LEWISTOWN MILLS. THE subscriber has again got his Mill started, and wishes to buy a LARGE QUANTITY OF ALL KINDS OF GRAIN, for which he will pay the CASH, as high as the market will afford, according to quality. Any person having good Wheat will do well to call and show a sample before they sell, as he thinks he can afford to give MORE than any person in the place. Those not wishing to sell and wanting to store, he will receive after harvest to be kept to the 1st of December, and after that time he will give a receipt to be kept to the 1st of August, as he will wish to close all his accounts twice a year, and will not keep any over unless he makes a written contract to that effect. If the person holding the receipt does not sell before the above days, it will be carried out to their credit at market price at the above named time. In giving a receipt, if the wheat is not good, he will mention the reduction per bushel in the receipt, so that when the owner comes to sell there will be no difficulty. All wheat left in store he will reserve the privilege of buying, when the owner wishes to sell, at 13 cents less than Philadelphia price when the canal is open, and 10 cents less when it is closed, and if he should not buy at these prices, he will only charge one cent per bushel for storage. No interest will be allowed on money left with him for grain, as he will be prepared at all times to pay the cash. He will keep all kinds of FLOUR and FEED for sale, but the orders must be left in the office in the mill, and the cash paid, before the Flour or Feed will be delivered. This arrangement is made to prevent any disappointment, as there is no person that has any privilege of selling but the Book-keeper, who enters it on the book and puts the order on a wire for the porter to deliver. This will prevent any mistake from being made in the filling of orders. JOHN STERRETT. Lewistown, June 26, 1850-tf

D. SUNDERLAND & SON, MARBLE MASONS, The undersigned being a carpenter by trade, wishes to employ two carpenters, young men, to accompany him to California. He will pay their passage and give them chance to work it out. None but sober, steady men need apply.
