Poetry.

"I LOVE YOU!"
I love you! 'Tis the simplest way
The thing I feel to tell;

Miscellaneous.

BE READY.
When you lie down at night, compose
your spirits as if you were not to wake till
the heavens be no more.

THE LOVED FACES.

Happy thoughts come stealing upon us
as we look upon the faces of those we
loved in other days, those we have been
separated from for years.

AN EVENING WALK WITH THE CHILDREN.

And the evening is beautiful! and the
heavens are full of stars, mirroring their
silvery faces in the snow;

floods came, and a long night of darkness,
the good man in the dark remembered the
stars that studded the firmament in his
boyhood's time.

A TIRESOME GUEST.

There is belonging to the race of human
bipeds a sort of troublesome beings, who
setting no value on their own time, care
very little how much they trespass upon
that of their more industrious neighbors.

THE DUTCHMAN AND THE JUDGE.

A few years since, a Dutch vessel landed
at Mobile, a goodly number of the 'Sour-
krou'-dom, one of whom found his way
up the Tombigbee, and seeing on its banks
an opening for an enterprising Dutchman.

THE LAWYER'S PATRON SAINT.

We give the following from 'Notes and
Queries,' where it appears as extracted
from Carr's 'Remarks of the Government
of the several Parts of Germanie, Denmark,
&c. Amsterdam, 1688.'

GREAT DOG FIGHT.

'Oh, pa, I just seed one of the worstest
dog fights as ever was seen or heard tell
on in the world.'

ADVANTAGES OF EARLY TRAINING.

The following dialogue is reported to have
passed at the Queen's County Assizes be-
tween a medical witness and a barrister:

Know their Interests, and know-
ing will maintain them;
Hence when they want goods at
Uniform Prices,

NUSBAUM, BROTHERS,

because every man, woman and child in the six
counties by this time knows that no one can
sell lower and live. They have, with their
usual enterprise, brought up a large lot of

and opened them to the gaze of admiring thou-
sands while most of their competitors were
sleeping over the piles of Calicoes, Gingham,
and a hundred other articles remaining unsold
from last year's purchases. These goods were
all selected with an eye to

Beauty, Fineness, and Durability.

and bought at prices that throw twenty per
cent. men into the shades of oblivion. We
therefore invite our old customers and about

SPRING & SUMMER
GOODS!

HAVING taken several additional rooms for

the use of our store, we are enabled this
spring to increase our stock of goods very much,
and we now offer our friends a very large and
desirable assortment of

DRY GOODS,

BOOTS, SHOES & BONNETS,
Carpetings, Hardware and
Groceries,
and think we can't be undersold in any of them.
A great part of our stock has been purchased
at auction, at regular catalogue sales, where
nothing but fresh and warranted goods are of-
fered, and by which we save from

15 to 20 per cent.,

and we feel confident that we can sell a great
many articles LOWER than those who buy
only of the jobbers, as for instance—

CLOTHS AND CASIMERES,

CARPETINGS,
BOOTS, SHOES, BONNETS, &c.
We invite our friends, and the public gener-
ally, to call and look at our goods, and if they
afterward think they can buy for less elsewhere,
we will charge them nothing for showing.

TIN WARE! TIN WARE!!

J. B. SELHEIMER,
At his old stand, on MARKET street, Lew-
istown, six doors east of the public square,
south side, informs the public generally, that
they will always find at his establishment, a
Heavy Stock of Made Up

TIN WARE,

of almost every variety, and offering great in-
ducements to purchasers.
To COUNTRY MERCHANTS, who may
wish to lay in a stock for sale, he will make
such reduction in price as will prove advan-
tageous to them.

A NEW MEDICINE!

BROWN'S ESSENCE OF JAMAICA GINGER,
A VERY valuable preparation for persons
recovering from fever, or other diseases,
a few drops imparting to the stomach a glow
and vigor equal to a glassful of brandy, or other
stimulants, without any of the debilitating ef-
fects which are sure to follow the use of liquor
of any kind; and it is therefore especially ap-
plicable to children and females. To the aged
it will prove a great comfort; to the dyspeptic,
and to those who are predisposed to gout and
rheumatic affections, it gives great relief; and
to the inebriate, who wishes to reform, but
whose stomach is constantly craving the noxious
liquor, it is invaluable—giving tone to the
digestive organs, and strength to resist tempta-
tion, and is consequently a great agent in the
cause of temperance. For sale by
