To Cure a Felon. Take one teaspoonful of red lead, one tablespoonful of Castile soap, mix them with as weak ley as will make it soft enough to spread like a salve, and apply it on the first appearance of the felon, and it will cure it in ten or twelve hours.

Method of Curing Hams. The Hams of Maryland and Virginia have long enjoyed a wide celebrity. At the last exhibition of the Maryland State Agricultural Society four premiums were awarded for Hams. We are informed by those who had the opportunity of examining them that they are of first-rate quality. The following are the receipts by which the Hams were cured.—American Farmer.

T. E. HAMILTON'S RECIPE.—First premium. To every 100 pounds of pork take eight pounds of G. A. salt, two ounces saltpetre, two pounds brown sugar, one and a half ounce of potash, and four gallons of water. Mix the above and pour the brine over the meat, after it has lain in the tub some two days. Let the Hams remain six weeks in the brine, and then dried several days before smoking. I have generally had the meat rubbed with fine salt when it is packed down. The meat should be perfectly cool before packing.

J. GREEN'S RECIPE.—Second premium. To 1,000 pounds of pork take half a bushel and half a peck of salt, three pounds of saltpetre, three pounds of sugar, and two quarts of molasses. Mix; rub the bacon with it well; keep it on for three weeks in all; at the end of nine days take out the hams, and put those which are at the top, to the bottom.

R. BROOKS, JR.'S RECIPE.—Third premium. One bushel of fine salt, half bushel ground alum salt, one and a half pounds saltpetre, and one and a half pounds sugar to a thousand pounds of pork; leave lie in pickle four weeks; hang up and smoke with hickory wood until the rind becomes a dark brown.

C. D. SINGLETT'S RECIPE.—Fourth premium. To 100 pounds green Hams, take eight pounds G. A. salt, two pounds brown sugar, or molasses equivalent, two ounces saltpetre, two ounces pearl ashes, four gallons water; dissolve well; skimming off the skum arising on the surface. Pack the Hams compactly in a tight vessel or cask, rubbing the fleshy part with fine salt; in a day or two pour the above pickle over the meat, taking care to keep it covered with pickle. In four to six weeks according to the size and weight of the Hams, (that is to say, the longer period for heavier hams), hang up to smoke, hook up; smoking with green hickory wood. I have put up my hams for the last twelve or fifteen years by the above recipe with uniform success, equal at all times to the sample now presented.

Great Scientific Discoveries.

BY DR. J. W. COOPER.

FEVER AND AGUE Completely Cured in Three Days, By Dr. J. W. Cooper's Vegetable Compound Fever and Ague Pills.

THESE PILLS are composed entirely of Vegetable Substances, and in thirty-nine cases out of every hundred, will perform a perfect and complete cure in three days. No instance has ever been known, where more than six days have been required to perform a complete cure, even in the very worst cases, and on the strongest constitutions. We would earnestly say to all who are afflicted with this distressing disease, to get one box and try them, and in all cases, two boxes are warranted to cure, if taken according to the directions, or the money returned.

These pills not only perform a perfect cure in three days, but remove the bile and create a healthy action of the liver, and consequently fortify the system against a future attack. ALSO, My Vegetable Anti-Dyspepsia Bitters.

This Medicine is a certain Cure for Dyspepsia in its very worst forms. Thousands of cases have been completely cured by it within the last year, which have been entirely disregarded of by the regular family physicians. We do not recommend it to cure everything, we recommend it to cure Dyspepsia, and the disease originating from it, and that it will cure in almost every case, and it is recommended for nothing else. In many instances, even the worst of cases have been completely cured in two and three months, but it depends somewhat upon the constitution of the patient. We would say to all who are afflicted with Dyspepsia, give this medicine a fair trial, and if it fails to do good, your money will be returned.

Also, My Vegetable Worm Powders. This is the most wonderful Worm Destroyer ever known, and at the same time, so pleasant to take, that almost every child will be fond of it, and many instances have been known of children crying for more after once taking it.

This medicine is in the form of a powder, the only medicine ever used in that form, and it operates on a principle entirely different from any other medicine ever administered by any other physician. It is the only medicine which has no Worm-seed Oil or Turpentine combined with it, which is believed by all other physicians to be the only two things which will destroy worms, and these two things combined, together with castor oil, are the active principles of all other worm medicines, which every person who has ever tasted or smelled, knows to be the most nauseous of all nauseous medicines, and on account of which, there is generally something added to destroy this nauseous taste, and in order to do this, it must be something stronger than the medicine itself, and therefore, it must necessarily destroy some of its medicinal properties. These powders are simple and so harmless, that a child may eat a whole box at once, and it will not hurt, while at the same time, the principle upon which it acts being different from anything else ever used, it will destroy all kinds of Worms with a certainty never equalled. It will not only destroy the seat worms, or Ascarides, and long, round worms, or Terebs, but is the most effectual medicine for the destruction of the Tape Worm ever known. Ten doses have brought us many as FIVE Tape Worms from one person.

