

An Unprecedented Display
AT
THE OLD CORNER,
GEORGE BLYMYER, in tendering his thanks to numerous friends and the public in general for the liberal patronage bestowed on his establishment, would take occasion to say that he has just returned from the city with an extensive stock of

Dry Goods, Groceries, Hardware, Queensware, &c.
that may well challenge comparison, comprising, as it does, a variety in all these branches probably not to be met with in any other town on the Juniata. It would be an endless task to enumerate even all the leading articles—he will therefore only mention that his shelves and racks contain an unequalled assortment of French, English, and American Blue, Black and fancy colors

CLOTHS AND CASSIMERES; a great variety of SATINETTS; black and fancy Silk and Satin Vesting, with all the minor descriptions in pie; FLANNELS, all colors, in abundance; MUSLINS in cartloads; CALICOES in stacks; and Bonnets, Ribbons, Laces, Edgings, Insertings, Gloves, Mitts, Crapes, Veils, Handkerchiefs, &c., by the bushel—in fact the Ladies, in anything they may want, whether in prior or kitchen, from the finest Silk and Satins to low-priced domestic goods—from the elegant Cashmere, Broche, Bay State, or India to the common Cotton Shawl—from the rich and costly Bonnet to costing next to nothing—from Cloth for Cloak or Riding Dress to a Neck Ribbon, CANNOT go astray! the goods are all there, and the prices right!

His stock of **GROCERIES** consists of a large supply selected with great care, and comprises all kinds of the various articles in general use. His **QUEENSWARE** embraces a beautiful assortment, from which a choice cannot fail to be made. There is also an excellent stock of **READY-MADE CLOTHING, BOOTS & SHOES, CEDAR WARE, &c.**
with Roll upon Roll of **CARPETING,** and a great many other matters, all of which go to show that the question is not "What has Blymyer got?" but "What has he NOT?"

VALUABLE HISTORICAL DISCOVERY!
The Problem Solved.
ROME had her Caesar, England her Cromwell, France her Napoleon Bonaparte, and Lewistown at last has a store where goods may be purchased at the most reasonable prices, as any one can be satisfied who will call on

PIROVED & BROTHER, who have just received a splendid lot of New Goods which are the admiration of all who have viewed them. They are cheap, too, and no mistake—cheap just on one yard of the counter and dear over all the other, from side to side, from front to rear, and from top to bottom, whether COTTON, LINEN, SILK, or anything else, you'll find our motto is "SMALL PROFITS and QUICK SALES," with the ready John Davis down—the only way we desire to do business! Now we don't intend to enumerate what we have; we shall not say a word about our stock CLOTHS and CASSIMERES; nor the ELEGANT SUPPLY we purchased for DRESSES for our **LADY FRIENDS;** nor about the SILKS, and SATINS, and RIBBONS, and ten thousand other matters that go to make up a top-top assortment, because we do not only anticipate, but are sure, that all who expect to appear in unparallelled apparel, will come and see for themselves—judge for themselves, and buy for themselves (just as we do when we go to the city.) And now take our advice—
"Buy cheap while sluggards sleep,
And you will have goods to wear and keep."

Great Scientific Discoveries.
BY DR. J. W. COOPER.
FEVER AND AGUE
Completely Cured in Three Days,
By Dr. J. W. Cooper's Vegetable Compound Fever and Ague Pills.
THESE PILLS are composed entirely of Vegetable Substances, and in every case cure the fever and try them, and all cases, two or three treatments cure, if taken according to the directions, or the money returned.
These pills not only perform a perfect cure in three days, but remove the bile and create a healthy action of the liver, and consequently fortify the system against a future attack.
ALSO,
My Vegetable Anti-Dyspepsia Bitters.
This medicine is a certain cure for Dyspepsia in its every variety. Thousands of cases have been completely cured by it within the last year, which have been entirely despaired of by the regular family physicians. We do not recommend it to cure everything—we recommend it to cure Dyspepsia, and the diseases originating from it, and that it will cure in almost every case, and will perform a perfect cure in every instance. In many instances, even the worst cases have been completely cured in two and three months, but it depends somewhat upon the constitution of the patient. We would say to all who are afflicted with Dyspepsia, give this medicine a fair trial, and if it fails to do good, your money will be returned.
ALSO,
My Vegetable Worm Powders.
This is the most wonderful Worm Destroyer ever known, and of the same time, so pleasant to take, that almost every child will fondle it, and many instances have been known of children crying for more after once taking it.
This medicine is in the form of a powder, the only medicine ever used in that form, and it operates on a principle entirely different from any other medicine ever administered by any other physician. It is the only medicine which has no Worms, and it is perfectly combined with it, which is believed by all other physicians, and these two things combined, together with castor oil, are the active principles of all other worm medicines, which require a person who has ever tasted or smelled, knows to be the most noxious of all noxious medicines, and on account of which, there is generally something added to destroy this noxious taste, and in order to do this, it must be something stronger than the medicine itself, and therefore, it must necessarily destroy some of the medicinal properties. These powders are simple and so harmless, that a child may eat a whole bag at once, and it will not hurt, while at the same time, the principle upon which it acts being different from anything else ever used, it will destroy all kinds of Worms with a certainty never equalled. It will not only destroy the worms, of Ascarides, and long round worms, or Tenia, but it will destroy the cause for the destruction of the Tape Worm ever known. Tenia does have brought as many as FIVE Tape Worms from one person. If your children have any symptoms of worms, try these powders, and in nine cases out of ten, you will never see any more. These are all warranted.
These pills cure all cases of Dyspepsia, and for each disease, and each for only one disease. They are not recommended, as many other medicines are, to cure some fifteen or twenty diseases, and all of different natures, but they are each to cure but one disease, and that they will do in ninety-nine cases out of every hundred, and where they fail, a fair trial and fall in all cases, the money will be returned.
