

The Humorist.

REUBEN AND PHOEBE. A PATHETIC BALLAD.

BY MR. K. R. BLIFRINS.

In Manchester a maiden dwelt,
Her name was Phoebe Brown,
Her cheek was red, her hair was black,
And she was considered by good judges
to be by all odds the best looking girl in town.

Her age was nearly seventeen,
Her eyes were sparkling bright,
A very lovely girl she was,
And for about a year and a half there had
been a young man paying attention to her by
the name of Reuben Wright.

Now Reuben was a nice young man
As any in the town,
And Phoebe loved him very dear,
But, on his account being obliged to
work for a living, he never could make himself
agreeable to Mr. and Mrs. Brown.

Her cruel parents were resolved
Another she should wed,
A rich old miser in the place,
And old Brown frequently declared that
sooner than have his daughter marry Reuben
Wright he'd sooner knock him on the head.

But Phoebe's heart was brave and strong,
She feared not parent's frowns,
And as for Reuben Wright so bold
I've heard him say more than fifty times
that (with the exception of Phoebe) he didn't
care a d— for the whole race of Browns.

FEVER AND AGUE

Completely Cured in Three Days,
By Dr. J. W. Cooper's Vegetable Compound
Fever and Ague Pills.

THESE PILLS are composed entirely of Vegetable
Substances, and in ninety-nine cases out of every hun-
dred, will perform a perfect and Complete cure in three
days. No instance has ever been known, where more
than six days have been required to perform a complete
cure, even in the very worst cases, and on the strongest
constitutions. We would earnestly say to all who are
afflicted with this distressing disease, to get one box and
try them, and in all cases, two boxes are warranted to
cure, if taken according to the directions, or the money
returned.

These pills not only perform a perfect cure in three
days, but remove the bile and create a healthy action of
the liver, and consequently fortify the system against a
future attack.

ALSO.
My Vegetable Anti-Dyspepsia Bitters.
This Medicine is a certain cure for Dyspepsia in its
every worst form. Thousands of cases have been com-
pletely cured by it within the last year, which have
been entirely disregarded by the regular family physi-
cians. We do not recommend it to all ailments, we
recommend it to cure Dyspepsia, and the disease origi-
nating from it, and that it will cure in almost every case,
and it is recommended for nothing else. In many in-
stances, even the worst of cases have been completely
cured by the use of this medicine, but depends somewhat
upon the constitution of the patient. We would say to
all who are afflicted with Dyspepsia, give this medicine
a fair trial, and if it fails to do good, your money will be
returned.

ALSO.
My Vegetable Worm Powders.
This is the most wonderful Worm Destroyer ever
known, and at the same time, so pleasant to take, that
almost every child will be fond of it, and many instances
have been known of children crying for more after once
taking it.

This medicine is in the form of a powder, the only
medicine ever used in that form, and it operates on a
principle entirely different from any other medicine ever
administered by any other physician. It is the only
medicine which has any purgative Oil or Turpentine
combined with it, which is believed by the physi-
cians, to be the only two things which will destroy
worms, and these two things combined, together with
castor oil, are the active principles of all other worm
medicines, which every person who has ever tasted or
smelled, knows to be the most noxious of all noxious
medicines, and on account of which, there is generally
something added to destroy this noxious taste, and in
order to do this, it must be something stronger than the
medicine itself, and therefore, it must necessarily destroy
some of its medicinal properties. These powders are
simple and so harmless, that a child may eat a whole box
at once, and it will not be hurt, while at the same time,
the principle upon which it acts being different from any
thing else ever used, it will destroy all kinds of Worms
with a certainty never equalled. It will not only destroy
the seat worms, or Ascarides, and long round worms, or
Tape, but is the most effectual medicine for the destruc-
tion of the Tape Worm ever known. Ten doses have
brought as many as FIVE Tape Worms from one person.

If your children have any symptoms of worms, try
these powders, and in nine cases out of ten, you will never
see any more.

