

A Baltimore paper, in speaking of the death of the Rev. J. Gruber, says:

"We remember him well. He was one of the old fashioned Methodist preachers with a warm heart and stout lungs—able to make saints shout and sinners tremble. He had no college learning himself, and no great love for it in others. He was equally good at settling preachers in the pulpit, or at a riot at the doors. A little noise of the right sort (or the wrong either) did not disturb him. His prayers were fervent and audible. His aspirations around him, and his voice was heard like a trumpet above the cries of glory towards the end of his sermons. Farewell to this good old servant! At the last day he will be found, we doubt not, right side up with care."

"We must here add, for the benefit of his future biographer, an anecdote of Mr. Gruber, which passed current. On one occasion at a camp-meeting which he attended, there was some disturbance created by a young woman who persisted in standing on the benches. 'Never mind,' said brother G., 'I'll bring her down.' So with a loud voice he exclaimed: 'If I had as large a hole in my stocking as that young woman, I don't think I'd stand on the benches.' Down came the lady. 'Why brother,' said one of the preachers, 'how did you know she had a hole in her stocking?' 'Well if she hadn't said Mr. G., I don't see how she'd got her foot into it.'"

**GRAIN AND CALICO.**—It is stated on the most reliable authority that the entire exports of breadstuffs from the United States to England in 1849, will not be sufficient to pay for over one-half the Calicoes imported from that country during the same period! In the year 1849 we imported from Great Britain alone over 12,000,000 dollars worth of Calico! Meantime the heaviest calico manufacturers in the United States have failed.

**WARM SPRINGS, PERRY COUNTY, PA.**

THE undersigned begs leave to inform the public, that he has recently purchased the Warm Springs, in Perry County, Pa., and has improved and refurnished the buildings for the entertainment of visitors, in a style calculated to ensure comfort and convenience to all who may feel disposed to patronize the establishment. These springs are situated on the banks of and empty into Sherman's creek, a stream associated with the thrilling scenes between the early settlers of that part of Pennsylvania and the aborigines, whose burial grounds, though on its margin. There are 11 miles from Carlisle, (by which the Cumberland Valley Railroad passes from Chambersburg to Harrisburg) from which place persons can at all times obtain easy conveyances. Those also from the east, wishing to reach the springs by the Central Railroad, can do so by taking passage to the Duncan Iron Works, (13 miles distant from the springs) where coaches are constantly in readiness to convey them thither; and those coming from the west on the same road, can at all times obtain easy conveyances at the Railroad Hotel at Newport, which is but a few miles distant from the springs.

The qualities of the water at these springs are most extraordinary indeed for the speedy and permanent cure of SCROFULA, ITCHING Eruptions of the Skin, and in fact every species of Cutaneous Diseases. It has hundreds of certificates, showing the wonderful cures effected by using this water internally, and by bathing in it, obtained as well from strangers as those residing in the immediate neighborhood of the springs, who have not only experienced the infallible efficacy of the water themselves, but witnessed the same upon others. Prof. JAMES C. BOOTH has analyzed the waters, and found them to contain 92 grains of solid matter in the gallon, which is composed as follows:

Carbonate of lime	2.667
" " " " "	1.938
Alkaline salts, chiefly chlorides, with a portion of sulphate	1.093
Silica	0.605
Organic matter	.897
	9.200

There are also at the same place half a dozen of other springs, of different descriptions, among which is one of sulphur and one of cold water.

It may not be improper to state that a knowledge of the extraordinary medical qualities of these springs has not been more extensively known than is indicated by the certificates of those who have resided in their immediate neighborhood. Years ago the property fell into the hands of a number of heirs, who were indisposed to undertake the responsibility of making it a place of public entertainment—probably because the patronage of the public would have justified the undertaking, as at that time (before the spirit of improvement had rendered distant and difficult points of speedy and cheap access) its location was out of the way and the roads rough and almost impassable. At the death of Mr. Kennedy, it fell into the hands of his heirs, neither of whom seemed disposed to take hold of it, but leased it to tenants, for the cultivation of the land than a regard to the value of the water. It was finally rented to Mr. Hupke, (now proprietor of a large hotel in Trenton, Pa.) who made arrangements to accommodate the public, and during his term many invalids availed themselves of this opportunity to visit and test its medical qualities. Mr. Hupke however retired in a short time, and the property again fell into the hands of the heirs, and remained until proceedings were instituted in the Orphans' Court for its sale. It was ordered to be sold, and the subscribers became the purchaser. It will thus be seen that the exception of the short time it was held by Mr. Hupke, no efforts were made to bring it into notice, and the country round the springs and neighborhood is diversified by cultivation and beautifully wild and picturesque scenery, abounding in game, while the stream passing through the property affords fine fishing. Every attention will be paid to the comfort and convenience of guests, and the charges no moderate, that all may avail themselves of the benefits of the Water.

## FIRE PLUGS.

THE following is a copy of an Agreement proposed to be entered into by the late Borough authorities and Water Company, but which not having been signed, the present Burgess and Town Council refer to a vote of the people, and will govern themselves according to that decision:

AGREEMENT made and concluded this 4th day of March, A. D. 1850, between the Lewisburg Water Company of the first part, and the Burgess and Town Council of the Borough of Lewistown of the second part, witnesses that the said Lewisburg Water Company agrees to erect not less than eight, and not exceeding twelve Fire Plugs, in addition to those already erected, in such places in the Borough of Lewistown as may be selected by the Burgess and Town Council of the Borough of Lewistown. The said fire plugs, as well as those already erected, are to be under the control and care of the said Water Company, who are to keep the same in good repair, except where the same may be broken or injured in any way for the purpose of getting water to extinguish fires, in which case all necessary repairs are to be made at the expense of said Borough of Lewistown.

In consideration whereof the said Borough of Lewistown agrees to pay the said Lewisburg Water Company an annual rent of three dollars for each fire plug by them erected in the Borough of Lewistown, as well as for all those already erected as for those now agreed to be erected, which said sum of three dollars is hereby agreed upon by said parties as the water rent to be charged and paid for the water used out of each plug for the extinguishing of fires in said Borough, be the same more or less.

Witness the hand of the President of said Lewisburg Water Company and the Seal of said County—Also the hand of the Chief Burgess of said Borough and the Seal of said Borough, the day and year aforesaid. This contract to continue for the term of ten years from the first day of April, 1850—at which time a new contract is to be entered into in regard to the said water rent.

The Election will be held at the Town Hall on Saturday, May 15, between the hours of 9 A. M. and 6 P. M., and it is understood that those who vote "FOR FIRE PLUGS" are in favor of paying rent to the Water Company as provided in the Agreement, and that those who vote "AGAINST FIRE PLUGS" are opposed to the payment of such rent as is provided for in said Agreement.
