FIRE.-The dwelling house of Wm. B. Johnston, with all its contents, situated about one mile from Reedsville, was consumed by fire on Monday evening last. It is not known how it originated, but its progress was so rapid, when first discovered, that the inmates had barely time to escape. There was an insurance of a little over \$400 on the building, which was an old one. The loss in furniture, &c., is consider-

THE WEATHER .- The past week has been one of the most disagreeable we have had this winter. The gale of wind noticed in our last prostrated the fences in all directions, and did some other damage. On Sunday snow fell to the depth of five or six inches, since which we have had rain, hail and snow intermingled with any amount of mud. The river had risen considerably this morning, and may possibly prevent the canal from being put in navigable order until

A Dugt Almost .- Col. Jefferson Davis, of Mississippi, challenged Col. Bissel, a loco member of the House from Illinois, on the 27th ult., in consequence of his remarks in reference to the conduct of the Mississippi regiment at the Battle of Buena Vista. The correspondence between the parties took place on Friday last, but there was an understanding between the friends of the parties-Gen. Shields, who acted for Col. Bissel, and Mr. Inge, who acted for Col. Davis, that ulterior action should be postpoped until Col. Bissel had time to write out and publish his speech. It appeared in the Globe that morning and the challenge passed in the afternoon. The meeting was to have taken place on the 28th-weapons, muskets at fifteen paces; but by the personal intervention of President Taylor, at a late hour in the night, the affair was amicably adjusted.

There are a few men in the Locofoco party, There is no material change in the City Marin Pennsylvania, says the Harrisburg Telegraph, who play the game of corruption so boldly that they actually disarm opposition by their oper and avowing disclosure of their degrading sentiments. We were struck with the truth of this remark a few days ago, when Mr. Porter of Northampton, in his speech in opposition to the election of Judges by the people, boldly declared that, when a member of the Convention which formed the present Constitution, he warned his brother Locofocos in that Convention, that if they went on as they had begun, to deprive the Governor of his patronage, the Locofoco party in the State of Pennsylvania, would soon be broken up, and that he desired to repeat the warning to his brother Locofocos in the present House of Representatives. Was there ever a more bold, yet truthful admission that the Locofoco party are "held together by the cohesive power of public plunder?" But Mr. Porter, instead of qualifying his language when this construction was put upon it, seemed to glory and exult in the fact, and made no attempt whatever to explain away the force of the declaration.

Mr. Porter further declared that the proposed amendment, or any change in the Constitution, giving the election of Judges to the people, would have the effect of giving at least twothirds of the Judges to the Whig party, and this was another reason why he opposed it.

The steamer Alabama arrived at New Orleans on the 28th ult., from Chagres. She brings 65 passengers, and dates from San Francisco to the 24th of January, and four hundred and sixty thousand dollars worth of gold dust on freight

For the Gazette. Fare on the Pennsylvania Railroad.

Mr. Editor:-The distance from Lewistown to Harrisburg, by the Pennsylvania Railroad, is but a fraction over 60 miles, yet travellers from this place are compelled to pay \$1 90, while at the same time cards are handed round on which it is stated that the rate of fare is 3 cents a mile! Under the old method of calculating the charge would be \$1.80, or if 61 miles, \$1.83, and while it is a small matter to talk about, yet let all fare alike. Had the Company fixed other rates, no one would complain, but if the charge is 3 cents per mile, I should like to see the conductor or engineer who could figure out \$1.90 from this to Harrisburg. CAUTION 33 MASON'S CHALLENGE BLACKING.

THE immense and steadily increasing demand for the celebrated

Mason's Challenge Blacking Has induced numerous unprincipled persons to attempt an imitation of his Box Label, varying it slightly to evade the law but at the same time designed to impose upon the universal confidence of consumers, in favor of Mason's Blacking; and as the counterfeit bears no resemblance to the original, except in the label, and has none of its good properties, Country Merchants, when ordering blacking, should be careful to ask for

"MASON'S ORIGINAL CHALLENGE BLACKING," Which is sold by all respectable Wholesale

Dealers in every City in the United States.
