

# TRIUMPHANT SUCCESS!!

## UNABATED ATTRACTION!

**JONES' NEW CHEAP CASH STORE** continues to be the great resort of all people in want of good and cheap goods of every description. Goods are sold at this store at **TWENTY PER CENT** lower than any other store in Lewistown; the purchases being made in Philadelphia and New York for cash of the importers and manufacturers, enables the subscriber to get goods lower than all other businesses in quantities sufficient to make at least ten per cent; and again, the amount of his business being much larger than any other store, and nearly equal to the business of all others combined, enables him to sell at a very small profit, and he does assure the people of Lewistown and of the surrounding country that he will continue this system of business, and respectfully invites the attention of the public to his

### Tremendous Assortment of Goods,

arranged in his commodious show rooms. The stock of goods is the largest, and the assortment the most extensive by far, of any other establishment between Philadelphia and Pittsburgh, and comprises every article wanted. Many kinds of goods are kept in this store not to be found in other places, and will positively be sold at Philadelphia prices.

Please remember that it is a custom amongst storekeepers generally, to put down the price of leading articles, such as Sugars, Muslins, &c., for the purpose of giving the public the impression that they are selling goods very cheap. This is one of the tricks of trade, and is not practiced at this establishment. All articles will be offered at the same rate of profit. Broad Cloths will be sold at very small advance as well as fip Sugar. Enough said, call and see for yourselves, and be convinced of the above facts.

Lewistown, Oct. 27, 1849. **C. L. JONES.**

# GRAND EXHIBITION

Of New, Superb and Cheap Goods!  
**ADMITTANCE—FREE!**

Buy cheap, while sluggards sleep,  
And you will have goods to wear and keep.

AS everybody seems to be engaged this year in blowing his own trumpet as to what he or they can do in the Dry Goods and Grocery line, we have had half a mind to try our hands at the business, but several

### CAR AND BOAT LOADS,

comprising all the latest styles of rich and costly goods, having just arrived, we concluded to hold on to the usual mode of advertising. We therefore beg leave to announce to our customers in Millin, Union, Centre, Huntingdon and Juniata counties, that besides receiving

**OUR WEEKLY PACKAGES,** we have just returned (for the fourth or fifth time this year) from the city with about as complete and elegant an assortment of

### LADIES' DRESS GOODS

as was ever seen in this or any other country town, embracing every description and style of all that is

### New, neat, and Fashionable,

at prices varying from a few cents to dollars per yard. In other kinds of goods we can show in quality and price, whatever others can produce, and a considerable sprinkling that cannot be found elsewhere—especially in

### CLOTHS, CASSIMERES, SATINETTS,

and, we will venture to add, in **FALL AND WINTER GOODS GENERALLY.** Of **Bonnets, Carpeting, Ready-made Clothing, Boots, Shoes, Hosiery, Gloves, Ribbons,**

and numberless other small matters, the inquiry need not be made to satisfy any one that they have all been selected with care, purchased at a low price, and as a necessary consequence are offered for sale cheap. Our

### Groceries, Fish, Salt, &c.,

are also very low, and offer strong inducements to persons in town and country to call and purchase.

Since opening our establishment here we think we have fully demonstrated that, as a general thing, we sell as low as the very lowest. We do not profess to sell one, two, nor three articles at a very low price, but we do profess to sell EVERYTHING in either the Dry Goods or Grocery line so cheap that we are confident that our friends everywhere will be the gainers by giving us a call and making their purchases.

For past favors we are duly thankful, and shall be pleased to wait on all old customers and any number of new ones who may be attracted to our establishment by the reputation it has acquired as being the cheapest store in Lewistown.

Lewistown, October 20, 1849. **NUSBAUM, BROTHERS.**

### CENTRE NURSERY,

Boalsburg, Centre Co. Pa.

**GARDENERS** and orchardists who desire to plant only the very best kinds of hardy fruits, are respectfully informed that they can obtain trees here of all the most estimable varieties, including all those which have received the special sanction of the American Congress of Fruit Growers. (N. Y., Oct. 1848.)

The **TREES** offered this season are of beautiful appearance, extra size, (excepting a few new rare sorts) and from the elevated locality in which the Nursery is established, have all the essential advantages of hardiness and early maturity, for which trees grown at the north have been deservedly preferred.

The advantages possessed here are being improved to the utmost, with the view of making this Nursery, in merit, second to none in the State. Every tree is indelibly marked and warranted correct. They will be delivered in Lewistown or at intermediate places at the low catalogue prices, and warranted sound on delivery. If to be shipped, they will be well packed for the purpose at a moderate charge.

