LEWISTOWN MILLS.
The subscriber has taken the Lewistown Mills, and wishes to buy a large quantity of

All Kinds of Grain,
for which he will pay the CASH, in PAR FUNDS, as high as the market will afford, according to its quality. Any person having good Wheat will do well to call and show a sample of it, as he thinks he can afford to give more than any other person in the place, the mill being situated on the creek, where flour can be loaded out of the mill into boats, and all expense of hauling, storing, and shipping saved; besides, the flour is in better order, as the barrels are not injured by hauling and handling. If wheat brings a better price than it will afford to grind, he has the same chance of shipping it as any other, as the mill is the most convenient storehouse in the place, and saves a great deal of time and labor in hoisting by water power. On, he will receive on storage, and forward to Philadelphia or Baltimore, and give the following receipt:

"Received, Lewistown Mills, of A. B., — Wheat, to be kept in store till the first of August, unless disposed of sooner."

When the receipt is given, the quality of the wheat will be mentioned in it, so as to prevent any trouble when the owner comes to sell. Any person storing, having four hundred bushels and upwards, and desires it, it will be kept in a garner by itself. Any person taking a receipt, and not selling before, or giving notice to keep it, till after the first of August, it will be carried out to their credit at the market price on that day. If shipped, or sold to any person that does not get it ground in the mill, two cents per bushel storage will be charged. If it give notice, and keep it over after the first of August, the storage will be ONE-HALF cent per month, afterwards. The grain will be clear from high water.

The subscriber will keep
Plaster, Fish, Salt and Groceries
of all kinds, which will be sold for cash to Farmers, by the quantity.

FLOUR, MIDDINGS, and all kinds of Grain and Feed, will be constantly kept on hand, and sold low for cash.

Sarsaparilla!
NONE of your sort, fermenting stuff. Well, whose is it? Why, it is not Old Dr. Jacob Townsend's. Then whose else? Why, it is not Dr. S. P. Townsend's. (Whose upon earth is it then?) I will tell you: it is that which is made in strict accordance with the U. States Pharmacopoeia laid down by the Medical Faculty. There is more Sarsaparilla in one quart of this than in four quarts of other of the "Townsend's". Every Physician in the United States knows how it is manufactured, and to them we refer for the genuineness of the above compound Syrup of Sarsaparilla. It is for sale by the pint, quart, gallon, or any amount desired.

STOVES! STOVES!!
Improved Hathaway.
THIS great improvement, just got up, are satisfied stands unequalled, for general use, and simplicity of arrangement, by any Cooking Stove yet offered to the public. To be satisfied of this, we think it needs but to be seen. It is a regular Hathaway, of the size now generally in use in this country, with the following improvements, viz:

1st. It is so arranged that a stout Sheet Iron Oven can be put in at the top, back of the fire, (the flap passing under it,) sufficiently large to do ordinary roasting or cooking, and is heated as quick as the fire is cleverly burning; thus avoiding the necessity of heating up the regular oven for ordinary purposes, which oven heated, requires as much fire to do a small roast as would do a large amount of cooking. Further, the small oven being loose, can be put in or taken out at pleasure with very little trouble. When much cooking is required, it can be kept out, and the stove is then the same as a regular Hathaway.

2d. The Griddles are improved, so that the top is smoother, the wire handles being dispensed with, and a loose handle used to lift them off.

3d. The damper is much more convenient, being placed in the side instead of the back.

4th. The bottom flue is the Laubach, so arranged that the draft is the same as the Hathaway.

N. B. We warrant this stove in every particular.
We have also on hand a large assortment of other valuable Cooking Stoves, consisting of the Star, two sizes, at \$20 to \$22; Complete Cook, at \$13; and Laubach, two sizes. Also, the Prime, Keystone, and Etna Air-Tight, for wood or coal, at from 16 to \$25 dollars. AIR-TIGHT PARLOR STOVES.—A large assortment, of beautiful patterns.

COAL STOVES.—For parlors, offices, and chambers. A large assortment of handsome stoves, from \$3.50 up.

The great celebrity which this remedy has obtained among those who are acquainted with its virtues, and are rejoicing in its effects, has induced the Proprietor to give it the name of **OLOSANIAN, OR ALL-HEALING BALSAM,** to distinguish it from all other Remedies now in use. Its combination is the result of more than TWENTY YEARS experience, and he believes it to be the most perfect remedy known—for it has been used by thousands of persons, and is a palliative to the most distressing cases of Consumption, Influenza, Croup, Coughs, Colds, Pains in the Breast and Side, Dyspepsia, and the various affections of the Stomach and Liver.

