Don't Dose your Children.—Our doctor says it is astonishing how tough children become as the family grows. It is a wonder that most parents don't kill their first child, with anxiety and medicine.

METICAL CONSULTATION.—An old clergyman, who had an old tailor as his headie or officer for many years, returning from a walk where Thomas was in the constant habit of attending him, thus addressed his fellow traveller, the minister's man: "Thomas, I cannot tell you it is, that our church should be getting thinner and thinner for I am sure I preach as well as ever I did, and should have more experience than when I first came among you."

BRINGING COALS TO NEW CASTLE.—The Harrisburg Telegraph states that propositions have been made by English colliers, to furnish the Harrisburg Gas Company with English coal, at a lower price than that at which the same article can be procured from Pittsburgh.

SOUTH CAROLINA BRATEN.—An individual named Price, living in Ohio, has filed a bill of exceptions in the Commercial Court in Cincinnati, to the running of the Cincinnati and Dayton Railroad through his land, on the ground that his possessions are a small independent nation, in Ohio, he having in consequence of his disapproval of the annexation of Texas, publicly at that time, declared his independence.

FASHIONABLE AMUSEMENTS.—Bishops Hadding, Waugh, Morris, Hamlin, and James of the Methodist Episcopal Church, have addressed to the Conference under their jurisdiction, a circular enjoining the strict observance of the Church discipline relative to participation in the prohibited amusements of dancing, etc. Church members are not allowed to permit dancing in their houses, even though they do not participate themselves.

THE ENORMOUS POLAR BEAR recently killed on the coast of Labrador by the crew of a British fishing vessel, was 16 feet long, and weighed 2200 pounds. The combat with him lasted an hour and a half; eight men armed with muskets were the assailants, and 16 bullets were lodged in the animal's body.

MARYLAND ELECTION.—The election in Maryland, has resulted in the choice of three Whig and three locofoco members of Congress, and a Whig majority in both branches of the Legislature. There is a Whig majority of 12 in the House and 9 in the Senate.
