It can be put up and taken down in less time than the old plan, and with a screw-driver, and the great merit is that it forms a spring bottom without a cord or sucking, thus saving the purchaser the cost of those articles.

COFFINS made to order and funerals attended at the shortest notice. Either Mahogany, Cherry or Walnut can be had at moderate terms.

**BROWN'S ESSENCE OF JAMAICA GINGER,**  
 A VERY valuable preparation for persons recovering from fever, or other diseases, and vigor equal to a glassful of brandy, or other stimulants, without any of the debilitating effects which are sure to follow the use of liquor of any kind; and it is therefore especially applicable to children and females. To the aged it will prove a great comfort; to the dyspeptic, and to those who are predisposed to great and rheumatic affections, it gives great relief; and to the inebriate, who wishes to reform, but whose stomach is constantly craving the noxious liquor, it is invaluable—giving tone to the digestive organs, and strength to resist temptation, and is consequently a great agent in the cause of temperance.

**Compound Syrup of WILD CHERRY,**  
 IS the best Medicine yet for Coughs, Colds, Consumption, Asthma, Spitting of Blood, &c. Read the following:

November 12th, 1848.  
 Dear Sir—I take great pleasure in saying to you that Mrs. Ross has been entirely relieved of her cough by the use of your Syrup of Wild Cherry. It had continued for fully eighteen months. She had used several preparations with this end, and had been using yours, but not to the slightest benefit, until she used yours. She not only took six bottles, and I am pleased to say she is now in good health. Every one who saw Mrs. Ross thought her in a deep decline.

**Martin & Whiteley's NATIONAL TONIC,**  
 A certain Cure for Ague, Fever, and Dyspepsia.

IN our summer and fall months many sections of our country are prostrated by **BILIOUS FEVER** and **AGUE and FEVER.**—It has been our particular study to find out some remedy to stop this dreadful scourge, and think, in this TONIC we have effected this great object. It is also we think the very best remedy in Dyspepsia, and if our directions are followed, will not fail to effect a cure.

In a letter dated, May 23d, 1849, our Agent, Mr. Elias Raub, of Wrightsville, York county, Pa., says—I have never known any remedy for **Fever and Ague** equal to your invaluable National Tonic. It has given universal satisfaction, and has cured cases of Ague, which were long standing, and after the failure of all other medicines made use of. Mr. Henry Beverson, of the same place, says in his certificate, dated 22d March, 1849, "I applied to a number of Physicians, and also used a variety of the most popular Ague Mixtures at different times, but all without the desired effect; no permanent cure having been afforded. I was at length induced, at the recommendation of your worthy Agent at this place, to try a bottle of your National Tonic, and to my great satisfaction, before I had used half of it, I felt completely cured, though I continued the use of it till I had taken two bottles." In a joint certificate from Messrs. Miles Hoke, William Blackson, and James D. Brown, of the same place, they say—"Having tried nearly all the remedies which our reach without success, we at last purchased some of your National Tonic, which has completely cured us. We, therefore, cheerfully recommend it to the notice of all persons afflicted with that terrible disease as the best remedy yet discovered."

See the Pamphlets, which you can get from one of our Agents gratis.

**Dr. Hoofland's German Bitters:**  
 It is seldom that we recommend what are termed Patent Medicines to the confidence and patronage of our readers; and, therefore, when we recommend Dr. Hoofland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are so much about for a brief period and forgotten after it has done its giddy race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself.

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor is, that there is more of it used in the practice of the regular Physicians of Philadelphia than all other nostrums combined, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt after using it as directed. It acts specifically upon the stomach and liver; it is preferable to calomel in all bilious diseases—the effect is immediate. They can be administered to **FEMALE INFANT** with safety and reliable benefit, at any time.

**BWARE OF COUNTERFEITS.**

This medicine has attained that high character which is necessary for all medicines to attain to induce counterfeits to the lives of those who are innocently deceived.

Look well to the marks of the genuine. They have the written signature of **C. M. JACKSON** upon the wrapper, and the name blown in the bottle, without which they are spurious.

In a lying posture, Dimness of Vision, Dots or webs before the Sight, Fever and dull pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and great depression of Spirits, can be effectually cured by

**DR. HOOFLAND'S celebrated GERMAN BITTERS,**  
 PREPARED BY **DR. C. M. JACKSON,**  
 At the German Medicine Store, 120 Arch st. PHILADELPHIA.

