HINTS UPON HEALTH.

Clothing and Cold Catching.—Colds and coughs, catarrhs and croups, stiff muscles and neuralgic jaws, aching teeth and rheumatic twinges, with frequent inflammations and occasional fevers, are among the calamities usually looked for in "cold, frosty weather." Indeed, the "dreary winter" season, as one-fourth of the year is most unjustly termed, is to many minds suggestive of frozen toes and sore noses, with a long catalogue of intermediate maladies, among which are influenzas, pneumonias, joint-racking rheums, and all bronchial difficulties.

And some doctors, as well as many people, are too apt to suppose that the prevention for all these ills and ailings is to be found wholly in the quantity of the clothing we surround ourselves with.

The Boston Medical Journal, in a late number, on the Hygiene of Dress, makes some judicious observations on the errors of sudden and improper exposures, and advises thick shoes, heavy cloth, abundant furs, and plenty of garments, as the panacea in the matter of keeping the animal temperature above the cold-catching point.

But there is a physiological limit to dress as well as to every other hygienic agent or appliance. "Bundling up," is all very well and very necessary to a certain extent, yet excess of clothing is an evil, and is really one of the frequent causes of a feeble, sensitive, and morbidly susceptible skin, and consequent suffering from exposure so sudden or great alterations of temperature.

Of equal importance with the amount of our clothing is the quality of our blood and the state of its circulation. The skin is the great regulator of animal heat, and one of the principal organs of blood-purification. Hence if we overclothe the body, we certainly lessen its power of self-protection and in the end induce the very evil it is the object of clothing to prevent.

Instead of "piling on" all the clothing we can endure, a much better rule is to dress just as lightly as we can without actual discomfort.

The life principle within, is our main protection against the elements without. And to have the best protection under all circumstances of heat and cold, and of their ever varying vicissitudes, we must keep the vitality in free and vigorous play.

The most prevalent error in dress is too little about the feet and too much about the neck and chest. Since heavy neckerchiefs have been in fashion, throat ails and quinsys have multiplied correspondingly. We have known many persons entirely cured of a tendency to frequent attacks of quinsy, by merely washing the neck each morning in cold water, and substituting a light ribbon around the shirt collar, for the repudiated heavy stock or thick cravat.

GLAD NEWS.

Full of Hope to the Afflicted and Suffering!

Many of the Thousand Portals of Death may be closed, and life made happier and more comfortable to thousands who are now in danger. Doubtless this world contains many a balm to sooth its physical woes and cure its Diseases. Among those in prominent rank stands

BOWMAN'S

VEGETABLE COMPOUND,

A SAFE and speedy cure for Consumption, not only in those milder forms of Throat and Lung Diseases, such as Colds, Coughs, Quinsey, Difficulty of Breathing, Bronchitis, Ministers' Sore Throat, Weakness of the Chest, Asthma, Inward Ulcer, Spitting of Blood, Influenza, Croup, Whooping Cough, Pain in the Breast and Side, Hoarseness, Catarrh and Catarrhal Affections, Inflammation of the Lungs, Bleeding of the Lungs, &c. But its superior excellence is seen and tested in the more advanced affections of the Lungs. For the truth of the above statement and the efficiency of the preparation as an antidote, we refer the public to the following testimonials. Language is scarcely strong enough to tell the great power of this wonderful discovery! The doubting may try and be convinced. The proprietors point to the following *bona fide* certificates with confidence in their influence on the community; they are but samples of the many hundreds of testimonials in our possession:

