Great Attraction! STOVES! STOVES!! Improved Hathaway.

THIS great improvement, just got up, are we satisfied stands unequalled, for general use, and simplicity of arrangement, by any Cooking Stove yet offered to the public.

To be satisfied of this, we think it needs but to be seen. It is a regular Hathaway, of the size now generally in use in this country, with the following improvements, viz:

1st. It is so arranged that a stout Sheet Iron Oven can be put in at the top, back of the fire, (the flame passing under it,) sufficiently large to do ordinary roasting or cooking, and is heated as quick as the fire is cleverly burning; thus, avoiding the necessity of heating up the regular oven for ordinary purposes, which oven when heated, requires as much fire to do a small roast as would do a large amount of cooking.

Further, the small oven being loose, can be put in or taken out at pleasure with very little trouble. When much cooking is required, it can be kept out, and the stove is then the same as a regular Hathaway.

2d. The Griddles are improved, so that the top is smoother, the wire handles being dispensed with, and a loose handle used to lift them off.

3d. The damper is much more convenient, by being placed in the side instead of the back.

4th. The bottom flue is the Laubach, so arranged that the draft is the same as the Hathaway.

N. B. We warrant this stove in every particular. We have also on hand a large assortment of other valuable Cooking Stoves, consisting of the Star, two sizes, at \$20 to \$22; Complete Cook, at \$13; and Laubach, two sizes. Also, the Prime, Keystone, and Etna Air-Tight, for wood or coal, at from 16 to 35 dollars.

AIR-TIGHT PARLOR STOVES.—A large assortment, of beautiful patterns. COAL STOVES.—For parlors, offices, and chambers. A large assortment of handsome styles, from \$3.50 up.

NINE-PLATE STOVE.—From 20 to 28 inches. A heavy 28 inch at \$8.50. To all who want stoves we would say come and examine our stock.

HARRIS, TURNER & HALE'S Compound Syrup of Spigelia or Vegetable Vermifuge.

The most effectual, the safest, pleasantest and most convenient Worm Medicine ever offered to the public.

THE SPEGELIA, says a work of highest authority, stands at the head of the list of Antelmintics or Worm Medicines. It is adapted to a wide range of cases, and to a greater number of constitutions and states of the constitution, than any other. But prepared as it commonly is, in the form of tea, it can seldom be given to children in sufficient doses.

In Harris, Turner & Hale's Compound Syrup, it is so concentrated that the dose is very small, so convenient to be taken, not only with ease, but with positive pleasure.

The precise composition of this syrup and the mode of preparing it, are the result of a series of experiments continued many years.

It is the result of long and patient observation, and is the result of the test of experience in the hands of eminent physicians, in Philadelphia and elsewhere, who have recommended it in the highest terms, and still employ it in their practice.

In addition to this evidence of its merits, we offer the following, selected from a number of testimonials, which are published in our prospectus.

1st. A distinguished physician of Virginia, of much experience, writes of it thus: "I should have written before this, but felt disposed first to try the efficacy of your Vermifuge. I have used more than half the quantity recommended, and have found it to be a most agreeable and safe purgative, and it is a great advantage over any other Vermifuge I have ever used. Independent of the smallness of the dose, and the pleasantness of the syrup (great advantages in dosing children) the advantage of administering it under a variety of circumstances, and the safety of the system in which it may be administered, yours, &c."

2d. A respectable physician of Lebanon county, in this State, writes— "I have seen in the habit of prescribing your Compound Syrup of Spigelia for some time past, and have found it an excellent worm medicine, particularly for children.— Please forward per bearer 2 doz. bottles.—Yours, &c."

3d. An intelligent merchant of Virginia to whom we had previously sold the syrup, writes: "Since my return home, I had 1000 your Syrup of Spigelia for the cure of worms in children, and have found it a most effectual and safe medicine. We had sold what we had on hand, and it gave such satisfaction that it is now called for every day. You will please put up 5 or 6 dozen in a small package, and send to the care of W. Anderson & Co., Richmond, as soon as possible, and forward the bill per bearer to the same address. I am, Sir, your obedient servant, J. H. HARRIS, a late visit to Philadelphia, stated, that some time since he had been applied to, by a customer for a visit of your Vermifuge for his son. Not having the article asked for, he advised a trial of Harris, Turner & Hale's Compound Syrup of Spigelia, and gave him a portion of it. A day or two after this gentleman returning to the store, expressed his surprise and delight at the effect of the syrup, declaring it had expelled 200 worms and entirely relieved his son. The merchant also expressed his great regret that he had not had on hand a bottle of the syrup at the time when his own little daughter died, as he confidently believes he would have saved her life.

4th—A gentleman of Hudson N. Y., having sent a bottle of Harris, Turner & Hale's Compound Syrup of Spigelia to a young child who had a great deal of worms, and who was very ill, and who had been treated by the best physicians, writes, that his friend was immediately relieved; the worms of the patient were: "It took every worm out my body."

Martin & Whiteley's NATIONAL TONIC, A certain Cure for Ague, Fever, and Dyspepsia.

IN our summer and fall months many sections of our country are prostrated by BILIOUS FEVER and AGUE and DYSPESIA.—It has been our particular study to find out some remedy to stop this dreadful scourge, and this, in the Tonic we have prepared, we have succeeded in doing. It is also the best remedy for Dyspepsia, and from directions are followed, will not fail to effect a cure.

