PEPSIN is the chief element, or Great Digesting Principle of the Gastric Juice—the Solvent of the Food, the Parifying, Preserving, and Stimulating Agent of the Stomach and Intestines. It is extracted from the Digestive Stomach of the Ox, thus forming an ARTIFICIAL DIGESTIVE FLUID, precisely like the natural Gastric luice, in its Chamical covers and forcibe in the Chamical covers and the Chamical covers and the Chamical covers are constituted in the Chamical covers and the Chamical covers are constituted in the Chamical covers and the Chamical covers are constituted in the Chamical covers and the Chamical covers are constituted in the Chamical Juice in its Chemical powers, and furnishing a complete and perfect substitute for it. This medicine is in the form of a powder, the only medicine ever used in that form, and it operates on a principle entirely different from any other medicine ever administered by any other physician. It is the only medicine which has no Worm-seed Oil or Turpentine combined with it, which is believed by all other physicians, to be the only two things which will destroy worms, and these two things combined, together with castor oil, are the active principles of all other worm medicines, which every person who has ever tasted or smelled, knows to be the most nauseous of all nauseous medicines, and on account of which, there is generally medicines, and on account of which, there is generally something added to destroy this nauseous taste, and in order to do this, it must be something stronger than the medicine itself, and therefore, it must necessarily destroy some of its medicinal properties. These powders are simple and so harmless, that a child may eat a whole box at once, and it will not be hurt, while at the same time, the principle upon which it acts being different features. the principle upon which it acts being different from any the principle upon which it acts teng universat from any-thing else ever used, it will destroy all kinds of Worms with a certainty never equaled. It will not only destroy the seat worms, or Ascarides, and long, round worms, or Teres, but is the most effectual medicine for the de tion of the Tape Worm ever known. Ten doses have brought as many as FIVE Tape Worms from one person. If your children have any symptoms of worms, try these powders, and in nine cases out of ten, you will nev-er use any other. These are also warranted.

These medicines are all separate, and one for each disease, and each for only one disease. They are not reimmended, as many other medicines are, to cure some fifteen or twenty diseases, and all of different natures, but they are each to cure but one disease, and it at they will do in ninety .nine cases out of every hundred, and where they have a fair trial and fail in all cases, the