Allegheny, July 19, 1856

Mr. H. M. Bowman—Dear Sir:—I feel it my duty to let you know what your compound has done for my daughter, and wish you to publish it if you can in hope that some suffering one may be induced by it to try your valuable medicine and be cured. My daughter was married in 1853, and went to Cincinnati to live, where her husband (James Hoyt,) was engaged in business. In six months after her husband died, and I sent for her to come home, where in four months she was confined and caught cold which settled on her lungs. It seemed as though we could get nothing to help her. We tried six different physicians for over one year and then sent to New York to a celebrated physician there, and she took medicine from him for eight months; but he could not cure her.—Her cough was fixed and stubborn and seemed as though it would tear her breast during the paroxysm of cough, and her breathing was at times very difficult. Failing to get relief from physicians, we thought we would try Ayer's Cherry Pectoral, and she took it regular for seven weeks, but it did her no permanent good. We then tried Sellers' Imperial Cough Syrup, but with all she still became worse, and it seemed as though she was beyond cure, when one day my wife was in at one of our neighbor's houses (Mr. Mayness') and she saw them give your Vegetable Compound to one of their children for a cough and she got three or four doses to bring home and try it. After my daughter had taken it she breathed a little easier, and we sent and got a bottle of it, and when it was taken there was a marked change for the better. I then got six bottles, the most of which she took as directed until finally cured—it is three months since, and she has not had a symptom of the old complaint, and is getting as lusty as she ever was. We all unite in our prayers to God that you may be prospered and that your Vegetable Compound may be the means of restoring health to many, as it has to one who is dear to us; we cheerfully recommend it to the public as the best medicine for Lung Diseases that we ever got hold of. Try it suffering one and see. Believe me, my dear sir, to ever remain

Your earnest friend,
THOS. H. BANKS.

Philadelphia, Aug. 13, 1856.

Last spring, while in Pittsburgh, I had a bad cold and cough which troubled me much, and a friend of mine gave me a bottle of Bowman's Vegetable Compound for diseases of the throat and lungs, which I commenced taking and found relief almost immediately. I had taken many things for cough and hoarseness but never got anything to help me as it has done. I believe it to be the best antidote for coughs and hoarseness that is out, and cheerfully recommend it to the public. T. H. STANTON,

Pastor of the 1st Prot. Meth. Church, Philadelphia.

From Judge Vanhorn, of the District Court at Cincinnati:

Cincinnati, May 3, 1856.

I have used Bowman's Vegetable Compound for bronchitis and cough, and believe it to be the best medicine out for those diseases, and the only one I ever got to give me any persistent relief. *It will cure.* I recommend it to the public as an honest and efficient medicine and will perform what it is published to do.

WM. VANHORN, Esq.

TO THE PUBLIC.

I have used Bowman's Vegetable Compound in my family for coughs, colds, and ministers' sore throat and believe it to be the best thing that I ever got for those complaints, and cheerfully recommend it to the public.

Rev. JACOB GASTON,
Pastor of the Clinton street M. E. Church,
June 10, 18.6. Cincinnati.

Here is one from the old pioneer Methodist preacher of Ohio, Rev. J. B. Finley:

I believe Bowman's Vegetable Compound to be the best remedy for diseased throat and lungs, of the day. I have tested it, and found it to be the best of all the popular remedies I ever tried, and I have tried very many. I recommend it to the public—try it and you will be convinced of its superiority. Rev. J. B. FINLEY.

Cincinnati, July 12, 1856.

Hear what the celebrated Dr. Peck says:

I have used Bowman's Vegetable Compound for cough and hoarseness in speaking; and believe it to be the best preparation for throat and lung complaints I ever got, and I recommend it to the public as a speaker and singer as well as those afflicted with lung diseases. J. T. PECK

New York, May 12, 1856.

Hear what Dr. Benson, of Cincinnati, says—(extract from a letter):

Bowman's Vegetable Compound contains a virtue that is not possessed by any other popular medicine in my knowledge. It does not only smooth the disease over, giving it only temporary relief (like most of patent medicines), but it commences at the root of the disease and *performs a perfect cure.* G. W. BENSON, M. THE GREATEST

MEDICAL DISCOVERY

OF THE AGE.

DR. KENNEDY, of Roxbury, has discovered in one of our *common pasture weeds* a remedy that cures

Every Kind of Humor

from the worst Scrofula down to a common Pimple.

