FIRST IN THE FIELD! Tremendous Outpouring of New Styles and Great Destruction of High Prices.

VIROVED & BROTHER, at the old Nusbaum stand, have just received from the city those large and choice assortments of NEW GOODS for which the house occupied by them long since established a name and fame over the counties; and determined, as they are, to keep up its reputation, they made unusual efforts while in the city to secure all the new styles of goods calculated to adorn the fair torms of Heaven's last best gift to man, as well as all that may have a tendency to make the young, middle aged, or old man, look ten time, better than either ever did before. As, however others prefer to dress in plain but strong clothing, they have also provided a bountiful supply of coarser material than Silks or Satins-all which they will sell, WHOLESALE or RE TAIL, at prices that defy Tom, Dick, or Harry, Jew or Gentile, Mahometan or Mormon, Bhuddist, or follower of Confucius, to beat. Our stock comprises as fine an assortment of

LADIES' DRESS GOODS as was ever seen in this or any other country

town, embracing every description and style of

New, Neat and Fashionable,

at prices varying from a few cents to dollars per yard. In other kinds of goods we can show in quality and price, whatever others can produce, and a considerable sprinkling that cannot be found elsewhere-especially in

Cloths, Cassimeres, Satinetts, and we will venture to add, in FALL and WIN-TER GOODS generally. Of Bonnets, Carpet-ing, Hosiery, Gloves, Ribbons, and numberless other small matters, the inquiry need but be made to satisfy any one that they have all been selected with care, purchased at a low price,

and as a uecessary consequence are offered for Groceries, Fish, Salt, &c., are also very low, and offer strong inducements to persons in town and country to call and pur-

BARON LIEBIG in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the Calf. in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."

Dr. HOUGHTON'S PEPSIN has produced the most marvellous effects, in curing cases of Debility, Ema-ciation, Nervous Decline, and Dyspeptic Consumption. It is impossible to give the details of the cases in the limits of this advertisement; but authenticated certificates have been given of more than TWO HUNDRED REMARKABLE CURES, in Philadelphia, New York and Boston, alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful,

useful for tendency to Billious disorder, Liver Complaint, Fever and Ague, and the evil effects of Quinine, Mercury, and other Drugs upon the Digestive Organs, after a long sickness. Also, for excess in eating, and the too free use of ardent spirits. It almost recenciles Health with Intemperance.
