The Capital being paid up and invested, together with accumulated premium fund, affords a perfect security to the insured. The premium may be paid in yearly, half yearly, or quarterly payments.

The Company add a BONUS at stated periods to the insurance for life. This plan of insurance is the most approved of, and is more generally in use than any other in Great Britain, (where the subject is best understood by the people, and where they have had the longest experience,) as appears from the fact that out of 117 Life Insurance Companies there, of all kinds, 87 are on this plan.

The first BONUS was appropriated in December, 1811, amounting to 10 per cent. on the sum insured under the oldest policies; to 8 per cent. 7 per cent. &c. &c., on others, in proportion to the time of standing, making an addition of \$100; \$87.50; \$75, &c. &c., to every \$1000, originally insured, which is an average of more than 50 per cent. on the premiums paid, and without increasing the annual payment to the Company.

The operation of the Bonus will be seen by the following examples from the Life Insurance Register of the Company, this:

Policy.	Sum Insured.	Bonus or Addition.	Amount of Policy and Bonus payable at the party's decease.
No. 52	\$1,000	\$100.00	\$1,100.00

### AFFLICTED READ!

**Philadelphia Medical Society,**  
ESTABLISHED 15 years ago, by DR. KINKELIN. The oldest, ablest and best band to cure all forms of secret diseases of the skin, and solitary habits of youth, is DR. KINKELIN. Northwest corner of THIRD and UNION Streets, between Spruce and Pine, a square and a half from the Exchange, Philadelphia.

TAKE PARTICULAR NOTICE  
There is a habit which boys teach each other at the Academy or College—a habit indulged in when by himself, in solitude, growing up with the boy to manhood; few of those who indulge in this pernicious practice are aware of the consequences until they find the nervous system shattered, feet strange and unaccountable feelings, vague fears in the mind. The individual becomes feeble, he is unable to labor with accustomed vigor, or to apply his mind to study; his step is tardy and weak, he is dull irresolute.

Persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale and emaciated.

YOUNG MEN!  
Let no false modesty deter you from making your case known to one who, from education and respectability, can alone befriend you. He who places himself under Dr. Kinkelin's treatment, may religiously confide in his honor as a gentleman, and in whose bosom will be forever locked the secret of the patient.

Thousands have been restored to health, from the devastations of these terrific maladies by DR. KINKELIN, and GUARANTEE PHYSICIAN.  
PACKAGES of MEDICINES, ADVICES, &c. forwarded, by sending a remittance, and put up secure from DAMAGE OR CURIOSITY.  
Post-paid Letters answered forthwith.  
Philadelphia, January 27, 1849—1y.

If wheat brings a better price than it will afford to grind, he has the same chance of shipping it as any other, as the mill is the most convenient storehouse in the place, and saves a great deal of time and labor in hoisting by water power. OR, HE WILL RECEIVE ON STORAGE, and forward to Philadelphia or Baltimore, and give the following receipt:

Any person storing, having four hundred bushels and upwards, and desires it, will be kept in a garner by itself. Any person taking a receipt, and not selling before, or giving notice to keep it, till after the first of August, it will be carried out to their credit at the market price on that day. If shipped, or sold to any person that does not get it ground in the mill, two cents per bushel storage will be charged.