HE has tried it in over 1100 cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing Sore Mouth.

One to three bottles will cure the worst kind of Pimples on the Face

Two to three bottles will clean the system of Biles.

Two bottles are warranted to cure the worst Canker in the Mouth and Stomach.

Three to five bottles are warranted to cure the worst case of Erysipelas.

One to two bottles are warranted to cure all Humor in the eyes.

Two bottles are warranted to cure Running of the Ears and Blotches among the Hair.

Four to six bottles are warranted to cure corrupt and running Ulcers.

One bottle will cure Scaly Eruption of the Skin.

Two to three bottles are warranted to cure the worst case of Ringworm.

Two to three bottles are warranted to cure the most desperate case of Rheumatism.

Three to four bottles are warranted to cure the Salt Rheum.

Five to eight bottles will cure the worst case of Scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that sold another; after a trial it always speaks for itself. There are two things about this herb that appears to me surprising; first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second, that it should cure all kinds of humor.

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day of it.

Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it will prove effectual in all cases of that awful malady—there are few who have seen more of it than I have.

I know of several cases of Dropsy, all of them aged people, cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the Side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than any medicine ever known.

No change of diet ever necessary—eat the best you get and plenty of it.

DIRECTIONS FOR USE.—Adults one table spoonful per day—Children over 10 years, dessert spoonful—Children from 5 to 8 years, tea-spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

HIGHLY IMPORTANT TO FARMERS.

M. M. FAXON'S

Attachment of Vulcanized India Rubber Spring to the Tubes of Grain Drills.

THE undersigned, having perfected an arrangement for the attachment of a Gum Spring to the Tubes and Drag Bars of Grain Drills, is happy to inform Farmers and all others interested in the growing of Wheat and other grains, that he is prepared to furnish GRAIN DRILLS, with the above article attached, at the shortest notice, at his Foundry, in McVeytown, Pa. Seeders have become an almost indispensable article to the Farmer, and he will find that the attachment of the Gum Spring will enhance its value at least one-half. All the detention and trouble caused by the breaking of wooden pins is entirely done away with by this arrangement, and a man, or boy, can perform nearly double the labor that he could under the old plan, with much greater ease, both to himself and horses. There need be no fear of the Spring breaking, for if there is an article that will neither break, rot, or wear out, the Gum Spring is that article, and I hazard nothing in saying that my Grain Drill is the simplest in construction, most economical in performance, and therefore the most durable ever offered to the agricultural public. The feed is so arranged that it will sow 1, 1½, 1¾, 1¾, and 2 bushels per acre. Persons desiring one for the coming seeding are requested to send in their orders as early as possible. Direct to McVeytown, Mifflin county, Pa., or F. G. FRANCISCUS, Lewistown; E. L. FAXON, Hollidaysburg, Blair'co., Pa.; BOYER & BRO., Harrisburg, Pa., who are authorized to act as agents, and from whom any further information may be obtained.

PRICE OF DRILLS, with the attachment, $75. Farmers who already have drills, can have them altered, and the India Rubber Spring attached, for from $10 to $15.

☞All branches of the FOUNDRY BUSINESS still carried on, for which orders are respectfully solicited.

THE STATE SAVINGS FUND!

Office, next door to the Post Office, No. 83 Dock Street, Philadelphia.

1854.

INTEREST FIVE PER CENT.

All Sums of Money Returned on Demand.

THE STATE SAVINGS FUND, No. 83, Dock Street, next door to Third Street, and adjoining the Post Office, receives Money on deposit daily, from 9 in the morning until 3 in the afternoon; also Monday evenings from 7 to 9 o'clock. Interest is allowed on deposits at the rate of FIVE PER CENT. per annum. Deposits will be returned in whole or in part on demand, without notice.