If your children have any symptoms of worms, try these powders, and in nine cases out of ten, you will never use any other. These are also warranted. These medicines are all separate, and one for each disease, and each for only one disease. They are not recommended, as many other medicines are, to cure some fifteen or twenty diseases, and all of different natures, but they are each to cure but one disease, and that they will do in ninety-nine cases out of every hundred, and where they have a fair trial and fail in all cases, the money will be returned.

DR. J. W. COOPER'S Celebrated Vegetable Anti-Dyspepsia Pills. A certain cure for Indigestion, Debility, Sickness or Bloating in the Stomach, Pain in the Side, Flatulency, Costiveness, Sensation of Weight in the Stomach after Eating, Difficulty of Breathing, Restlessness, Want of Appetite, Palpitation of the Heart, and all other Diseases which arise from INDIGESTION. Certificates can be seen at the Agents.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and Gall bladder, exerting the most searching powers in weakness and affections of the digestive organs, they are withal, safe, certain and pleasant.

READ AND BE CONVINCED. JOSIAH C. YOUNG, Dauphin County, Pa., in a letter to Dr. Jackson, of May 5, 1851, said: "For a long time I was afflicted with general debility and intestinal weakness, costiveness, &c., for which I used many different remedies, without obtaining any relief. At last I accidentally stumbled upon Hoofland's German Bitters, prepared by you. I took a few bottles according to directions, and was completely cured. I have not been so healthy for ten years as I have been since I took your bitters, which was about one year ago. Some of my neighbors are now using them, and deriving great benefit."

ANOTHER LETTER. From Dr. J. C. GILES, Newton Hamilton, Pa., said: "I have used a half dozen of your German Bitters myself, for Liver Complaint and diseases of a nervous character, resulting from the abuse of mercury. I was poisoned and affected with tremors, and in consequence of the article, and your German Bitters was the first article from which I obtained relief, although I have not yet quite recovered. All who have used this medicine of yours speak well of it."

DYSPEPSIA AND SKEPTICS, READ. In three-fourths of the cases of diseased Liver, Stomach and Nerves, the effect of Dr. Hoofland's Celebrated German Bitters, (prepared only by Dr. Jackson, at the Medicine Store, 120 Arch street,) is as positive as in the case of A. A. Kaufman, Esq. Read what he says!

Lancaster, April 20, 1850. Respected Sir: I have been for a series of years afflicted with Dyspepsia, Inactivity of the Liver, and Nervous Debility. My mental powers have been so reduced as to render me quite unfit for the transaction of any kind of business. After consulting many eminent physicians, and using their prescriptions, and after using the most popular remedies of the day, supposed to be applicable to my case, I always failed to have permanent relief. A friend, with much persuasion, induced me to try a bottle of your celebrated Bitters. I have used one bottle, and this day commenced the second. I can with cheerful and hearty state that it has happily improved me. My appetite and spirits have astonishingly improved, and I begin to feel as though I had grown suddenly ten years younger, and really, I am almost prepared to say that now consider myself calculated for any business, while, ten days ago, I would have as soon undertaken to square a circle as to have attempted it. Yours respectfully, A. A. KAUFMAN.

To Dr. C. M. Jackson, 120 Arch street, Philadelphia. The Editor of "Scott's Weekly Paper," one of the largest literary and family newspapers published in Philadelphia, says: "Dr. Hoofland's German Bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty, as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these bitters advantageous to their health, as we know from experience the salutary effect they have upon such systems."

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt after using it as directed. It acts specifically upon the stomach and liver; it is preferable to calomel in all bilious diseases—the effect is immediate. It can be administered to FEMALE INFANTS with safety, and reliable benefit, at any time.

Beware of Counterfeits! This medicine has assumed that high character which is necessary for all medicines to attain to induce counterfeits to put forth a spurious article, at the risk of the lives of those who are innocently deceived.

Look well to the Marks of the Genuine. They have the written signature of C. M. JACKSON upon the wrapper, and the name blown in the bottle, without which they are spurious.

For sale, wholesale and retail, at the GERMAN MEDICINE STORE, 120 Arch street, under door below Sixth, Philadelphia, and by Mrs. MARY MARKS and Dr. E. W. HALE, Lewistown. [May 23, 1851.—1y]
