AYER'S PILLS

Are curing the Sick to an extent never before known of any Medicine. INVALIDS, READ AND JUDGE FOR YOURSELVES.

JULES HAUER, Esq., the well known perfumer, of Chestnut Street, Philadelphia, whose choice products are found at almost every toilet, says: "I am happy to say of AYER'S PILLS, that I have found them a better family medicine, for common use, than any other within my knowledge. Many of my friends have realized marked benefits from them, and coincide with me in believing that they possess extraordinary virtues for driving out diseases and curing the sick. They are not only effectual, but pleasant to be taken, and of a quality which must make them valued by the public, when they are known."

The venerable Chancellor WARDLAW writes from Baltimore, 15th April, 1854: "Dr. J. C. Ayer—Sir: I have taken your Pills with great benefit, for the biliousness, languor, loss of appetite, and bilious headache, which has of late years overtaken me in the spring. A few doses of your Pills cured me. I have used your Cherry Pectoral many years in my family for coughs and colds with unfailing success. You make medicines which cure; and I feel it a pleasure to commend you for the good you have done and are doing."

JOHN F. BEATTY, Esq., Sec. of the Penn. Railroad Co. says: "I have been suffering in addition to my ordinary ailments, for several years, with a bilious and nervous headache, indigestion, constipation, and the great variety of diseases that follow, they are a sure remedy than any other. In all cases where a purgative remedy is required, I confidently recommend these Pills to the public, as superior to any other I have ever used. They are safe in their operation, and perfectly safe—qualities which make them an invaluable article for public use. I have for many years known your Cherry Pectoral as the best Cough medicine in the world; and these Pills are in no wise inferior to that admirable preparation for the treatment of diseases."

"Atom, Mo., Nov. 25, 1855. "Dr. J. C. Ayer—Dear Sir: I have been afflicted from my birth with scrofula in its worst form, and now, after twenty years' trial, and an untold amount of suffering, have been completely cured in a few weeks by your Pills. With what feelings of gratitude I write can only be imagined when you realize what I have suffered, and how long."

"Never until now have I been free from this horrid disease in its shape. At times it attacked my eyes, and made me almost blind, besides the unendurable pain; at others it settled in the scalp of my head, and destroyed my hair, and has kept me partly bald all my days; sometimes it came out in my face, and kept it for months a raw sore. About nine weeks ago I commenced taking your Cathartic Pills, and now an entirely new man has emerged. My eyes are well, my skin is fair, and my hair has commenced a healthy growth; all of which makes me feel already a new person."

"Having this statement may be the means of conveying information that shall do good to others, I am, with every sentiment of gratitude, Yours, &c. MARIA RICKER."

"I have known the above named Maria Ricker from her childhood, and her statement is strictly true. ANDREW A. MUSGRAVE, Overseer of the Portsmouth Manufacturing Co."

CAPT. JOEL PRATT, of the ship Marion, writes from Boston, 20th April, 1854: "Your Pills have cured me from a bilious attack which arose from derangement of the liver, had become very serious. I had failed of any relief by my Physician and had given every remedy I could try; but a few doses of your Pills have completely restored me to health. I have given them to my children for worms, with the best effect. They were promptly cured. I recommended them to a friend for constiveness, which had troubled him for months; he told me in a few days they had cured him. You make the best medicine in the world; and I am free to say so."

Read this from the distinguished Solicitor of the Supreme Court, whose brilliant abilities have made him well known, not only in this but the neighboring States. "New Orleans, 5th April, 1854. "Sir: I have great satisfaction in assuring you that myself and family have been very much benefited by your medicines. My wife was cured, two years since, of a severe and dangerous cough, by your CHERRY PECTORAL, and since then has enjoyed perfect health. My children have several times been cured from attacks of the Influenza and Croup by it. It is an invaluable remedy for these complaints. Your CATHARTIC PILLS have entirely cured me from a dyspepsia and constiveness, which has grown upon me for some years.—indeed, this cure is much more important, from the fact that I had failed to get relief from the best Physicians which this section of the country affords, and from any of the numerous remedies I had taken.

"You seem to us, Doctor, like a providential blessing to our family, and you may well suppose we are not ungrateful of it. Yours respectfully, LEAVITT THAXTER."

"Savannah, Ga., April 24, 1854. "Dr. J. C. Ayer—Honored Sir: I have made a thorough trial of the CATHARTIC PILLS, left me by your agent, and have been cured by them of the dreadful Rheumatism under which he found me suffering. The first dose relieved me, and a few subsequent doses have entirely removed the disease. I feel in better health now than for some years before, which I attribute entirely to the effects of your CATHARTIC PILLS. Yours with great respect, LUCIUS B. METCALF."

The above are all from persons who are publicly known where they reside, and who would not make these statements without a thorough conviction that they were true. Prepared by J. C. AYER, Practical and Analytical Chemist, Lowell, Mass.
