TRIUMPHANT SUCCESS!!

UNABATED ATTRACTION!

JONES' NEW CHEAP CASH STORE continues to be the great resort of all people in want of good and cheap goods of every description. Goods are sold at this store at least *TWENTY PER CENT.* lower than any other store in Lewistown; the purchases being made in Philadelphia and New York for cash of the importers and manufacturers, enables the subscriber to get goods lower than all other merchants, as he buys in quantities sufficient to make at least ten per cent.; and again, the amount of his business being much larger than any other store, and nearly equal to the business of all the others combined, enables him to sell at a very small profit, and he does assure the people of Lewistown and of the surrounding country that he will continue this system of business, and respectfully invites the attention of the public to his

Tremendous Assortment of Goods,

arranged in his commodious show rooms. The stock of goods is the largest, and the assortment the most extensive by far, of any other establishment between Philadelphia and Pittsburg, and comprises every article wanted. Many kinds of goods are kept in this store not to be found in other places, and will positively be sold at Philadelphia prices.

Please remember that it is a custom amongst storekeepers generally, to put down the prices of leading articles, such as Sugars, Muslins, &c., for the purpose of giving the public the impression that they are selling goods very cheap. This is one of the tricks of trade, and is not practiced at this establishment. All articles will be offered at the same rate of profit. Broad Cloths will be sold at very small advance as well as fip Sugar. Enough said, call and see for yourselves, and be convinced of the above facts.

GRAND EXHIBITION

OF

Of New, Superb and Cheap Goods!

ADMITTANCE—FREE!

Buy cheap, while sluggards sleep,
And you will have goods to wear and keep.

AS everybody seems to be engaged this year in blowing his own trumpet as to what he or they can do in the Dry Goods and Grocery line, we have had half a mind to try our hands at the business, but several

CAR AND BOAT LOADS,

comprising all the latest styles of rich and costly goods, having just arrived, we concluded to hold on to the usual mode of advertising. We therefore beg leave to announce to our customers in Mifflin, Union, Centre, Huntingdon and Juniata counties, that besides receiving

OUR WEEKLY PACKAGES,

we have just returned (for the fourth or fifth time this year) from the city with about as complete and elegant an assortment of

LADIES' DRESS GOODS

as was ever seen in this or any other country town, embracing every description and style of all that is

New, Neat, and Fashionable,

at prices varying from a few cents to dollars per yard. In other kinds of goods we can show in quality and price, whatever others can produce, and a considerable sprinkling that cannot be found elsewhere—especially in

CLOTHS, CASSIMERES, SATINETTS,

and, we will venture to add, in *FALL* and *WINTER GOODS GENERALLY.* Of

Bonnets, Carpeting, Ready-made Clothing, Boots, Shoes, Hosiery, Gloves, Ribbons,

and numberless other small matters, the inquiry need but be made to satisfy any one that they have all been selected with care, purchased at a low price, and as a necessary consequence are offered for sale cheap. Our

Groceries, Fish, Salt, &c.,

are also very low, and offer strong inducements to persons in town and country to call and purchase.

Since opening our establishment here we think we have fully demonstrated that, as a general thing, *we sell as low as the very lowest,* IF NOT A LITTLE LOWER. We do not profess to sell one, nor two, nor three articles at a very low price, but we do profess to sell EVERYTHING *in either the Dry Goods or Grocery line* so cheap that we are confident that our friends everywhere will be the gainers by giving us a call and making their purchases.

For past favors we are duly thankful, and shall be pleased to wait on all old customers and any number of new ones who may be attracted to our establishment by the reputation it has acquired as being the cheapest store in Lewistown.

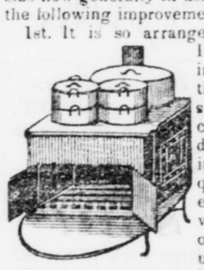
STOVES! STOVES!!

Improved Hathaway.

THIS great improvement, just got up, we are satisfied stands *unequalled,* for general use, and simplicity of arrangement, by any Cooking Stove yet offered to the public. To be satisfied of this, we think it needs but to be seen. It is a regular Hathaway, of the size now generally in use in this country, with the following improvements, viz:



1st. It is so arranged that a stout Sheet Iron Oven can be put in at the top, back of the fire, [the flame passing under it,] sufficiently large to do ordinary roasting or cooking, and is heated as quick as the fire is cleverly burning; thus avoiding the necessity of heating up the regular oven for ordinary purposes, which oven when heated, requires as much fire to do a small roast as would do a large amount of cooking. Further, the small oven being loose, can be put in or taken out at pleasure with very little trouble. When much cooking is required, it can be kept out, and the stove is then the same as a regular Hathaway.