It is advised that orders be sent direct to the Nursery, in preference to purchasing ill-assorted trees, from often irresponsible dealers, at high prices. Such orders, if received in time, have the first attention.

Season for fall planting, October 20. A choice collection of the most admired ornamental plants, vines, evergreens, &c., has been added to the Nursery Catalogues, sent to all post paid applicants.

### HARRIS, TURNER & HALE'S Compound Syrup of Spigelia or Vegetable Vermifuge.

The most effectual, the safest, pleasantest and most convenient Worm Medicine ever offered to the public.

**THE SPIGELIA,** says a work of highest authority, stands at the head of the list of *Anthelmintics* or Worm Medicines. It is adapted to a wider range of cases, and to a greater variety of constitutions and states of the constitution, than any other. But prepared as it commonly is, in the form of tea, it can seldom be given to children in sufficient doses. In Harris, Turner & Hale's Compound Syrup, it is so concentrated that the dose is very small, so combined as to ensure a purgative operation, and so palatable as to be taken, not only with ease, but with positive pleasure.

The precise composition of this syrup and the mode of preparing it, are the result of a series of experiments continued for years. Before offering it for sale, it was subjected to the test of experience in the hands of eminent physicians, in Philadelphia and elsewhere, who have recommended it in the highest terms, and still employ it in their practice. In addition to this evidence of its merits, we offer the following, selected from a number of unsolicited testimonials.

"A distinguished physician of Virginia, of much experience, writes of it thus:—

"I should have written before this, but felt disposed first to try the efficacy of your Vermifuge. I have used more than half the quantity received, and the experiment has been most successful. I really believe that it possesses advantages over any other Vermifuge I have ever used. Independent of its smallness, and the pleasantness of the syrup (great advantages in dosing children) the advantage of administering it under a variety of circumstances, enhances its value; indeed there is scarcely a condition of the system, in which it may not be administered. Yours, &c."

"A respectable physician of Lebanon county, in this state, writes—

"I have been in the habit of prescribing your Compound Syrup of Spigelia for some time past, and have found it an excellent worm medicine, particularly for children.—Please forward per bearer 5 doz. bottles.—Yours, &c."

"An intelligent merchant of Virginia to whom we had previously sold the syrup, writes:—

"Since my return home, I find that your Syrup of Spigelia has come into general use in this neighborhood. We have sold what we had on hand, and it gave such satisfaction that it is now called for every day. You will please put up 5 or 6 dozen in a small package, and send to the care of W. Anderson & Co., Richmond, as soon as possible, and forward the bill per mail.—Yours, &c."

"A respectable merchant of Ohio, on a late visit to Philadelphia, stated, that some time since he had been applied to by a customer for a vial of your Vermifuge for his son. Not having the article asked for, he advised a trial of Harris, Turner & Hale's Compound Syrup of Spigelia, and gave him a part of a bottle, which was all that remained in the store. A day or two after this gentleman returning to the store, expressed his surprise and delight at the effect of the Syrup, declaring it had expelled 500 worms, and entirely relieved his son. The merchant added an expression of his great regret that he had not had on hand a bottle of the Syrup at the time when his own little daughter died, as he confidently believed it would have saved her life."

"An gentleman of Hudson, N. Y., having sent a bottle of Harris, Turner & Hale's Compound Syrup of Spigelia, to a young friend who had tried in vain a great number of worm medicines, writes, that his friend was immediately relieved; & the words of the patient were: "It took every worm out of me."

### AFFLICTED READ!! Philadelphia Medical House.

ESTABLISHED 15 years ago, by Dr. KINKELIN. The oldest, surest and best means of curing all forms of febrile diseases of the skin, and solitary habits of youth, is DR. KINKELIN, Northern corner of THIRD and UNION Streets, between Spruce and Pine, a square-and-a-half from the Exchange, Philadelphia.

There is a habit which boys teach each other at the Academy or College—a habit induced in each by himself, in solitude, growing up with the boy to manhood; few of those who indulge in this pernicious practice are aware of the consequences until they find the nervous system shattered, feel strange and unaccountable feelings, vague fears in the mind. The individual becomes feeble, he is unable to labor with accustomed vigor, or to apply his mind to study; his action is tardy and weak, he is dissipated.

Persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale and emaciated.

