A NEW MEDICINE!

BROWN'S ESSENCE OF JAMAICA GINGER.

A VERY valuable preparation for persons recovering from fever, or other diseases, a few drops imparting to the stomach a glow and vigor equal to a glassful of brandy, or other stimulants, without any of the debilitating effects which are sure to follow the use of liquor of any kind; and it is therefore especially applicable to children and females. To the aged it will prove a great comfort; to the dyspeptic, and to those who are predisposed to gout and rheumatic affections, it gives great relief; and to the inebriate, who wishes to reform, but whose stomach is constantly craving the noxious liquor, it is invaluable-giving tone to the digestive organs, and strength to resist temptation, and is consequently a great agent in the cause of temperance. For sale by J. B. MITCHELL.

GERMAN BITTERS, PREPARED BY DR. O. IVI. JACKSON, At the German Medicine Store, 120 Arch st.

PHILADELPHIA. Their power over the above diseases is not excelled-if equalled—by any other preparation in the United States as the cures altest, in many cases ofter skilful physicians had

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most search-

ing powers in weakness and affections of the digestive or gans, they are withal, safe, certain and pleasant. READ AND BE CONVINCED.

Chas. Robinson, Esq., Easton, Md., in a letter to Dr. Jackson, January 9, 1850, said— "My wife and myself have received more benefit from your medicine than any other we have ever taken for the Dyspepsia and Liver disease." "THE TENTH LEGION," published at Woodstock, Va.,

"A GREAT MEDICINE."

"We have uniformly refrained from recommending to the public any of the various Patent Medicines of the day, unless thoroughly convinced of their value. Among those we consider worthy of notice is the German Bitters, invented by Dr. Hoofland, and prepared by Dr. Jackson in Philadelphia. One instance in particular, in which the superior virtues of this medicine has been tested, has fallen under our observation. During the last summer, a son of Mr. Abraham Grabill, of this county, was very son of MR. Augusta Grantle, or Complaint, and after trying in vain various remedies, he purchased a bottle of the Bitters, and after using it, was so much relieved of his distressing malady, that he procured another bottle, and is restored entirely to health."

READ FURTHER A FEW FACTS FROM "THE WELDON HERALD," published at Weldon, N. C., January 24, 1850, which said-

"PATENT MEDICINES." "It is very seldom that we make any allusion to Patent Medicines, either approving or otherwise. Unfortunately for the country, and for honest and conscientions inver those of their number, (who ignorantly combine plain medicines together for the purpose of making money, for the ill success which attends the efforts of the deserving."

"We believe Dr. C. M. Jackson's 'Hoofland's German Bitters' to be a most excellent medicine, and one that should be highly popular in these days of Temperance; for they are altogether Vegetable in their composition, without one drop of Alcoholic Spirits in them. This med icine is innocent, but strengthening in its effects, and richly deserving of an unbounded popularity, which, when it ceased, and Nancy Norris, widow and devisee becomes known, it will, no doubt, fully enjoy." of the said John Norris, deceased, with notice

"Dr. Hoofand's German Bitters.—Here is a prepara-that they be and appear before the Judges of the tion which the leading presses in the Union appear to be said Court, at a session of the same Counanimous in recommending, and the reason is obvious. holden at Philadelphia, on the elever RESPECTFULLY informs his friends and the public generally that he is now opening in the new and splendid storms. and one of the greatest medical writers Germany has ever produced. He was emphatically the enemy of humbus, and therefore a medicine of which he was the inventoand endorsor may be confidently relied on. He specially recommended it in Liver Complaint, Dyspepsia, Dentity, Vertigo, Acidity of the Stomach, Constipation, and a complaints arising from a disordered condition of the stomach, the liver and the intestines. Nine Phila lelphia papers express their conviction of its excellency, and sev eral of the editors speak of its effects from their own indi vidual experience. Under these circumstances, we feel warranted, not only in calling the attention of our readers to the present proprietor's (Dr. C. M. Jackson's) prepara-

tion, but in recommending the article to all afflicted." MORE EVIDENCE. The "PHILADELPHIA SATURDAY GAZETTE," the heat family newspaper published in the United States. The

Dr. Hoofland's German Bitters: "It is seldon that we recommend what are termed Pat-ent Medicines to the confidence and patronage of our readers; and, therefore, when we recommend Dr. Hoof land's German Bitters, we wish it to be distinctly under stood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotte after it has done its guilty race of mischief, but of a med icine long established, universally prized, and which has net the hearty approval of the faculty itself."

Evidence upon evidence has been received (like the foregoing) from all sections of the of a cash business affords Union, the last three years, and the strongest testimony in its favor, is, that there is more of it used in the practice of the regular Physicians of Philadelphia than all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt after using it as directed. It acts specifically upon the stomach and liver; it is preferable to calomel in all bilious diseases—the effect is immediate. They can be administered to FEMALE OF INFANT with safety and reliable benefit, at any time.

BEWARE OF COUNTERFEITS. This medicine has attained that high character which is necessary for all medicines to attain to induce counterfeiters to put forth a spurious article at the risk of the lives of those

who are innocently deceived Look well to the marks of the genuine They have the written signature of C. M. JACKSON upon the wrapper, and the name blown in the bottle, without which they are spurious.

35 BELDE 388 MASON'S CHALLENGE BLACKING. HE immense and steadily increasing demand

for the celebrated

Mason's Challenge Blacking Has induced numerous unprincipled persons to attempt an imitation of his Box LABEL, varying it slightly to evade the law, but at the same time designed to impose upon the universal confidence of consumers, in favor of Mason's Blacking; and as the counterfeit bears no resemblance to the original, except in the label, and has none of its good properties, Country Merchants, when ordering blacking,

SHOULD BE CAREFUL TO ASK FOR "MASON'S ORIGINAL CHALLENGE BLACKING." Which is sold by all respectable Wholesale

Dealers in every City in the United States.