In a letter dated, May 23, 1849, our Agent, Mr. Elms Bank, of Wrightsville, York County, Pa., writes: "I have known you remedy for Ague and Dyspepsia ever since your invaluable National Tonic. It has given universal satisfaction, and has cured cases of Ague of years standing, and after the failure of all other medicines made use of. Mr. H. H. Brown, of the same place, writes: "I have been afflicted with Ague and Dyspepsia for many years, and have tried nearly all the remedies within my reach without success, we at last purchased some of your National Tonic, which has completely cured me. We, therefore, cheerfully recommend it to the notice of all persons afflicted with that terrible disease as the best remedy yet discovered."

CLICKENER'S SUGAR-COATED VEGETABLE PILLS.

The Grand Purgative for the cure of Headache, Giddiness, Nausea, Salt Rheum, Rheumatism, Piles, Hoarseness, Worms, Cholera Morbus, Small Pox, Jaundice, Colic, Quinsy, Pains in the Back, Whooping Cough, Liver Complaint, Prolapsus of the Heart, Liver Complaint, Rising in the Throat, Dropsy, Asthma, Erysipelas, Deafness, Itching of the Skin, Fevers of all kinds, Colds, Gout, Gravel, Female Complaints, Nervous Complaints, and a variety of other diseases arising from impurities of the blood, and obstructions in the organs of digestion.

The aversion to taking medicine has been effectually removed by CLICKENER'S VEGETABLE PURGATIVE PILLS, being completely unobnoxious, and entirely free from that particular organ, and by cleansing it of any excess of the blood, while a third will effectually expel what ever impurities may have been discharged into the stomach, and hence they strike at the root of disease, thus curing a few of healthy action to the heart, lungs, and Liver, and thereby they restore health even when all other means have failed.

The entire truth of the above can be ascertained by the trial of a single box; and their virtues are so positive and certain in restoring health to those in all cases where they do not give universal satisfaction.

Retail price 25 cents per box. *Principal Office, No. 66 Vesey Street, New York.

Remember Dr. C. V. Clickener is the inventor of Sugar-Coated Pills, and that nothing of the sort was ever heard of until he introduced them in New York, 1843. Purchasers should, therefore, always ask for Clickener's Sugar-Coated Vegetable Pills, and take no others, or they will be made victims of fraud.

The sufferings which children frequently undergo from Worms often tend to offensive termination, while the CAUSE is never suspected. Offensive breath, picking at the nose, grinding the teeth during sleep, starting up in sleep with fright and screaming, troublesome coughs, and feverishness, are among some of the PROMINENT SYMPTOMS of the presence of worms. A timely use of SHERMAN'S WORM LOZENGES, will immediately remove all these unpleasant symptoms, and restore to perfect health.

Consumption, influenza, coughs, colds, whooping cough, tightness of the lungs or chest may be cured by a proper use of Sherman's COUGH LOZENGES.

Headache, palpitation of the heart, looseness of spirit, weakness, dizziness, faintness, choice, spasms, cramps of the stomach, summer or bowel complaints, are quickly and entirely relieved by using Sherman's CAMPHOR LOZENGES.

Rheumatism, weak back, pain and weakness of the breast, back, limbs, and other parts of the body are speedily and effectually relieved by Sherman's Poor Man's Plaster, which costs only 12 cents, is within the reach of all. It has his name and directions printed on the back of the Plaster, and is the Doctor's written name, and is not to be sold under the direction. None other are genuine or to be relied on. DR. MARTIN'S Compound Syrup of WILD CHERRY.

Is the best medicine yet for Coughs, Colds, Consumption, Asthma, Spitting of Blood, &c. Read the following: November 12th, 1848.

Dear Sir—I take great pleasure in saying to you that Mrs. Ross has been entirely relieved of her cough by the use of your Syrup of Wild Cherry. It had continued for fifty eight months. She had used several preparations of the Wild Cherry now in popular use, but not with the slightest benefit, until she took yours. She only took six bottles, and I am pleased to say she is now in good health. Every one who saw Mrs. Ross thought her in a deep delirium.

LEWIS P. ROSS, or O. K. Cambridge, Pa. In Cherynagon's sore Throat it is truly a "Sovereign Balm," as the Old Fellow, Washington county, Maryland, of June 6th, 1848, says. Price 75 cents a Bottle. GREEN'S CELEBRATED VERMIFUGE.

THE Proprietor of this valuable Remedy for Worms, introduces to his friends and the public, his Celebrated Vermifuge. Read the following: DECATUR TOWNSHIP, Milfin county, } September 11th, 1849.

DR. S. F. GREEN:—Two of our children having been severely affected this summer with Fever and Ague, and having checked it four different times by the use of the regular medicine, still they complained of pains in the legs, bowels, head, and in fact in the whole system; vomica, anorexia, fever, great diarrhea, &c., and after having used all the remedies thought suitable for the above symptoms, I concluded that they both had Worms, and accordingly gave each of them (the one nine years of age and the other 7) two tea-spoonfuls apiece of your valuable Vermifuge, and in three hours from the time of their taking the above small doses, the youngest passed five of the largest worms I have ever seen. The oldest boy passed a solid ball of worms (it was as big as a walnut, but it is) as large as a walnut, and both have been getting well fast since.

You may make the above public if you think proper for the benefit of others, and for the purpose of introducing your valuable Vermifuge in Decatur township.

Yours, &c., D. B. FISHER. The above valuable Vermifuge is prepared and sold by Dr. S. F. GREEN, at the Lewistown Medical Depot, No. 11, September 29, 1849.