Do not lose modesty, young men! You are known to one who, from education and respectability, can alone benefit you. He who places himself under Dr. Kinkelin's treatment, may religiously confide in his honor as a gentleman, and whose bosom will be forever locked the secret of the patient.

Thousands have been restored to health, from the devastations of these terrific maladies by Dr. KINKELIN, German Physician.

PACKAGES OF MEDICINES, ADVICES, &c. forwarded by sending a remittance, and put up secure from damage or curiosity.

55-POST-PAYD LETTERS answered forthwith. Philadelphia, January 27, 1849—1y.

### DR. MARTIN'S Compound Syrup of WILD CHERRY,

Is the best Medicine yet for Coughs, Colds, Consumption, Asthma, Spitting of Blood, &c. Read the following:

November 13th, 1848. Dear Sir—I take great pleasure in saying to you that Mrs. Ross has been entirely relieved of her cough by the use of your Syrup of Wild Cherry. It had continued for fully eighteen months. She had used several preparations of the Wild Cherry now in popular use, but not with the slightest benefit, until she took yours. She only took six bottles, and I am pleased to say she is now in good health. Every one who saw Mrs. Ross thought her in a deep decline. LEWIS F. ROSS, No. 207 S. Charles Street, Baltimore, Md. O. K. Cambridge Packet.

### GREEN'S CELEBRATED VERMIFUGE.

THE Proprietor of this valuable remedy for Worms, introduces to his friends and the public, his **Celebrated Vermifuge.** Read the following:

DECATUR TOWNSHIP, Millin county, } September 11th, 1849. } DR. S. F. GREEN:

Respected Friend—Two of our children having been severely afflicted this summer with Fever and Ague, and having checked it four different times by the use of the regular medicine, still they complained of pains in the legs, bowels, head, and in fact in the whole system; voracious appetite, fever, great diarrhoea, &c., and after having used all the remedies thought suitable for the above symptoms, I concluded that they both had Worms, and accordingly gave each of them (the one nine years of age, and the other 7) two tea-spoonfuls of your valuable Vermifuge, and in three hours from the time of their taking the above small doses, the youngest passed FIVE of the largest worms I have ever seen. The oldest boy passed a solid ball of worms (it may appear incredible, but it is true) as large as a walnut, and both have been getting well fast since.

You may make the above public if you think proper for the benefit of others, and for the purpose of introducing your valuable Vermifuge in Decatur township. Yours, &c., D. B. FISHER.

The above valuable Vermifuge is prepared and sold by Dr. S. F. GREEN, at the Lewistown Medical Depot, No. 11. September 29, 1849.

### Martin & Whiteley's NATIONAL TONIC,

A certain Cure for Ague, Fever, and Dyspepsia.

IN our summer and fall months many sections of our country are prostrated by **BILLIOUS FEVER and AGUE and FEVER.** It has been our particular study to find out some remedy to stop this dreadful scourge, and, in this TONIC, we have effected this great object. It is also the very best remedy in Dyspepsia, and if our directions are followed, will not fail to effect a cure.

In a letter dated, May 23d, 1849, our Agent, Mr. Elias Raab, of Wrightsville, York county, Pa., writes:—I have never known any remedy for **Fever and Ague** equal to your invaluable National Tonic. It has given universal satisfaction, and has cured cases of Ague of years standing, and after the failure of all other medicines made use of. Mr. Henry Beverton, of the same place, writes:—I have a certificate, dated 23d March, 1849, I applied a number of Physicians, and also used a variety of the most popular Ague Mixtures at different times, but all without the desired effect, no permanent cure having been afforded. I was at length induced, at the recommendation of your worthy Agent at this place, to try a bottle of your National Tonic, and to my great satisfaction, before I had used half of it, I felt completely cured, though I continued the use of it till I had taken two bottles. In a joint certificate from Messrs. Miles Hoke, William Blackson, and James D. Brown, of the same place, they say:—Having tried nearly all the remedies within our reach with our success, we at last purchased some of your **National Tonic**, which has completely cured us. We, therefore, cheerfully recommend it to the notice of all persons afflicted with that terrible disease as the best remedy yet discovered."

See the Pamphlets, which you can get from one of our Agents gratis.

Also, Dr. Martin's Purgative Pills, the best now in use, in all cases where a purgative is needed.

Prepared and sold by **MARTIN & WHITELEY,** Wholesale Drug Store, No. 48 S. Calvert st., Baltimore.

For sale by F. J. HOFFMAN and WATSON & JACOB, Lewistown; and by ALEXANDER RUTLEDGE, Williamsburg, Huntingdon county. June 30, 1849—1y.

