FOR SALE.
The Lewistown Hotel.
THE owner of this well and favorably known Hotel offers it at Private Sale. It is situated in Lewistown, Pa., N. W. corner of Main and Market streets. The main building is 65 feet by 45, three stories with a basement, with a kitchen and range of rooms extending back. There is attached to it an Ice House, Smoke House, Carriage House, and large Stables; in short, no expense has been spared to fit it for an extensive business.
We hazard nothing in saying that its location, for a permanent business, is as desirable as any stand in the central part of the State. Lewistown has been and still must be a point of departure for the Northern and North-western travel on the Pennsylvania Canal and Pennsylvania Railroad. Since the opening of the latter this transient travel has greatly increased; this added to the fact that this house always has enjoyed a large share of permanent custom makes it at once a safe and desirable investment.
TERMS will be made to suit purchasers. Apply to GEORGE W. ELDER, Esq., Lewistown, Pa., or to the undersigned.

LEWISTOWN MILLS.
THE subscriber has taken the Lewistown Mills, and wishes to buy a large quantity of
All Kinds of Grain,
for which he will pay the CASH, in *par* funds, as high as the market will afford, according to its quality. Any person having good Wheat will do well to call and show a sample of it, as he thinks he can afford to give more than any other person in the place, the mill being situated on the creek, where flour can be loaded out of the mill into boats, and all expense of hauling, storing, and shipping saved; besides, the flour is in better order, as the barrels are not injured by hauling and handling. If wheat brings a better price than it will afford to grind, he has the same chance of shipping it as any other, as the mill is the most convenient storehouse in the place, and saves a great deal of time and labor in hoisting by water power. OR, HE WILL RECEIVE ON STORAGE, and forward to Philadelphia or Baltimore, and give the following receipt:
"Received, Lewistown Mills, of A. B., Wheat, to be kept in store till the first of August, unless disposed of sooner."
When the receipt is given, the quality of the wheat will be mentioned in it, so as to prevent any trouble when the owner comes to sell. Any person storing, having four hundred bushels and upwards, and desires it, it will be kept in a garner by itself. Any person taking a receipt, and not selling before, or giving notice to keep it, till after the first of August, it will be carried out to their credit at the market price on that day. If shipped, or sold to any person that does not get it ground in the mill, two cents per bushel storage will be charged. If they give notice, and keep it over after the first of August, the storage will be ONE-HALF cent per month, afterwards. The grain will be clear from high water.
The subscriber will keep
Plaster, Fish, Salt and Groceries of all kinds, which will be sold low for cash to Farmers, by the quantity.
FLOUR, MIDDINGS, and all kinds of Grain and Feed, will be constantly kept on hand, and sold low for cash.

PURE FRESH COD LIVER OIL.
THIS new and valuable medicine, now used by the medical profession with such astonishing efficacy in the cure of
Pulmonary Consumption, Scrofula, Chronic Rheumatism, Gout, General Debility, Complaints of the Kidneys, &c., &c.,
is prepared from the liver of the Cod Fish for medical use, expressly for our sales.
(Extract from the London Medical Journal.)
"C. J. B. Williams, M. D., F. R. S., Professor of Medicine in University College, London, Consulting Physician to the Hospital for Consumption, &c., says: I have prescribed the Oil in above four hundred cases of tubercular disease of the Lungs, in different stages, which have been under my care the last two years and a half. In the large number of cases, 266 out of 274, its use was followed by marked and unequivocal improvement, varying in degree in different cases, from a temporary retardation of the progress of the disease and a mitigation of distressing symptoms, up to a more or less complete restoration to apparent health."
"The effect of the Cod Liver Oil in most of these cases was very remarkable. Even in a few days the cough was mitigated, the expectoration diminished in quantity and opacity, the night sweats ceased, the pulse became slower, and of better volume, and the appetite, flesh and strength were gradually improved."
"In conclusion, I repeat that the pure fresh oil from the Liver of the Cod is more beneficial in the treatment of Pulmonary Consumption than any agent, medicinal, dietetic or regimenal, that has yet been employed."
As we have made arrangements to procure the Cod Liver Oil, fresh from head quarters, it can now be had chemically pure, in the single bottle, or in boxes of one dozen each. Its wonderful efficacy has induced numerous spurious imitations. As its success depends entirely on its purity, too much care cannot be used in procuring it genuine. Every bottle having our written signature may be depended upon as genuine.
Pamphlets containing an analysis of the Oil, with notices from the Medical Journals, will be sent to those who address us free of postage.

LIFE INSURANCE.
The Girard Life Insurance Annuity and Trust Company of Philadelphia, Office No. 159 Chesnut Street. Capital \$300,000. Charter Perpetual.

CONTINUE to receive insurances on Lives on the most favorable terms; to make and execute Trusts, and receive Deposits on Interest.
The Capital being paid up and invested, together with accumulated premium fund, affords a perfect security to the insured. The premium may be paid in yearly, half yearly, or quarterly payments.
The Company add a BONUS at stated periods to the insurances for life. This plan of insurance is the most approved, and is more generally in use than any other in Great Britain, (where the subject is best understood by the people, and where they have had the longest experience,) as appears from the fact that out of 17 Life Insurance Companies there, of all kinds, 57 are on this plan.
The first BONUS was appropriated in December, 1844, amounting to 10 per cent. on the sum insured under the oldest policies; to 25 per cent. on the sum insured on others, in proportion to the time of standing, making an addition of \$100; \$87 50; \$75, &c., &c., to every \$1000, originally insured, which is an average of more than 20 per cent. on the premiums paid, and without increasing the annual payment to the company.
The operation of the Bonus will be seen by the following examples from the Life Insurance Register of the Company, thus:

Policy.	Sum Insured.	Bonus or Addition.	Amount of Policy and Bonus payable at the party's decease.
No. 58	\$1,000	\$100 00	\$1,100 00
" 86	2,500	250 00	2,750 00
" 292	4,000	400 00	4,400 00
" 276	2,400	175 00	2,575 00
