Full of Hope to the Afflicted and Suffering!
Many of the Thousand Portals of Death may be closed, and life made happier and more comfortable to thousands who are now in danger.

BOWMAN'S VEGETABLE COMPOUND,
A SAFE and speedy cure for Consumption, not only in those tender forms of Throat and Lung Disease, such as Croup, Whooping Cough, Spitting of Blood, Hoarseness, Catarrh and Catarrhal Affections, Inflammation of the Lungs, Bleeding of the Lungs, &c. But in superior excellence is seen and tested in the most advanced affections of the Lungs. For the truth of the above statement and the efficiency of the preparation as an antidote, we refer the public to the following testimonials. Language is scarcely strong enough to tell the great power of this wonderful discovery. The doubting may try and be convinced. The proprietors point to the following bona fide certificates with confidence in their influence on the community; they are but samples of the many hundreds of testimonials in our possession:

Mr. H. M. Bowman—Dear Sir:—I feel it my duty to let you know that your compound has done for my daughter, and wish you to publish it if you can in hope that some suffering one may be induced by it to try your valuable medicine and be cured. My daughter was married in 1853, and went to Cincinnati to live, where her husband (James Hoyt) was engaged in business. In six months after her husband died, and I sent for her to come home, where in four months she was confined and caught cold which settled on her lungs. It soon became so bad that she could get nothing to help her. We tried six different physicians for over one year and then sent to New York to a celebrated physician there, and she took medicine from him for eight months; but he could not cure her. Her cough was fixed and stubborn and seemed as though it would tear her breast during the progress of cough, and her breathing was at times very difficult. Failing to get relief from physicians, we thought we would try Ayer's Cherry Pectoral, and she took it regular for seven weeks, but it did her no permanent good. We then tried "Sellers' Imperial Cough Syrup," but with all she could become worse, and it seemed as though she was beyond cure, when one day my wife was in one of our neighbor's houses (Mr. Maynes) and she saw them give your Vegetable Compound to one of their children for a cough and she got three or four doses to bring home and try it. After my daughter had taken it she breathed a little easier, and we sent and got a bottle of it, and when it was taken there was a marked change for the better. I then got six bottles, the most of which she took as directed until finally cured. It is three months since, and she has not had a symptom of the old complaint, and is getting as lusty as she ever was. We all unite in our prayers to God that you may be prospered and that your Vegetable Compound may be the means of restoring health to many, as it has to one who is dear to us. We cheerfully recommend it to the public as the best medicine for Lung Diseases that we ever got hold of. Try it suffering one and see. Believe me, my dear sir, to ever remain your earnest friend,
THOS. H. BANKS.
Philadelphia, Aug. 12, 1856.

Last spring, while in Philadelphia, I had a bad cold and cough which troubled me much, and a friend of mine gave me a bottle of Bowman's Vegetable Compound for diseases of the throat and lungs, which I commenced taking and found relief almost immediately. I had taken many things for cough and hoarseness but never got anything to help me as it did this. I believe it to be the best antidote for cough and hoarseness that is out, and cheerfully recommend it to the public.
T. H. STANTON,
Pastor of the 1st Prot. Meth. Church, Philadelphia.
From Judge Vanhorn, of the District Court at Cincinnati:—
Cincinnati, May 4, 1856.
I have used Bowman's Vegetable Compound for bronchitis and cough, and believe it to be the best medicine out for those diseases, and the only one I ever got to give me any permanent relief. It will cure. I recommend it to the public as an honest and efficient medicine and will perform what it is promised to do.
WM. VANHORN, Esq.
TO THE PUBLIC.
I have used Bowman's Vegetable Compound in my family for coughs, colds, and ministers' sore throat and believe it to be the best thing that I ever got for those complaints, and cheerfully recommend it to the public.
Rev. JACOB GASTON,
Pastor of the Clinton Street M. E. Church, Cincinnati.
June 10, 1856.
Here is one from the old pioneer Methodist preacher of Ohio, Rev. J. B. Finley:
I believe Bowman's Vegetable Compound to be the best remedy for disease of the day. I have tested it, and found it to be the best of all the popular remedies I ever tried, and I have tried very many. I recommend it to the public—try it and you will be convinced of its superiority.
Rev. J. B. FINLEY.
Cincinnati, July 19, 1856.
Hear what the celebrated Dr. Peck says:
I have used Bowman's Vegetable Compound for coughs and hoarseness in speaking; and believe it to be the best preparation for throat and lung complaints I ever got; and I recommend it to the public speaker and singer as well as those afflicted with lung diseases.
J. T. PECK.
New York, May 12, 1856.
Hear what Dr. Benson, of Cincinnati, says—(extract from a letter):
Bowman's Vegetable Compound contains a virtue that is not possessed by any other popular medicine in my knowledge. It does not only smooth the disease over, giving it only temporary relief (I know of no such medicines), but it commences at the root of the disease and performs a perfect cure.
G. W. BENSON, M. D.

