

**AYER'S**  
**CATHARTIC PILLS**  
 OPERATE by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquirers.

**FOR COSTIVENESS.**—Take one or two Pills, or such quantity as gently moves the bowels. Costiveness is frequently the aggravating cause of PILES, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved.

**FOR DYSPEPSIA,** which is sometimes the cause of Costiveness, and always uncomfortable, take mild doses — from one to four — to stimulate the stomach and liver into healthy action. They will cure the heartburn, bloating, and sourness of dyspepsia which rapidly disappear. When it has gone, don't forget what cured you.

**FOR A FOUL STOMACH,** or *Nervid Inaction of the Bowels,* which is a general depression of the spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system.

**FOR NERVOUSNESS, SICK HEADACHE, NAUSEA, Pain in the Stomach, Back, or Side,** take from four to eight Pills on going to bed. If they do not operate sufficiently, take more the next day until they do. These complaints will be swept out from the system. Don't let these and other kindred disorders because your stomach is foul.

**FOR SCROFULA, ERYSIPELAS, and all Diseases of the Skin,** take the Pills freely and frequently, to keep the bowels open. The eruptions will gradually subside, and the system will be purified. Many deep ulcers and sores have been healed up by the purging and purifying effects of these Pills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their action, leaving the sufferer in perfect health. Patients! your duty to society forbids that you should parade yourself around the world covered with pimples, boils, ulcers, sores, and all other of the unclean diseases of the skin, because your system wants cleansing.

**TO PURIFY THE BLOOD,** they are the best medicine ever discovered. They should be taken freely and frequently, and the impurities which so often begin to taint the blood, and disfigure the system like chaff before the wind. By this property they do as much good in preventing sickness as by the remarkable cures which they are making every where.

**LIVER COMPLAINT, JAUNDICE, and all Bilious Affections** arise from some derangement — either torpidity, congestion, or obstruction of the Liver. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with its long and dangerous train of evils. Costiveness, or alternately costiveness and diarrhoea, prevails. Feverish symptoms, languor, low spirits, weariness, restlessness, and melancholy, with sometimes inability to sleep, and sometimes great drowsiness; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach aches; the bowels sore to the touch; the whole system is diseased, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious diarrhoea, dysentery, &c. A medium dose of three or four Pills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked to suffer such pains when you can cure them for 25 cents.

**RHEUMATISM, GOUT, and all Inflammatory Fevers** are rapidly cured by the purifying effects of these Pills upon the blood, and the stimulus which they afford to the vital principle of Life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently, but freely.

**As a DINNER PILL,** this is both agreeable and useful. No Pill can be made more pleasant to take, and certainly none has been made more effectual to the purpose for which a dinner pill is employed.

**THE GREATEST MEDICAL DISCOVERY OF THE AGE.**

**DR. KENNEDY,** of Roxbury, has discovered in one of our common pasture weeds a remedy that cures  
**Every Kind of Humor**  
 from the worst Scrofula down to a common Pimple. HE has tried it in over 1000 cases, and never failed except in two cases, (both thunder humors). He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston. Two bottles are warranted to cure a nursing Sore Mouth.

One to three bottles will cure the worst kind of Pimples on the Face.  
 Two to three bottles will clean the system of Biles.  
 Two bottles are warranted to cure the worst Canker in the Mouth and Stomach.  
 Three to five bottles are warranted to cure the worst case of Erysipelas.  
 One to two bottles are warranted to cure all Humor in the eyes.  
 Two bottles are warranted to cure Running of the Ears and Blotches among the Hair.  
 Four to six bottles are warranted to cure corrupt and running Ulcers.  
 One bottle will cure Scaly Eruption of the Skin.  
 Two to three bottles are warranted to cure the worst case of Ringworms.  
 Two to three bottles are warranted to cure the most desperate case of Rheumatism.  
 Three to four bottles are warranted to cure the Salt Rheum of the Face.  
 Five to eight bottles will cure the worst case of Scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantities are taken.  
 Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that sold another; after a trial it always speaks for itself. There are two things about this herb that appears to me surprising; first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second, that it should cure all kinds of humor.

