This Medicine is a certain cure for Dyspepsia in its very worst forms. Thousands of cases have been completely cured by it within the last year, which have been entirely despaired of by the regular family physi-cians. We do not recommend it to cure everything—we A WARRANTED CURE for this prevalent and recommend it to cure Dyspepsia, and the diseases originating from it, and that it will cure in almost every case and it is recommended for nothing else. In many in-stances, even the worst of cases have been completely cared in two and three months, but it depends somewha and the constitution of the patient. My Vegetable Worm Powders. This is the most wonderful Worm Destroyer ever known, and at the same time, so pleasant to take, that almost every child will be fond of it, and many instances have been known of children crying for more after once

This medicine is in the form of a powder, the only medicine ever used in that form, and it operates on a principle entirely different from any other medicine ever administered by any other physician. It is the only medicine which has no Worm-seed Oil or Turpentine combined with it, which is believed by all other physi-cians, to be the only two things which will destroy worms, and these two things combined, together with castor oil, are the active principles of all other worm medicines, which every person who has ever tasted or smelled, knows to be the most nauseous of all nauseous medicines, and on account of which, there is generally something added to destroy this nauseous taste, and in order to do this, it must be something stronger than the medicine itself, and therefore, it must necessarily destroy some of its medicinal properties. These powders are simple and so harmless, that a child may eat a whole box at once, and it will not be hurt, while at the same time, the principle upon which it acts being different from anything else ever used, it will destroy all kinds of Worms with a certainty never equaled. It will not only destroy the seat worms, or Ascarides, and long, round worms, or Teres, but is the most effectual medicine for the destruction tion of the Tape Worm ever known. Ten doses have brought as many as FIVE Tape Worms from one person. If your children have any symptoms of worms, try

hese powders, and in nine cases out of ten, you will nev r use any other. These are also warranted.

These medicines are all separate, and one for each disease, and each for only one disease. They are not re commended, as many other medicines are, to cure some fifteen or twenty diseases, and all of different natures, but they are each to cure but one disease, and that they

The Rev. Jno. D. Cochrane, a distinguished Clergyman

HILLSDALE, MICH., Dec. 10, 1849.

DEAR STR:—Immediately on the receipt of your CHERRY PECTORAL, I carried a bottle to an acquaintance of mine who was thought to be near his end with quick consumption. He was unable to rise from his bed, and was extremely feeble. His friends believed he must soon die, unless relief could be obtained for him, and I induced them to give your excellent medicine a tial. I himmediately left town for three weeks, and you may judge of my surprise on my return, to meet him in the street on my way home from the cars, and find he had entirely recovered. Four weeks from the day he com-menced taking your medicine, he was at work at his arduous trade of a blacksmith.