Their power over the above diseases is not excelled—if the extra attest, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are without fail, certain and pleasant.

**READ AND BE CONVINCED.**  
**CHAS. ROBINSON, Esq.,** Easton, Md., in a letter to Dr. Jackson, January 9, 1850, says—  
 "My wife and myself have received more benefit from your medicine than any other we have ever taken for **Dyspepsia and Liver disease.**"

"THE TENTH LEXON," published at Woodstock, Va., January 10, 1850, says—  
 "A GREAT MEDICINE."

"We have uniformly refrained from recommending to the public any of the various Patent Medicines of the day, unless thoroughly convinced of their value. Among those we consider worthy of notice is the **German Bitters**, invented by **Dr. Hoofland**, and prepared by **Dr. Jackson** in Philadelphia. One instance in particular, in which the superior virtues of this medicine has been tested, has fallen under our observation. During the last summer, a son of **MR. ABRAHAM GRABER**, of this county, was very seriously afflicted with **Liver Complaint**, and after trying in vain various remedies, he purchased a bottle of the Bitters, and after using it, was so much relieved of his distressing malady, that he procured another bottle, and is restored entirely to health."

**READ FURTHER A FEW FACTS**  
**FROM "THE WELDON HERALD,"** published at Weldon, N. C., January 24, 1850, which says—  
 "IT is very seldom that we see any allusion to Patent Medicines, either approving or otherwise. Unfortunately for the country, and for honest and conscientious inventors and vendors of these medicines, the land is becoming flooded with quick preparations, that are made alone for profit and are fit not even for the dogs. In this state of things it is hard to tell which are, and which are not worth having. If a person gets an indifferent medicine the first time he purchases, he is very apt to condemn the whole of them and buy no more, and inventors must only blame those of their number, who ignorantly combine plain medicines together for the purpose of making money, for the ill success which attends the efforts of the deserver."

"We believe **Dr. C. M. Jackson's 'Hoofland's German Bitters'** to be a most excellent medicine, and one that should be highly popular in these days of Temperance; for they are altogether **Vegetable** in their composition, without one drop of alcohol in them. This medicine is innocent, but strengthening in its effects, and is richly deserving of an unbounded popularity, which, when it becomes known, it will, no doubt, fully enjoy."

**JUDAS M. M. NOAH** said, in his "WEEKLY MIRROR," January 5, 1850.

**Dr. Hoofland's German Bitters.**—Here is a preparation which the leading medical writers in the United States are unanimous in recommending, and the reason is obvious: it is made after a prescription furnished by one of the most celebrated physicians of modern times—the late **Dr. Christopher Wilhelm Hoofland**, professor to the University of Jena, private physician to the King of Prussia, and one of the greatest medical writers Germany has ever produced. He was emphatically the enemy of Aunage, and therefore a medicine of which he was the inventor and endorser may be confidently relied on. He specially recommended it in Liver Complaint, and after trying it Vertigo, Acidity of the Stomach, Constipation, and all complaints arising from a disordered condition of the stomach, the liver and the intestines. Nine Philadelphia papers express their conviction of its excellence, and several of the editors speak of its effects from their own individual experience. Under these circumstances, we feel warranted, not only in calling the attention of our readers to the present proprietor's (**Dr. C. M. Jackson's**) preparation, but in recommending the article to all afflicted."

**Dr. Hoofland's German Bitters:**  
 It is so prepared, that all the impurities of the **SARSAPARILLA** are first removed, every thing capable of becoming acid or fermenting, is extracted and rejected; and every particle of medicinal virtue is secured in a pure and concentrated form; and thus it is rendered incapable of losing any of its valuable and healing properties. Prepared in this way, it is made the most powerful agent in the **Cure of innumerable diseases.**

Hence the reason why we hear commendations on every side, as it gives tone and strength to the system, and drives out of the system all the impurities of the blood.

It possesses a marvellous efficacy in all complaints arising from Indigestion, Acidity of the Stomach, from irregular circulation, from the morbid action of the Liver, from the heat, cold feet and hands, cold chills and hot flashes over the body. It has not its equal in **Cold and Coughs;** and every particle of medicinal virtue is secured in a pure and concentrated form; and thus it is rendered incapable of losing any of its valuable and healing properties. Prepared in this way, it is made the most powerful agent in the **Cure of innumerable diseases.**