2d. The Griddles are improved, so that the top is smoother, the wire handles being dispensed, with and a loose handle used to lift them off.

3d. The damper is much more convenient, by being placed in the side instead of the back.

4th. The bottom flue is the Laubach, so arranged that the draft is the same as the Hathaway.

N. B. We warrant this stove in every particular.

We have also on hand a large assortment of other valuable *Cooking Stoves,* consisting of the *Star,* two sizes, at $20 to $22; *Complete Cook,* at $13; and *Laubach,* two sizes. Also, the *Prime, Keystone,* and *Etna Air-Tight,* for wood or coal, at from 16 to 35 dollars.

AIR-TIGHT PARLOR STOVES.—A large assortmment, of beautiful patterns.

COAL STOVES.—For parlors, offices, and chambers. A large assortment of handsome styles, from $3.50 up.

NINE-PLATE STOVE.—From 20 to 28 inches. A heavy 28 inch at $8.50.

To all who want stoves we would say *come and examine our stock.*

CLICKENER'S

SUGAR-COATED VEGETABLE PILLS.

The Grand Purgative for the cure of

Headache, Giddiness,	Measels, Salt Rheum,
Rheumatism, Piles,	Heartburn, Worms,
Dyspepsia, Scurvy,	Cholera Morbus,
Small Pox, Jaundice,	Coughs, Quinsey,
Pains in the Back,	Whooping Cough,
Inward weakness,	Consumption, Fits,
Palpitation of the Heart,	Liver Complaint,
Rising in the Throat,	Erysipelas, Deafness,
Dropsy, Asthma,	Itching of the Skin,
Fevers of all kinds,	Colds, Gout, Gravel,
Female Complaints,	Nervous Complaints,

and a variety of other diseases arising from impurities of the blood, and obstructions in the organs of digestion.

The aversion to taking medicine is effectually removed by CLICKENER'S VEGETABLE PURGATIVE PILLS, being completely enveloped with a coating of pure white sugar (which is as distinct from the internal ingredients as a nut shell from the kernel) *and have no taste of medicine* but as easily swallowed as bits of candy. Moreover they NEITHER NAUSEATE OR GRIPE, but operate equally upon all the diseased parts of the system. Thus, if the liver be affected, one ingredient will operate on that particular organ, and, by cleansing it of any excess of bile restore it to its natural state. Another will operate on the blood, while a third will effectually expel whatever impurities may have been discharged into the stomach, and hence they *strike at the root of disease,* thus securing a free and healthy action to the heart, lungs, and Liver; and thereby they restore health even when all other means have failed.

The entire truth of the above can be ascertained by the trial of a single box; and their virtues are so positive and certain in restoring health that the proprietor binds himself to return the money paid for them in all cases where they do not give universal satisfaction.

Retail price 25 cents per box.

☞Remember Dr. C. V. Clickener is the inventor of Sugar Coated Pills, and that nothing of the sort was ever heard of until he introduced them in June, 1843. NATIONAL TONIC,

A certain Cure for Ague, Fever, and Dyspepsia.

IN our summer and fall months many sections of our country are prostrated by BILLIOUS FEVER and AGUE and FEVER.—It has been our particular study to find out some remedy to stop this dreadful scourge, and think, in this TONIC we have effected this great object. It is also we think the very best remedy in Dyspepsia, and if our directions are followed, will not fail to effect a cure.

In a letter dated, May 23d, 1849, our Agent, Mr. Elias Raub, of Wrightsville, York county, Pa., says:—I have never known any remedy for *Fever and Ague* equal to your invaluable National Tonic. It has given universal satisfaction, and has cured cases of Ague of years standing, and after the failure of all other medicines made use of. Mr. Henry Beverson, of the same place, says in his certificate, dated 22d March, 1849, 'I applied to a number of Physicians, and also used a variety of the most popular Ague Mixtures at different times, but all without the desired effect; no permanent cure having been afforded. I was at length induced, at the recommendation of your worthy Agent at this place, to try a bottle of your National Tonic, and to my great satisfaction, before I had used half of it, I felt completely cured, though I continued the use of it till I had taken two bottles.' In a joint certificate from Messrs. Miles Hoke, William Blackson, and James D. Brown, of the same place, they say—'Having tried nearly all the remedies within our reach without success, we at last purchased some of your *National Tonic,* which has completely cured us. We, therefore, cheerfully recommend it to the notice of all persons afflicted with that terrible disease as the best remedy yet discovered.'