The popularity of this Office with all classes of the community, both in town and country, and its consequent success, may be ascribed, in part, to the following substantial reasons:

1st. It offers a convenient, responsible, and profitable Depository to Executors, Administrators, Assignees, Collectors, Agents, and all public officers—to Attorneys, Trustees, Societies and Associations, whether incorporated or otherwise—to married or single ladies—to Students, Merchants, Clerks, and business men generally—to Mechanics, Farmers, Minors of either sex, and all who have funds, much or little, to deposit, where they may be had at any time with Five per cent. interest added.

2d. Depositors receive Books, with an abstract of the By-Laws and regulations, in which is entered their deposits, which Books serve as vouchers. They may designate, in case of sickness, death, or absence, who shall receive their deposits, without the intervention of Executors or Administrators. Any one or more persons may deposit in his, her, or their name, or *for* any other person or persons.

3d. A Report is made each year to the Legislature and Councils of the City.

4th. The Officers are sworn before they enter upon their duties, in addition to giving Bonds with sureties.

5th. The State Savings Fund is a *real* Savings Fund—*not* an Insurance and Trust Company. Our large list of Depositors and the Philadelphia public, have been careful to observe that the charter avoids the business and risk of insurance.

6th. In order to afford every reasonable facility to Depositors who reside at a distance from the office, their deposits are permitted to be withdrawn by checks, after the manner customary with the Banks. Check Books will be furnished to depositors without charge.

The *popular* patronage bestowed upon this office by a proverbially cautious and discriminating community, and where the character of the institution is best known, is a gratifying fact to which the Trustees desire to call attention.

LET US REASON TOGETHER.

HOLLOWAY'S PILLS.

WHY ARE WE SICK?

IT has been the lot of the human race to be weighed down by disease and suffering. HOLLOWAY'S PILLS are specially adapted to the relief of the WEAK, the NERVOUS, the DELICATE, and the INFIRM, of all climes, ages, sexes, and constitutions. Professor Holloway personally superintends the manufacture of his medicines in the United States, and offers them to a free and enlightened people, as the best remedy the world ever saw for the removal of disease.

THESE PILLS PURIFY THE BLOOD.

These famous Pills are expressly combined to operate on the stomach, the liver, the kidneys, the lungs, the skin, and the bowels, correcting any derangement in their functions, purifying the blood, the very fountain of life, and thus curing disease in all its forms.

DYSPEPSIA AND LIVER COMPLAINTS.

Nearly half the human race have taken these Pills. It has been proved in all parts of the world, that nothing has been found equal to them in cases of disorders of the liver, dyspepsia, and stomach complaints generally. They soon give a healthy tone to these organs, however much deranged, and when all other means have failed.

GENERAL DEBILITY. ILL HEALTH.

Many of the most despotic Governments have opened their Custom Houses to the introduction of these Pills, that they may become the medicine of the masses.—Learned Colleges admit that this medicine is the best remedy ever known for persons of delicate health, or where the system has been impaired, as its invigorating properties never fail to afford relief.

FEMALE COMPLAINTS.

No Female, young or old, should be without this celebrated medicine. It corrects and regulates the monthly courses at all periods, acting in many cases like a charm. It is also the best and safest medicine that can be given to Children of all ages, and for any complaint; consequently no family should be without it.

Holloway's Pills are the best remedy known in the world for the following Diseases:

Asthma	Diarrhœa	Indigestion	Secondary
Bowel Complaints	Dropsy	Influenza	Symptoms
Coughs	Debility	Inflammation	Inward weakness
Colds	Fever and Ague	Venereal Affections	Liver complaints
Chest Diseases	Female Complaints	Worms of all kinds	Lowness of Spirits

CHERRY PECTORAL,

For the rapid Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

TO CURE A COLD, with Headache and Soreness of the Body. Take the Cherry Pectoral on going to bed and wrap up warm, to sweat during the night.

