THE TRUE DIGESTIVE FLUID

or, Gastric Juice. Prepared from RENNET, or the fourth STOMACH OF nity. THE ON, after directions of BARON LIEBIG, the great Physiological Chemist, by J. S. HOUGHTON, M. D. Philadelphia, Pa.

D. Formacepena, Fa.

This is a truty wonderful remedy for INDIGESTION,
DYSPEPSIA, JAUNDICE, LIVER COMPLAINT,
CONSTIPATION, and DEBILITY, Curing after Nature's own method, by Nature's own Agent, the Gas-He sauce.

Half a teaspoonful of Pepsin, infused in water, will digest or dissolve, Five Pounds of Roast Berf in about

two hours, out of the stomach.

PEPSIN is the ch.ef element, or Great Digesting
Principle of the Gastric Juice—the Solvent of the Food, the Parifying, Preserving, and Stimulating Agent of the Stomach and Intestines. It is extracted from the Digestive Stomach of the Ox, thus forming an ARTIFICIAL as worth the money, being well made from DIGESTIVE FLUID, precisely like the natural Gastric Julice in its Chemical powers, and furnishing a complex re and reaffect substitute for it. By the aid of this preparation, the pains and evils of INDIGESTION and DYSPEPSIA are removed, just as they would be by a healthy stomach. It is doing wonders for Dyspeptics, curing cases of DEBILITY, EMACIATION, NERVOUS DECLINE, and DYSPEPTIC CONSUMPTION. DECLINE, and DYSPEPTIC CONSUMPTION, supposed to be on the verge of the grave. The Scientific Evidence upon which it is based, is in the highest degree CURIOUS and REMARKABLE.

Scientific Evidence! BARON LIEBIG in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, ana-logous to the Gastric Juice, may be readily prepared from the nucous membrane of the stomach of the Calf, in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manof the subscribers, situated in Water street, increase they would be in the human stomach." gratis, giving a large amount of Scientific Evidence similar to the above, together with reports of REMARK-BLE CURES, from all parts of the United States.

As a Dyspepsia Carer,

Dr. HOUGHTON'S PEPSIN has produced the most marvellous effects, in curing cases of Lebility, Ema-ciation, Nervous Decline, and Dyspeptic Consumption. It is impossible to give the details of the cases in the limits of this advertisement; but anthenticated certifi-cates have been given of more than TWO HUNDRED REMARKABLE CURES, in Philadelphia, New York and Boston, alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful,

It is a great NER VOUS ANTIDOTE, and particularly useful for tendency to Billions disorder, Liver Complaint, Fever and Ague, and the evil effects of Quinine, Mercury, and other Drugs upon the Digestive Organs, after a long sickness. No instance has ever been known, where more than six days have been required to perform a complete cure, even in the very worst cases, and on the strongest constitutions. My Vegetable Anti-Dyspepsia Bitters. This Medicine is a certain cure for Dyspepsia in its very worst forms. Thousands of cases have been com-pletely cured by it within the last year, which have been entirely despaired of by the regular family physicians. We do not recommend it to cure everything—we recommend it to cure Dyspepsia, and the diseases originating from it, and that it will cure in almost every case. and it is recommended for nothing else. In many in stances, even the worst of cases have been completely cured in two and three mouths, but it depends somewhat npon the constitution of the patient. This is the most wonderful Worm Destroyer ever known, and at the same time, so pleasant to take, that almost every child will be fond of it, and many instances have been known of children crying for more after once

This medicine is in the form of a powder, the only medicine ever used in that form, and it operates on a principle entirely different from any other medicine ever principle entirely different from any other meant-ine ever administered by any other physician. It is the only medicine which has no Worm-seed Oil or Turpentine combined with it, which is believed by all other physi-cians, to be the only two things which will destroy worms, and these two things combined, together with castor oil, are the active principles of all other worn medicines, which every person who has ever tasted o smelled, knows to be the most nauseous of all nauseous medicines, and on account of which, there is generally something added to destroy this nameous taste, and in order to do this, it must be something stronger than the medicine itself, and therefore, it must necessarily destroy some of its medicinal properties. These powders are not forgetting the HUNGARIAN style of every variety, wholesale and retail, which in style, material and finish, cannot be surpassed by any in the market, and which he is able to nut at prices lower than ever.