HARRIS, TURNER & HALE'S

Compound Syrup of Spigelia or Vegetable Vermifuge,

The most effectual, the safest, pleasantest and most convenient Worm Medicine ever offered to the public.

THE SPIGELIA, says a work of highest authority, *stands at the head of the list of Anthelmintics or Worm Medicines.* It is adapted to a wider range of cases, and to a greater variety of constitutions and states of the constitution, than any other. But prepared as it commonly is, in the form of tea, it can seldom be given to children in sufficient doses. In Harris, Turner & Hale's Compound Syrup, it is so concentrated that the dose is very small, so combined as to ensure a purgative operation, and so palatable as to be taken, not only with ease, but with positive pleasure.

The precise composition of this syrup and the mode of preparing it, are the result of a series of experiments continued for years. Before offering it for sale, it was subjected to the test of experience in the hands of eminent physicians, in Philadelphia and elsewhere, who have recommended it in the highest terms, and still employ it in their practice. In addition to this evidence of its merits, we offer the following, selected from a number of unsolicited testimonials.

1st. A distinguished physician of Virginia, of much experience, writes of it thus:

"I should have written before this, but felt disposed first to try the efficacy of your Vermifuge. I have used more than half the quantity received, and the experiment has been most successful. *I really believe that it possesses advantages over any other Vermifuge I have ever used.* Independent of the smallness of the dose, and the pleasantness of the syrup (great advantages in dosing children) the advantage of administering it under a variety of circumstances, enhances its value; indeed there is scarcely a condition of the system in which it may not be administered. Yours, &c."

2d. A respectable physician of Lebanon county, in this state, writes—

"I have been in the habit of prescribing your Compound Syrup of Spigelia for some time past, and have found it an excellent worm medicine, particularly for children.—Please forward per bearer 2 doz. bottles.—Yours, &c."

3d.—An intelligent merchant of Virginia to whom we had previously sold the syrup, writes:

"Since my return home, I find that your Syrup of Spigelia has come into general use in this neighborhood. We have sold what we had on hand, and it gave such satisfaction that it is now called for evey day. You will please put us up 5 or 6 dozen in a small package, and send to the care of W. Anderson & Co., Richmond, as soon as possible, and forward the bill per mail.—Yours, &c."

4th.—A respectable merchant of Ohio, on a late visit to Philadelphia, stated, that some time since he had been applied to by a customer for a vial of ——— ———'s Vermifuge for his son. Not having the article asked for, he advised a trial of Harris, Turner & Hale's Compound Syrup of Spigelia and gave him *a part of a bottle* which was all that remained in the store. A day or two after this the gentleman returning to the store, expressed his surprise and delight at the effect of the Syrup, declaring it had expelled 200 worms and entirely relieved his son. The merchant added an expression of his great regret that he had not had on hands a bottle of the syrup at the time when his own little daughter died, as he confidently believed it would have saved her life.

5th—A gentleman of Hudson, N. Y., having sent a bottle of Harris, Turner & Hale's Compound Syrup of Spigelia, to a young friend who had tried in vain a great number of worm medicines, writes, that his friend was immediately relieved; the words of the patient were: "It took every worm out my body."

GREEN'S

CELEBRATED VERMIFUGE.

THE Proprietor of this valuable remedy for Worms, introduces to his friends and the public, his *Celebrated Vermifuge.* Read the following:

DECATUR TOWNSHIP, Mifflin county, September 11th, 1849.

DR. S. F. GREEN:

Respected Friend—Two of our children having been severely afflicted this summer with Fever and Ague, and having checked it four different times by the use of the regular remedies, still they complained of pains in the legs, bowels, head, and in fact in the whole system; voracious appetite, fever, great diarrhœa, &c, and after having used all the remedies thought suitable for the above symptoms, I concluded that they both had Worms, and accordingly gave each of them (the one nine years of age and the other 7) two tea-spoonfuls apiece of your valuable Vermifuge, and in three hours from the time of their taking the above small doses, the youngest passed FIVE of the *largest worms* I have ever seen. The oldest boy passed *a solid ball of worms* (it may appear incredible, but it is truth) as large as a walnut, and both have been getting well fast since.