For References or Certificates of Remarkable Cases of Long Standing and considered beyond Hope, see a small Book furnished gratis by the Agents to all who desire it. The sufferings which children frequently undergo from worms, tend to a fatal termination, while the cause is never suspected. Offensive breath, picking at the nose, grinding the teeth during sleep, starting up in sleep with fright and screaming, troublesome cough, and feverishness, are among some of the prominent symptoms of the presence of worms. A timely use of

Sherman's WORM LOZENGES, will immediately remove all these unpleasant symptoms, and restore to perfect health.

Consumption, influenza, cough, cold, whooping cough, tightness of the lungs or chest may be cured by a proper use of

Sherman's COUGH LOZENGES.
Hoarseness, palpitation of the heart, loss of spirit, sea-sickness, despondency, faintness, chills, spasms, cramps of the stomach, sumner or novel complaints, are quickly and entirely relieved by using

Sherman's CAMPHOR LOZENGES.
Rheumatism, back pain, pain and weakness of the breast, back limbs, and other parts of the body are speedily and effectually relieved by

Sherman's Poor Man's Plaster, which costs only 12c. each, is within the reach of all. It has his name with directions printed on the back of the Plaster, and a *fac simile* of the Doctor's written name under the directions. None others are genuine or to be relied on. DR. MARTIN'S Compound Syrup of WILD CHERRY,

IS the best Medicine yet for Coughs, Colds, Consumption, Asthma, Spitting of Blood, &c. Read the following:

November 12th, 1848.
Dear Sir—I take great pleasure in saying to you that Mrs. Ross has been entirely relieved of her cough by the use of your Syrup of Wild Cherry. It had continued for fully eighteen months. She had used several preparations of the Wild Cherry, none in popular use, but not with the slightest benefit, until she took yours. She now took six bottles, and I am pleased to say she is now in good health. Every one who saw Mrs. Ross thought her in a deep decline.

GREEN'S CELEBRATED VERMIFUGE.

THE Proprietor of this valuable remedy for Worms, introduces to his friends and the public, his **Celebrated Vermifuge.** Read the following:

DECATUR TOWNSHIP, Missin county, September 11th, 1849.

DR. S. F. GREEN.
Respected Friend—Two of our children have been severely afflicted this summer with Fever and Ague, and having checked it four different times by the use of the regular remedies, still they complained of pains in the legs, bowels, head, and in fact in the whole system, vomiting, appetite, fever, great diarrhoea, &c. and after having used all the remedies thought suitable for the above symptoms, I concluded that they both had Worms, and accordingly gave each of them the one nine years of age and the other 7, two tea-spoonfuls of your valuable Vermifuge, and in three hours from the time of their taking the above small doses, the youngest passed FIVE of the largest worms I have ever seen. The oldest boy passed a small ball of worms (it may appear incredible, but it is truly so large as a wax-tail, and both have been getting well fast since.)

You may make the above pulp if you think proper for the benefit of others, and for the purpose of introducing your valuable Vermifuge in Decatur township.

Yours, &c., **D. B. FISHER.**

The above valuable Vermifuge is prepared and sold by **DR. S. F. GREEN,** at the Lewistown Medical Depot, No. 11.

HARRIS, TURNER & HALE'S Compound Syrup of Spigelia or Vegetable Vermifuge,

The most effectual, the safest, pleasantest and most convenient Worm Medicine ever offered to the public.

THE **SPIGELIA**, says a work of highest authority, stands at the head of the list of **Athelmintics** or Worm Medicines. It is adapted to a wider range of cases, and to a greater variety of constitutions and states of the constitution, than any other. It is prepared in the form of a Syrup, and is so concentrated that the dose is very small, so combined as to ensure a purgative action, and so palatable that it may be taken, not only with ease, but with positive pleasure.

The precise composition of this Syrup and the mode of preparing it, are the result of a series of experiments continued for years. Before offering it for sale, it was subjected to the test of experience in the hands of eminent physicians, in Philadelphia, where they have recommended it in the highest terms, and still employ it in their practice. In addition to this evidence of its merits, we offer the following, selected from a number of un-solicited testimonials.

1st. A distinguished physician of Virginia, of much experience, writes of it thus:

"I should have written before this, but felt disposed first to try the efficacy of your Vermifuge. I have used more than half the quantity received, and the experiment has been most successful. *Truly before that I possess, no other medicine, which I have ever used.* Independent of the smallness of the dose, and the pleasantness of the Syrup (great advantages in dosing children) the advantage of administering it under a variety of circumstances, enhances its value; indeed there is scarcely a condition of the system in which it may not be administered. Yours, &c."

2d. A respectable physician of Lebanon county, in this State, writes—

"I have been in the habit of prescribing your Compound Syrup of Spigelia for some time past, and have found it an excellent worm medicine, particularly for Children.—Please forward per merchant 2 doz. bottles—Yours, &c."