These medicines are all separate, and one for each dis-
ease, and each for only one disease. They are not re-
commended, as many other medicines are, to cure some
fifteen or twenty diseases, and all of different natures,
but they are each to cure but one disease, and that they
will do in ninety-nine cases out of every hundred, and
where they have a fair trial and fail in all cases, the
money will be returned.

**DR. HOOFLAND'S
CELEBRATED
GERMAN BITTERS,**
PREPARED BY
DR. C. M. JACKSON,
At the German Medicine Store, 120 Arch st.,
PHILADELPHIA.

These Bitters are worthy the attention of invalids,
Possessing great virtues in the rectification of diseases of
the liver and lesser glands, exerting the most search-
ing power in weak and affections of the digestive or-
gans, they are well adapted, safe, certain and pleasant.

READ AND BE CONVINCED.
JOSHUA C. YOUNG, Dauphin county, Pa.,
in a letter to Dr. Jackson, of May 5, 1851, said:
“For a long time I was afflicted with general debility
and intestinal weakness, costiveness, &c. for which I used
many different remedies, without change. At last I ac-
cidentally obtained a bottle of Dr. Hooiland's
German Bitters, (prepared only by Dr. Jackson, at the
German Medicine Store, 120 Arch street,) in as positive a
case of A. A. Kaufman, Esq. Read what he says!”

ANOTHER LETTER.
From Dr. J. C. GILES, Newton Hamilton, Pa., said:
“I have used a half dozen of your German Bitters,
for Liver Complaint and diseases of a nervous char-
acter, resulting from the abuse of mercury. I was
poisoned and affected with spasms from the use of this
latter article, and your German Bitters was the first article
from which I obtained relief, although I have not yet
quite recovered. All who have used this medicine of
yours speak well of it.”

DYSPEPSIA AND SKEPTICS, READ.
In three-fourths of the cases of diseased Liver, Stomach
and Nervous system, the effect of Dr. Jackson's
German Bitters, (prepared only by Dr. Jackson, at the
German Medicine Store, 120 Arch street,) is as positive as in
the case of A. A. Kaufman, Esq. Read what he says!”

Respected Sir: I have been for a series of years afflicted
with Dyspepsia, Inactivity of the Liver, and Nervous
Debility. My mental powers have been so reduced as
to render me quite unfit for the transaction of any kind
of business. After consulting many eminent physicians
and using their prescriptions, and after using the most
popular remedies of the day, supposed to be applicable to
my case, I always failed to have permanent relief. A
friend, with much persuasion, induced me to try a bottle
of your celebrated Bitters. I have used one bottle, and
this day commenced the second. I can with cheerful-
ness state that it has happily improved me. My ap-
petite and spirits have astonishingly improved, and I begin
to feel as though I had grown (evidently) ten years
younger, and really I am a few hours older. I would
now consider myself calculated for any business, which
ten days ago, I would have as soon undertaken to appear
a cretin as to have attempted it.

Yours respectfully,
A. A. KAUFMAN,
120 Arch street, Philadelphia.

The Editor of "Scott's Weekly Paper," one of the
largest literary and family newspapers published in Phila-
delphia, says:
“Dr. Hooiland's German Bitters, manufactured by Dr.
Jackson, are now recommended by some of the most
eminent members of the faculty, as an article of much
efficacy in cases of female weakness. As such is the
case, we would advise all mothers to obtain a bottle,
thus save themselves much sickness. Persons of debilitat-
ed constitutions will find these Bitters advantageous
to their health as we know from experience the salutary
effect they have upon weak systems.”

That this medicine will cure Liver Complaint and Dys-
pepsia, no one can doubt but who has directed it. Its prefer-
ence especially upon the stomach when it is diseased, is
adequate to calomel in all bilious diseases—the effect is in-
stantaneous. They can be administered to FEMALES with
safety and reliable benefit, at any time.

Beware of Counterfeits!
This medicine has attained that high character which
is necessary for all medicines to obtain to induce con-
fidence to put forth a spurious article, at the risk of the
lives of those who are innocently deceived.