You may make the above public if you think proper for the benefit of others, and for the purpose of introducing your valuable Vermifuge in Decatur township.

Yours, &c., D. B. FISHER.

CAUTION EXTRA

A man by the name of *CLAPP* has engaged with a young man of the name of S. P. Townsend, and uses his name to put up a Sarsaparilla, which they call Dr. Townsend's Sarsaparilla, denominating it *GENUINE,* Original, etc. This Townsend is no doctor, and never was; but was formerly a worker on railroads, canals, and the like. Yet he assumes the title of Dr., for the purpose of gaining credit for what he is not. This is to caution the public not to be deceived, and purchase none but the *GENUINE ORIGINAL OLD* Dr. Jacob Townsend's Sarsaparilla, having on it the Old Dr's. likeness, his family coat of arms, and his signature across the coat of arms.

Principal Office, 102 Nassau-st., New York City

OLD DR. JACOB TOWNSEND,

THE ORIGINAL DISCOVERER OF THE

Genuine Townsend Sarsaparilla.

Old Dr. Townsend is now about 70 years of age, and has long been known as the *AUTHOR* and *DISCOVERER* of the *GENUINE ORIGINAL "TOWNSEND'S SARSAPARILLA."* Being poor, he was compelled to limit its manufacture, by which means it has been kept out of market, and the sales circumscribed to those only who had proved its worth, and known its value. It had reached the ears of many, nevertheless, as those persons who had been healed of sore diseases, and saved from death, proclaimed its excellence and wonderful

HEALING POWER.

Knowing, *many years ago,* that he had, by his skill, science and experience, devised an article which would be of incalculable advantage to mankind when the *means* would be furnished to bring it into universal notice, when its inestimable virtues would be known and appreciated. This time has come, the means are supplied; this *GRAND AND UNEQUALLED PREPARATION* is manufactured on the largest scale, and is called for throughout the length and breadth of the land, especially as it is found incapable of degeneration or deterioration.

Unlike young S. P. Townsend's, it improves with age, and never changes, but for the better: because it is prepared on *scientific principles* by a *scientific man.* The highest knowledge of Chemistry, and the latest discoveries of the art, have all been brought into requisition in the manufacture of the Old Dr's Sarsaparilla. The Sarsaparilla root, it is well known to medical men, contains many medicinal properties, and some properties which are inert or useless, and others, which if retained in preparing it for use, produce *fermentation* and *acid,* which is injurious to the system. Some of the properties of Sarsaparilla are so *volatile,* that they entirely evaporate and are lost in the preparation, if they are not preserved by a *scientific process,* known only to those experienced in its manufacture. Moreover, these *volatile principles,* which fly off in vapor, or as an exhalation, under heat, are the very *essential medical properties* of the root, which give to it all its value.

SOURING, FERMENTING, ACID "COMPOUND" OF S. P. TOWNSEND,

and yet he would fain have it understood that Old Dr. Jacob Townsend's *Genuine Original Sarsaparilla,* is an IMITATION of his inferior preparation!!

Heaven forbid that we should deal in an article which would bear the most distant resemblance to S. P. Townsend's *article!* and which should bring down upon the Old Dr. such a mountain load of complaints and criminations from Agents who have sold, and purchasers who have used S. P. Townsend's FERMENTING COMPOUND.

We wish it understood, because it is the *absolute truth,* that S. P. Townsend's article and Old Dr. Jacob Townsend's Sarsaparilla are *heaven-wide apart, and infinitely dissimilar;* that they are unlike in every particular, having not one single thing in common.

As S. P. Townsend is no doctor, and never was, is no chemist, no pharmaceutist—knows no more of medicine or disease than any other common, unscientific, unprofessional man, what *guarantee* can the public have that they are receiving a genuine scientific medicine, containing all the virtues of the articles used in preparing it, and which are incapable of changes which might render them the AGENTS of Disease instead of health.

