOWN MILLS.

THE subscriber has taken the Lewistown Mills, and wishes to buy a large quantity of All Kinds of Grain, for which he will pay the CASH, in PAR, as high as the market will afford, according to its quality. Any person having good Wheat will do well to call and show a sample of it, as he thinks he can afford to give more than any other person in the place, the mill being situated on the creek, where flour can be loaded out of the mill into boats, and all expense of hauling, storing, and shipping saved; besides, the flour is in better order, as the barrels are not injured by hauling and handling. If wheat brings a better price than it will afford to grind, he has the same chance of shipping it as any other, as the mill is the most convenient storehouse in the place, and saves a great deal of time and labor in hoisting by water power. OR, HE WILL RECEIVE ON STORAGE, and forward to Philadelphia or Baltimore, and give the following receipt: "Received, Lewistown Mills, of A. B., — Wheat, to be kept in store till the first of August, unless disposed of sooner."

When the receipt is given the quality of the wheat will be mentioned in it, so as to prevent any trouble when the owner comes to sell. Any person storing, having four hundred bushels and upwards, and desires it, it will be kept in a garner by itself. Any person taking a receipt, and not selling before, or giving notice to keep it, till after the first of August, it will be carried out to their credit at the market price on that day. If shipped, or sold to any person that does not get the grain, the mill, two cents per bushel storage will be charged. If they give notice, and keep it over after the first of August, the storage will be one half cent per month, afterwards. The grain will be clear from high water.

The subscriber will keep Plaster, Fish, Salt and Groceries of all kinds, which will be sold low for cash to Farmers, by the quantity.

FLLOUR, MIDDINGS, and all kinds of Grain and Feed, will be constantly kept on hand, and sold low for cash.

A. W. W. STERRETT, N. B. JOHN STERRETT is authorized to transact any business in the above premises as my Agent. Lewistown, April 14, 1849—1y.