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1854, I peddled it and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day of it. Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicine was ever like it. There is a universal praise of it from all quarters.  
 In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it will prove effectual in all cases of that awful malady—there are few who have seen more of it than I have.  
 I know of several cases of Dropsy, all of them cured by a few bottles. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the Side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than any medicine ever known.  
 No change of diet ever necessary—eat the best you get and plenty of it.  
 DIRECTIONS FOR USE.—Adults one table spoonful per day—Children—over 10 years, dessert spoonful—Children from 5 to 10 years, two spoonfuls. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day, as manufactured by

**HIGHLY IMPORTANT TO FARMERS.**  
**M. M. FAXON'S**  
**Attachment of Vulcanized India Rubber Spring to the Tubes of Grain Drills.**  
 THE undersigned, having perfected an arrangement for the attachment of a Gum Spring to the Tubes and Drag Bars of Grain Drills, is happy to inform Farmers and all others interested in the growing of Wheat and other grains, that he is prepared to furnish GRAM DRILLS, with the above article attached, at the shortest notice, at his Foundry, in McVeytown, Pa. Seeders have become an almost indispensable article to the Farmer, and he will find that the attachment of the Gum Spring to the tubes of the drill, will save him the labor and trouble caused by the breaking of wooden pins, entirely done away with by this arrangement, and a man, or boy, can perform nearly double the labor that he could under the old plan, with much greater ease, both to himself and horse. There need be no fear of the Spring breaking, for if there is an article that will neither break, rot, or wear out, the Gum Spring is that article, and a hazard nothing in saying that my Grain Drill is the simplest in construction, most economical in performance, and therefore the most durable ever offered to the agricultural public. The fee is so arranged that it will sow 1, 1 1/2, 1 3/4, and 2 bushels per acre. Persons desiring one for the coming season are requested to send in their orders as early as possible. Direct to McVeytown, McVeytown, Pa., or F. G. FRANCISCUS, Lewistown; or E. F. FAXON, Hollidaysburg, Blair Co., Pa.; or BOYER & BRO., Harrisburg, Pa., who are authorized to act as agents, and from whom any further information may be obtained.  
 PRICE OF DRILLS, with the attachment, \$75. Farmers who already have drills, can have them altered, and the Rubber Spring attached, for \$30 to \$40.  
 All branches of the FOUNDRY BUSINESS are still carried on, for which orders are respectfully solicited.

**GLAD NEWS. Full of Hope to the Afflicted and Suffering!**

Many of the Thousand Portals of Death may be closed, and life made happier and more comfortable to thousands who are now in danger. Doubtless this world contains many a pain to its physical soul and cure to its Disease. Among those in prominent rank stands  
**BOWMAN'S VEGETABLE COMPOUND,**  
 A SAFE and speedy cure for Consumption, not only in those milder forms of Throat and Lung Diseases, such as Colds, Coughs, Quinsy, Difficulty of Breathing, Bronchitis, Ministers' Sore Throat, Weakness of the Chest, Asthma, Hoarseness, Spitting of Blood, Croup, Whooping Cough, Pain in the Breast and Side, Hoarseness, Catarrh and Catarrhal Affections, Inflammation of the Lungs, Bleeding of the Lungs, &c. But its superior excellence is seen and tested in the more advanced affections of the lungs. For the truth of the above statement and the efficiency of the preparation as an antidote, we refer the public to the following testimonials. Language is scarcely strong enough to tell the great power of this wonderful discovery! The doubting may try and be convinced. The proprietors point to the following bona fide certificates of confidence in their influence on the community; they are but samples of the many hundreds of testimonials in our possession:  
 Allegheny, July 19, 1856.