But what else should be expected from one who knows nothing comparatively of medicine or disease! It requires a person of some experience to cook and serve up even a common decent meal. How much more important is it that the persons who manufacture medicine, designed for

WEAK STOMACHS AND ENFEEBLED SYSTEMS,

should know well the medical properties of plants, the best manner of securing and concentrating their healing virtues, also an extensive knowledge of the various diseases which affect the human system, and how to adapt remedies to these diseases;

It is to arrest frauds upon the unfortunate, to pour balm into wounded humanity, to kindle hope in the despairing bosom, to restore health and bloom, and vigor into the crushed and broken, and to banish infirmity that OLD DR. JACOB TOWNSEND has SOUGHT and FOUND the opportunity and means to bring his

Grand Universal Concentrated Remedy

within the reach, and to the knowledge of all who need it, that they may learn and know, by joyful experience, its

Transcendent Power to Heal.

Any person can boil or stew the root till they get a dark-colored liquid, which is more from the coloring matter in the root than from any thing else; they can then strain this insipid or vapid liquid, sweeten with sour molasses, and then call it "SARSAPARILLA EXTRACT or SYRUP." But such is not the article known as the

GENUINE OLD DR. JACOB TOWNSEND'S SARSAPARILLA.

This is so prepared, that all the inert properties of the Sarsaparilla root are first removed, every thing capable of becoming acid or of fermentation, is extracted and rejected; then every particle of medical virtue is secured in a pure and concentrated form; and thus it is rendered incapable of losing any of its valuable and healing properties. Prepared in this way, it is made the most powerful agent in the

Cure of innumerable diseases.

Hence the reason why we hear commendations on every side in its favor by men, women, and children. We find it doing wonders in the cure of *CONSUMPTION, DYSPEPSIA,* and *LIVER COMPLAINT,* and in *RHEUMATISM, SCROFULA, PILES, COSTIVENESS,* all *CUTANEOUS ERUPTIONS, PIMPLES, BLOCTHES,* and all affections arising from

IMPURITY OF THE BLOOD.

It possesses a marvellous efficacy in all complaints arising from *Indigestion,* from *Acidity of the Stomach,* from unequal circulation, determination of blood to the head, palpitation of the heart, cold feet and hands, cold chills and hot flashes over the body. It has not its equal in *Colds* and *Coughs;* and promotes easy expectoration and gentle perspiration, relaxing stricture of the lungs, throat, and every other part.

But in nothing is its excellence more manifestly seen and acknowledged than in all kinds and stages of

FEMALE COMPLAINTS.

It works wonders in cases of *Fluor Albus* or *Whites, Falling of the Womb, Obstructed, Suppressed,* or *Painful Menses, Irregularity* of the menstrual periods, and the like; and is as effectual in curing all the forms of *Kidney Diseases.*

By removing obstructions, and regulating the general system, it gives tone and strength to the whole body, and thus cures all forms of

Nervous diseases and debility,

and thus prevents or relieves a great variety of other maladies, as *Spinal irritation, Neuralgia, St. Vitus' Dance Spooning, Epileptic Fits, Convulsions,* &c.

It cleanses the blood, excites the liver to healthy action, tones the stomach, and gives good digestion, relieves the bowels of torpor and constipation, allays inflammation, purifies the skin, equalises the circulation of the blood, producing gentle warmth equally all over the body, and the insensible perspiration; relaxes all strictures and tightness, removes all obstructions, and invigorates the entire nervous system. Is not this then

The medicine you pre-eminently need!

But can any of these things be said of S. P. Townsend's inferior article? This young man's liquid is not to be

COMPARED WITH THE OLD DR'S,

because of one GRAND FACT, that the one is INCAPABLE of DETERIORATION, and

NEVER SPOILS,

while the other DOES; *souring, fermenting,* and *blowing the bottles* containing it into fragments; the sour, acid liquid exploding and damaging other goods! Must not this horrible compound be poisonous to the system?—*What! Put acid into a system already diseased with acid!* What causes Dyspepsia but acid? Do we not all know that when food sours in our stomachs, what mischiefs it produces? flatulence, heartburn, palpitation of the heart, fiver complaint, diarrhœa, dysentery, colic, and corruption of the blood? What is Scrofula but an acid humor in the body? What produces all the humors which bring on Eruptions of the Skin, Scald Head, Salt Rheum, Erysipelas, White Swellings, Fever Sores, and all ulcerations internal and external? It is nothing under heaven, but an acid substance, which sours, and thus spoils all the fluids of the body, more or less. What causes Rheumatism but a sour or acid fluid which insinuates itself between the joints and elsewhere, irritating and inflaming the delicate tissues upon which it acts? So of nervous diseases, of impurity of the blood, of deranged circulations, and nearly all the ailments which afflict human nature.

Now is it not horrible to make and sell, and *infinitely worse* to use this