3d. An intelligent merchant of Virginia to whom we had previously sold the Syrup, writes—

"Since my return home, I find that your Syrup of Spigelia has come into general use in my neighborhood. We have sold what we had on hand, and it gave such satisfaction that it is now called for every day. You will please put up 5 or 6 dozen in a small package, and send to the care of W. Anderson & Co., Richmond, as soon as possible, and forward to me by express, to Philadelphia, where I have a store. I have a late visit to Philadelphia, and that some time since had been applied to by a customer for a vial of your Vermifuge for his son. Not having the article asked for, he advised a trial of Harris, Turner & Hale's Compound Syrup of Spigelia, and gave him a part of a bottle, which was all that remained in the store. A day or two after this gentleman returning to the store, expressed his surprise and delight at the effect of the Syrup, declaring it had expelled 200 worms and cured his child's illness. The merchant added an expression of his great regard for the medicine, and had on hand a bottle of the Syrup at the time when his own little daughter died, as he confidently believed it would have saved her life."

4th. A gentleman of Hudson, N. Y., having sent a bottle of Harris, Turner & Hale's Compound Syrup of Spigelia, to a young friend who had tried in vain a great number of worm medicines, writes, that his friend was immediately relieved; the words of the patient were: "It took every worm out of my body."

Martin & Whiteley's NATIONAL TONIC,

A certain Cure for Ague, Fever, and Dyspepsia.

IN our summer and fall months many sections of our country are prostrated by **BILLIUS FEVER** and **AGUE** and **FEVER**.—It has been our particular study to find out some remedy to stop this dreadful scourge, and think, in this TONIC we have effected this great object. It is also we think the very best remedy in Dyspepsia, and if our directions are followed, will not fail to effect a cure.

In a letter dated, May 23d, 1849, our Agent, Mr. Elias Raub, of Wrightsville, York county, Pa., says—"I have never known any remedy for **Fever and Ague** equal to your invaluable National Tonic. It has given universal satisfaction, and has cured cases of **Ague** of years standing, and after the failure of all other medicines made use of. Mr. Henry Beverson, of the same place, says in his certificate, dated 21st March, 1849, 'I applied to a number of Physicians, and also used a variety of the popular Ague Mixtures at different times, but all without the desired effect; no permanent cure having been afforded. I was at length induced, at the recommendation of your worthy Agent at this place, to try a bottle of your National Tonic, and to my great satisfaction, after using only half of it, I felt completely cured, though I continued the use of it till I had taken two bottles.' In a joint certificate from Messrs. Miles Hoke, William Backus, and James D. Brown, of the same place, they say—'Having tried nearly all the remedies within our reach without success, we at last purchased some of your National Tonic, which has completely cured us. We, therefore, cheerfully recommend it to the notice of all persons afflicted with that terrible disease as the best remedy yet discovered.'

See the Pamphlets, which you can get from one of our Agents gratis.

Also, Dr. Martin's Purgative Pills, the best now in use, in all cases where a purgative is needed.

Prepared and sold by **MARTIN & WHITELEY,** Wholesale Drug Store, No. 38 S. Calvert St., Baltimore.

For sale by **F. J. HOFFMAN and WATSON & JACOB,** Lewistown; and by **ALEXANDER RUTLEDGE,** Williamsburg, Huntingdon county. [June 30, 1849-1y.]

CLICKNER'S SUGAR-COATED VEGETABLE PILLS.

The Grand Purgative for the cure of Headache, Giddiness, Measles, Salt Rheum, Rheumatism, Piles, Whooping Cough, Consumption, Fits, Liver Complaint, Erysipelas, Deafness, Itching of the Skin, Fevers of all kinds, Nervous Complaints, and a variety of other diseases arising from impurities of the blood, and obstructions in the organs of digestion.

The aversion to taking medicine is effectually removed by **CLICKNER'S VEGETABLE PURGATIVE PILLS,** being completely enveloped with a coating of pure white sugar (which is as distinct from the internal ingredients as a nut shell from the kernel) and have no taste of medicine, but as easily swallowed as bits of candy. Moreover they NEVER INFLAMME OR IRRITATE, but operate equally upon all the diseased parts of the system. Thus, if the liver be affected, one ingredient will operate on that particular organ, and, by cleansing it of any excess of bile restore it to its natural state. Another will operate on the blood, while a third will effectually expel whatever impurities may have been discharged into the stomach, and hence they *erect at the root of disease,* securing a free and healthy action to the heart, lungs, and Liver; and thereby they restore health even when all other means have failed.

The true truth of the above can be ascertained by the trial of a single box; and your virtuous are so positive and certain in restoring health that the proprietor binds himself to return the money paid for them in all cases where they do not give universal satisfaction. Retail price 25 cents per box.

Principal Office, No. 66 Vesey Street, New York.

Remember Dr. C. W. Clickner is the inventor of Sugar-Coated Pills, and that nothing of the sort was ever heard of until he introduced them in June, 1843. Purchasers should, therefore, always ask for Clickner's Sugar-Coated Vegetable Pills, and take no others, or they will be made victims of fraud.