FOR A COLD AND COUGH, take it morning, noon and evening, according to directions on the bottle, and the difficulty will soon be removed. None will long suffer from this trouble when they find it can be so readily cured. Persons afflicted with a seated cough, which breaks them of their rest at night, will find by taking the Cherry Pectoral that on going to bed, they may be sure of sound, unbroken sleep, and consequent refreshing rest. Great relief from suffering, and an ultimate cure, is afforded to thousands who are thus afflicted, by this invaluable remedy. From its agreeable effects in these cases, many find themselves unwilling to forego its use when the necessity for it has ceased.

TO SINGERS AND PUBLIC SPEAKERS this remedy is invaluable, as by its action on the throat and lungs, when taken in small quantities, it removes all hoarseness in a few hours, and wonderfully increases the power and flexibility of the voice.

ASTHMA is generally much relieved, and often wholly cured by Cherry Pectoral. But there are some cases so obstinate as to yield entirely to no medicine. Cherry Pectoral will cure them if they can be cured.

BRONCHITIS, or irritation of the throat and upper portion of the lungs, may be cured by taking Cherry Pectoral in small and frequent doses. The uncomfortable oppression is soon relieved.

FOR CROUP. Give an emetic of antimony, to be followed by large and frequent doses of the Cherry Pectoral until it subdues the disease. If taken in season, it will not fail to cure.

WHOOPING COUGH may be broken up and soon cured by the use of Cherry Pectoral.

THE INFLUENZA is speedily removed by this remedy. Numerous instances have been noticed where whole families were protected from any serious consequences, while their neighbors without the Cherry Pectoral, were suffering from the disease.

FOR CONSUMPTION in its earliest stages, it should be taken under the advice of a good physician if possible, and in every case with a careful regard to the printed directions on the bottle. If judiciously used, and the patient is carefully nursed meantime, it will seldom fail to subdue the disease.

For settled Consumption of the Lungs, the Cherry Pectoral should be given in doses adapted to what the patient requires and can bear. It always affords relief, and not unfrequently cures patients that were considered past hope. There are many thousands scattered all over the country, who feel and publicly proclaim that they owe their lives and present health to the Cherry Pectoral.

Many years of trial, instead of impairing the public confidence in this medicine, has won for it an appreciation and notoriety by far exceeding the most sanguine expectation of its friends. Nothing but its intrinsic virtues and the unmistakeable benefit conferred on thousands of sufferers, could originate and maintain the reputation it enjoys. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.

While it is a fraud on the public to pretend that any one medicine will infallibly cure—still there is abundant proof that the Cherry Pectoral does not only as a general thing, but almost invariably cure the maladies for which it is employed. As time makes these facts wider and better known, this medicine has gradually become the best reliance of the afflicted, from the log-cabin of the American Peasant, to the palaces of European Kings.

The CHERRY PECTORAL is manufactured by a practical Chemist, and every ounce of it under his own eye, with invariable accuracy and care. It is sealed and protected by law from counterfeits, consequently can be relied on as genuine without adulteration.

Prepared and sold by JAMES C. AYER, Practical and Analytical Chemist, Lowell, Mass.

W. G. ZOLLINGER,

Market street, Lewistown, next door to Kennedy's store.

Respectfully invites all who desire to improve their upper stories with a neat and fashionable topping, to call at his store, where they will find a good assortment of Hats, manufactured under his immediate superintendence by competent and faithful workmen, or should a fit not be on hand, a hat of any description can be got at short notice, all of which are warranted to be equal, if not superior, to any sold either in Lewistown or any other place in or out of this State. There is no gammon about this, no idle boasting, as the people can learn for themselves by making the inquiry and trial.

For the Omish he has constantly on hand, or will make to order, hats to their taste of any required size or brim, at prices that cannot fail to be satisfactory.

Country Merchants will find it to their advantage to give me a call, as a liberal deduction will be made on wholesale purchases, and especially so to punctual men.

Thankful for the liberal patronage heretofore received, his study will be to please all who may favor him with their custom in future, and trusts that as the times are hard, eatables high, and other things in proportion, the mass will act as much as possible on the cash system or at least on the saying that "short credits make long friends." feb20
