As a body, this Committee exists no longer; though, doubtless, the individual members hold themselves in readiness to act as a unit, should any exigency arise requiring their mutual co operation. It is to be hoped, however, that no such contingency will happen, and that its present disbanding be final and complete. Such is the earnest purpose and desire of the Committee themselves, and nothing will defeat this determination, but some act on the part of their opponents compelling the members to reunite for their own safety.

In this city, the Republicans and the People's party have united upon a local ticket, thereby rendering the election of the reform candidates for our municipal application at this office. offices well nigh certain. There is also but little doubt but the legislative delegation from this district will consist of men pledged to vote for an amnesty act, and to carry out, generally, the views of the party favorable to the Committee.

Great attention is being paid to political affairs throughout the entire State, and how California will cast her vote on the Presidential question is a matter of entire doubt. A notorious highwayman, known as

Tom Bell, has been taken and executed in Tulare county. Several reputed to be of his gang, have also been arrested.

Robberies and murders have been less frequent in the mountains for the last week west, a public street on the south, and Kishaor two, since more stringent measures have been adopted for their suppression.

Colonel Stevens, who had advanced into the Walla country, for the purpose of negotiating a general peace with all the tribes in that quarter, had been obliged to vacate the same, together with such U. S. troops as accompanied him.