### Great Attraction! STOVES! STOVES!! Improved Hathaway.

THIS great improvement, just got up, we are satisfied stands unequalled, for general use, and simplicity of arrangement, by any Cooking Stove yet offered to the public. To be satisfied of this, we think it needs but to be seen. It is a regular Hathaway, of the size now generally in use in this country, with the following improvements, viz:

1st. It is so arranged that a stout Sheet Iron Oven can be put in at the top, back of the fire, (the flame passing under it,) sufficiently large to cook an ordinary roasting or cooking, and is heated as quick as the fire is cleverly burning; thus avoiding the necessity of heating up the regular oven for ordinary purposes, which, when heated, requires as much fire to do a small roast as would do a large amount of cooking. Further, the small oven being loose, can be put in or taken out at pleasure with very little trouble. When much cooking is required, it can be kept out, and the stove is then the same as a regular Hathaway.

2d. The Griddles are improved, so that the top is smoother, the wire handles being dispensed with, and a loose handle used to lift them off.

3d. The damper is much more convenient, by being placed in the side instead of the back.

4th. The bottom flue is the Lauthach, so arranged that the draft is the same as the Hathaway.

N. B. We warrant this stove in every particular.

We have also on hand a large assortment of other valuable **Cooking Stoves**, consisting of the **Star**, two sizes, at \$20 to \$22; **Complete Cook**, at \$13; and **Laubach**, two sizes. Also, the **Prime, Keystone, and Etna Air-Tight**, for wood or coal, at from 16 to 35 dollars.

**AIR-TIGHT PARLOR STOVES.**—A large assortment of beautiful patterns.

**COAL STOVES.**—For parlors, offices, and chambers. A large assortment of handsome styles, from \$3.50 up.

**NINE-PLATE STOVE.**—From 20 to 28 inches. A heavy 28 inch at \$8.50.

To all who want stoves we would say come and examine our stock.

F. J. HOFFMAN, Lewistown, Sept. 29, 1849.

### CAUTION EXTRA

A man by the name of CLAPP has engaged with a young man of the name of S. P. Townsend, and uses his name to put up a Sarsaparilla, which he calls Dr. Townsend's Sarsaparilla, denominated **GENUINE ORIGINAL.** This Townsend is no doctor, and never was; but was formerly a worker on railroads, canals, and the like. Yet he assumes the title of Dr., for the purpose of gaining credit for what he is not. This is to caution the public not to be deceived, and purchase none but the **GENUINE ORIGINAL OLD DR. JACOB TOWNSEND'S Sarsaparilla**, having at it the Old Dr.'s likeness, his family coat of arms, and his signature across the top of the name.

Principal Office, 102 Nassau st., New York City.

### OLD DR. JACOB TOWNSEND,

THE ORIGINAL DISCOVERER OF THE GENUINE TOWNSEND Sarsaparilla.

Old Dr. Townsend is a thoroughly practical and successful long been known as the **JUTHOR and DISCOVERER** of the **GENUINE ORIGINAL TOWNSEND'S Sarsaparilla.** Being so well known, he was compelled to limit its manufacture, by which means it has been kept out of market, and the sales circumscribed to those only who had proved its worth and known its extraordinary merits. It has reached the ears of many, nevertheless, as those persons who had been healed of sore diseases, and saved from death, procured its existence and vended.

**HEALING POWER.** Knowing many years ago, that he had, by his skill, science and experience, devised a medicine which would be of incalculable advantage to mankind when the means would be furnished to bring it into universal notice, when his insatiable virtues would be known and appreciated. This time has come, the means are supplied, and the cure is found in the length and breadth of the land, especially as it is found incapable of degeneration or deterioration.

Unlike young S. P. Townsend's, it improves with age, and never changes, but for the better. It is prepared on scientific principles by a scientific man. The highest knowledge of Chemistry, and the latest discoveries in medicine, have all been brought into requisition in the manufacture of the Old Dr. Sarsaparilla. The Sarsaparilla root, it is well known, is a thoroughly medicinal and powerful purgative, and some properties which are ineffectual or useless, and others, which if retained in preparing it to use, produce fermentation and acid which is injurious to the system. Some of the properties of Sarsaparilla are so volatile, that they entirely evaporate and are lost in the preparation, if they are not carefully retained. The Sarsaparilla root, as those experienced in its manufacture. Moreover, these volatile principles, which fly off in vapor, or as an exhalation, under heat, and in the process of distillation
