

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

DR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures

Every Kind of Humor

from the worst Scrofula down to a common Pimple. He has tried it in over 100 cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston.

Two bottles are warranted to cure a Nursing Sore Mouth.

One to three bottles will cure the worst kind of Pimples on the Face

Two to three bottles will clean the system of Biles.

Two bottles are warranted to cure the worst Canker in the Mouth and all its varieties.

Three to five bottles are warranted to cure the worst case of Erysipelas.

One to two bottles are warranted to cure all Humors in the eyes.

Two bottles are warranted to cure Rooking of the Ears and Bitching among the Hair.

Four to six bottles are warranted to cure corrupt and running Ulcers.

One bottle will cure Scaly Eruption of the Skin.

Two to three bottles are warranted to cure the worst case of Ringworm.

Two to three bottles are warranted to cure the most desperate case of Rheumatism.

Three to four bottles are warranted to cure the Salt Rheum.

Five to eight bottles will cure the worst case of Scrofula.

A benefit is always experienced from the first bottle and a perfect cure is warranted when the above quantity is taken.

Reader, I enclose you a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that sold an order; after a trial it always speaks for itself. There are two things about this herb that appears to me surprising; first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1836—second, that it should cure all kinds of humor.

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1837, I peddled it and sold about six bottles per day—April, 1841, sold over one thousand bottles per day of it. Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—and since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy it will prove effectual in all cases of that awful malady—there are few who have seen more of it than I have.

I know of several cases of Dropsy, all of them cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the Side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than any medicine ever known.

No change of diet ever necessary—eat the best you get and plenty of it.

Druggists for Use.—Adults one spoonful per day—Children over 10 years, dessert spoonful—Children from 5 to 8 years, tea-spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

GLAD NEWS. Full of Hope to the Afflicted and Suffering!

Many of the Thousand Portals of Death may be closed, and life made happier and more comfortable to thousands who are now in danger.

Doubtless this world contains many a balm to soothe its physical woes and cure its Diseases. Among those prominent rank stands

BOWMAN'S VEGETABLE COMPOUND,

A SAFE and speedy cure for Consumption, not only in those milder forms of Throat and Lung Diseases, such as Colds, Coughs, Quinsy, Difficulty of Breathing, Bronchitis, Ministers' Sore Throat, Weakness of the Chest, Asthma, Inward Ulcer, Spitting of Blood, Influenza, Croup, Whooping Cough, Pleurisy, and all other Hoarseness, Catarrh and Catarrhal Affections, Inflammation of the Lungs, Bleeding of the Lungs, &c. But its superior excellence is seen and tested in the more advanced affections of the Lungs. For the truth of the above statement and the efficacy of the preparation as an antidote, we refer the public to the following testimonial. Language is scarcely strong enough to tell the great power of this wonderful discovery! The doubting may try and be convinced. The proprietors point to the following bona fide certificates with confidence in their authenticity, we refer the public to the following testimonial of the many hundreds of testimonials in our possession:

Mr. H. M. Bowman—Dear Sir:—I feel it my duty to let you know that your compound has done for my daughter, and wish you to publish it if you can in hope that some suffering one may be induced by it to try your valuable medicine and be cured. My daughter was married in 1852, and went to Cincinnati to live, where her husband (James Hoyt) was engaged in business. In six months after her husband died, and she was left a widow, where in four months she was confined and caught cold which settled on her lungs. It seemed as though we could get nothing to help her. We tried six different physicians for over one year and then sent to New York to a celebrated physician there, and she took medicine until it cost her eight months; but it could not cure her—Her cough was fixed and stubborn and seemed as though it would tear her breast during the paroxysm of cough, and her breathing was at times very difficult. Failing to get relief from physicians, we thought we would try Ayer's Cherry Pectoral, and she took it regular for seven weeks, but it did her no permanent good. We then tried Sellers' Imperial Cough Syrup, but with all she still became worse, and it seemed as though she was beyond cure, when one day my wife was in at one of our neighbor's houses (Mr. Mayness) and she saw him give her your Vegetable Compound, and she took it for a cough and she got three or four doses to bring home and try it. After my daughter had taken it she breathed a little easier, and we sent and got a bottle of it, and when it was taken there was a marked change for the better. I then got six bottles, the most of which she took as directed until finally cured in three months since, and she has not had a symptom of the old complaint, and is as lusty as she ever was. We all unite in our prayers to God that you may be prospered and that your Vegetable Compound may be the means of restoring health to many, as it has to one who is dear to us; we cheerfully recommend it to the public. T. H. STANTON, Pastor of the 1st Prot. Meth. Church, Philadelphia.

From Judge Vanhorn, of the District Court at Cincinnati: Cincinnati, May 4, 1856.

I have used Bowman's Vegetable Compound for bronchitis and cough, and believe it to be the best medicine for those diseases, and the only one I ever got to give me any permanent relief. I will cure. I recommend it to the public as an honest and efficient medicine and will perform what it is pledged to do.

WM. VANHORN, Esq., Phila. Pa., Aug. 13, 1856.

Last spring, while in Pittsburgh, I had a bad cold and cough which troubled me much, and a friend of mine gave me a bottle of Bowman's Vegetable Compound for the disease of the throat and lungs, which I commenced taking and found relief almost immediately. I had taken many things for cough and hoarseness but never got anything to help me as it has done. I believe it to be the best antidote for cough and hoarseness that is out, and cheerfully recommend it to the public. T. H. STANTON, Pastor of the 1st Prot. Meth. Church, Philadelphia.