Mr. H. M. Bowman—Dear Sir—I feel it my duty to you to let you know what your compound has done for my daughter, and wish you to publish it if you can in hope that some suffering one may be induced by it to try your valuable medicine and be cured. My daughter was married in 1853, and went to Cincinnati to live, where her husband (James Hoyt) was engaged in business. In six months she and her husband died, and she came home, where in four months she was confined and brought cold which settled on her lungs. It seemed as though we could get nothing to help her. We tried six different physicians for over one year and then sent to New York to a celebrated physician there, and she took medicine from him for eight months; but she could not get any better. Her cough was fixed and stubborn and seemed as though it would tear her breast during the paroxysm of cough, and her breathing was at times very difficult. Failing to get relief from physicians, we thought we would try Ayer's Cherry Pectoral, and she took it regular for seven weeks, but did her no permanent good. We then tried Sellers' Imperial Cough Syrup, but with all she still became worse, and it seemed as though she was beyond cure, when one day my wife was in one of our neighbor's houses (Mr. Meyers') and she saw and took your Vegetable Compound out of their children for a cough and she got that for her no permanent good. We then tried it. After my daughter had taken it she breathed a little easier, and we sent and got a bottle of it, and when it was taken there was a marked change for the better. I then got six bottles, the most of which she took as directed until she cured—it is three months since she has not had a symptom of the old complaint, and she is getting lusty as she ever was. We all unite in our prayers to God that you may be prospered and that your Vegetable Compound may be the means of restoring health to many, as it has to one who is dear to us; we cheerfully recommend it to the public as the best medicine for Lung Diseases that we ever got hold of. Try it suffering one and see. Believe me, my dear Sir, to ever remain  
 Your earnest friend,  
 THOS. H. BANKS,  
 Philadelphia, Aug. 13, 1856.

Last spring, while in Pittsburgh, I had a bad cold which troubled me much, and a friend of mine gave me a bottle of Bowman's Vegetable Compound for diseases of the throat and lungs, which I commenced taking and found relief almost immediately. I had taken many things for cough and hoarseness but never got anything to help me as it has done. I believe it to be the best medicine for cough and hoarseness that is now, and I cheerfully recommend it to the public. T. H. STANTON,  
 Pastor of the 1st Prot. Meth. Church, Philadelphia.  
 From Judge Vanhorn, of the District Court at Cincinnati: Cincinnati, May 4, 1856.  
 I have used Bowman's Vegetable Compound for bronchitis and cough, and believe it to be the best medicine for these diseases, and the only one I ever got hold of me any permanent relief. It will cure, I recommend it to the public as an honest and efficient medicine and will perform what it is published to do.  
 W. M. VANHORN, Esq.

**TO THE PUBLIC.**  
 I have used Bowman's Vegetable Compound in my family for coughs, colds, and ministers' sore throat and believe it to be the best thing that I ever got for those complaints, and cheerfully recommend it to the public.  
 Rev. JACOB GASTON,  
 Pastor of the Clinton-street M. E. Church, Cincinnati, Ohio.  
 Here is one from the old pioneer Methodist preacher of Ohio, Rev. J. B. Finley:  
 I believe Bowman's Vegetable Compound to be the best remedy for diseased throat and lungs, of the day. I have tested it, and found it to be the best of all the popular remedies I ever tried, and I have tried very many. I recommend it to the public—try it and you will be convinced of its superiority.  
 Rev. J. B. FINLEY,  
 Cincinnati, July 19, 1856.  
 Hear what the celebrated Dr. Peck says:  
 I have used Bowman's Vegetable Compound for coughs and hoarseness in speaking; and believe it to be the best preparation for throat and lung complaints I ever got; and I recommend it to the public as the best medicine for all who are afflicted with lung diseases.  
 J. T. PECK,  
 New York, May 12, 1856.  
 Hear what Dr. Benson, of Cincinnati, says—(extract from a letter):  
 Bowman's Vegetable Compound contains a virtue that is not possessed by any other popular medicine in my knowledge. It does not only cure the disease over, it gives it a temporary relief (I like most of patent medicines), but it commences at the root of the disease and performs a perfect cure.

**THE STATE SAVINGS FUND!**  
 Office, next door to the Post Office, No. 83 Dock Street, Philadelphia, 1856.  
**INTEREST FIVE PER CENT.**  
 All Sums of Money Returned on Demand.

THE STATE SAVINGS FUND, No. 83, Dock Street, next door to Third Street, and adjoining the Post Office, receives Money on deposit daily, from 9 in the morning until 2 in the afternoon; also Monday evenings from 7 to 9 o'clock. Interest is allowed on deposits at the rate of FIVE PER CENT. per annum. Deposits will be returned in whole or in part on demand, without notice.  
 The popularity of this Office with all classes of the community, both in town and country, and its consequent success, may be ascribed, in part, to the following substantial reasons:  
 1st. Its convenient, responsible, and profitable Depository to Executors, Administrators, Assignees, Collectors, Agents, and all public officers—to Attorneys, Trustees, Societies and Associations, whether incorporated or otherwise—to married or single Ladies—to Students, Merchants, Clerks, and business men generally—to Mechanics, Farmers, Minors of either sex, and all who have funds, much or little, to deposit, where they may be had at any time with Five per cent. interest added.  
 2d. Depositors receive Books, with an abstract of the By-Laws and regulations, in which it is entered their deposits, which Books serve as vouchers. They may designate, in case of sickness, death, or absence, who shall receive their deposits, without the intervention of Executors or Administrators. Any one or more persons may deposit in his, her, or their name, or for any other person or persons.  
 3d. A Report is made each year to the Legislature and Councils of the City.  
 4th. The Officers are sworn before they enter upon their duties, in addition to giving Bonds with securities.  
 5th. The State Savings Fund is a real Savings Fund—not an Insurance and Trust Company. Our large list of Depositors and the Philadelphia public, have been careful to observe that the charter avoids the business and risk of insurance.  
 6th. In order to afford every reasonable facility to Depositors who reside at a distance from the office, their deposits are permitted to be withdrawn by checks, after the manner customary with the Banks. Check Books will be furnished to depositors without charge.  
 The popular patronage bestowed upon this office by a proverbially cautious and discriminating community, and where the character of the institution is best known, is a gratifying fact to which the Trustees desire to call attention.

**GRAND EXHIBITION CONTINUED.**

THE elections being over and the exhibition attending them passed away, and it is considered dangerous nowadays to keep on a bank note, the proprietor of the People's Store would again invite attention to his magnificent depository for replenishing the outer man woman on the scientific principle of new money, which accommodating establishment in East Market street, and can readily distinguish from all others by its beautiful goods and wares and "that flag which, like the Stars and Stripes, is everywhere." The Ladies, gentlemen, merchants, traders, farmers, laborers, and all are therefore invited to a grand display of new money (free) of a most extensive, beautiful, cheap stock of Staple and Fancy Goods, exhibiting and remaining open every morning, afternoon and evening until further notice, all concerned are requested to call early, procure good seats. The performance commences early in the morning with an extensive melo-drama entitled

**DRY GOODS**  
 comprising in part Broche Silks, 75 cents; Gossams from 6 1/2 to 25 cents; White Goods, as Swiss, Victoria, Lawn, Swiss Lawn, Book Muslins, Brillants, Bows and Jacone Edgings and Insertings, Flouncings, Collars, Sleeves, Challeys, Boreges, Mohair Mitts, and Kid Gloves, Hosiery, and hundreds of other articles in daily use.  
 Scene second will open with a grand display of Stella, Crape, Cashmere, Delaine, and numberless other

**SEA WLS,**  
 (Crape Shawls from \$6 up) which for beauty, neatness, fineness, finish, cheapness, and all other et cetera, exceeds anything of the kind before displayed to the ladies. This scene the admiration of all who have seen it, is from town and country, and alone is worth a visit from the extreme ends of the county.  
 Scene third will be an unrivalled exhibition of **CLOTHS AND CASSIMERES** all colors, shades, and prices, of exquisite material, and so beautiful when made up, that young lady of our acquaintance had for several days an idea of setting her cap for a handsome gentleman she had seen across the street, in the dress up, when she discovered it was her own dress!  
 Scene fourth will be a display of a choice selection of **GROCERIES**, intended exclusively for family use, comprising every article usually sold in that line, and of course cheap, whether quality or price be considered.  
 An intermission of some time will here be allowed in order to give the audience an opportunity of examining an extensive stock of **READY-MADE CLOTHING,** well made out of good material, and cut out on scientific principles.  
 The fifth scene will present a rich and varied stock of **Queensware and Glassware**, with side views of Boots and Shoes, Canteen, Ladies' Gaiters, and sundry other matters pertaining to the eye and purse.  
 The sixth scene is a rare spectacle of **BONNETS AND BONNET TRIMMINGS**, which always produces a marked sensation among the ladies, and is frequently encircled. This is really fine.  
 This is the general routine of the exhibition, but the scenes are often varied by the introduction of other articles, use, ornamental and pleasing.  
 The performers in this exhibition, from a manager down, are all unrivalled and celebrated far and wide for their politeness and attention to their numerous customers, and those with the most unvarying patience, which has been exemplified in their taking pay either in silver, bank notes, or country produce.