THE STATE SAVINGS FUND! Office, next door to the Post Office, No. 83 Dock Street, Philadelphia.

INTEREST FIVE PER CENT.
All Sums of Money Returned on Demand.

THE STATE SAVINGS FUND, No. 83, Dock Street, next door to the Third Street, and adjoining the Post Office, receives Money on deposit daily, from 9 in the morning until 2 in the afternoon; also Monday evenings from 7 to 9 o'clock. Interest is allowed on deposits at the rate of FIVE PER CENT. per annum. Deposits will be returned in whole or in part on demand, without notice.
The popularity of this Office with all classes of the community, both in town and country, and its consequent success, may be ascribed, in part, to the following substantial reasons:
1st. It offers a convenient, responsible, and profitable Depository to Executors, Administrators, Assignees, Collectors, Agents, and all public officers—to Attorneys, Trustees, Societies and Associations, whether incorporated or otherwise—to married or single ladies—to Students, Merchants, Clerks, and business men generally—to Mechanics, Farmers, Miners of either sex, and all who have funds, much or little, to deposit, where they may be had at any time with Five per cent. interest added.
2d. Depositors receive Books, with an abstract of the By-Laws and regulations, in which is entered their deposits, which Books serve as vouchers. They may designate, in case of sickness, death, or absence, who shall receive their deposits, without the intervention of Executors or Administrators. Any one or more persons may deposit in his, her, or their name, or for any other person or persons.
3d. A Report is made each year to the Legislature and Councils of the City.
4th. The Officers are sworn before they enter upon their duties, in addition to giving Bonds with sureties.
5th. The State Savings Fund is a real Savings Fund—not an Insurance and Trust Company. Our large list of Depositors and the Philadelphia public have been careful to observe that the charter avoids the business and risk of insurance.
6th. In order to afford every reasonable facility to Depositors who reside at a distance from the office, their deposits are permitted to be withdrawn by checks, after the manner customary with the Banks. Check Books will be furnished to depositors without charge.
The popular patronage bestowed upon this office by a proverbially cautious and discriminating community, and where the character of the institution is best known, is a gratifying fact to which the Trustees desire to call attention.
Geo. H. HART, President.

HOLLOWAY'S PILLS.
WHY ARE WE SICK?

If you have been the lot of the human race to be weighed down by disease and suffering, HOLLOWAY'S PILLS are specially adapted to the relief of the WEAK, the NERVOUS, the DELICATE, and the IMPURE, of all climates, ages, sexes, and constitutions. Professor Holloway personally superintends the manufacture of his medicines in the United States, and offers them to a free and enlightened people, as the best remedy the world ever saw for the removal of disease.

THESE PILLS PURIFY THE BLOOD.
These famous Pills are expressly combined to operate on the stomach, the liver, the kidneys, the lungs, the skin, and the bowels, correcting any derangement in their functions, purifying the blood, the very fountain of life, and thus curing disease in all its forms.

DYSPEPSIA AND LIVER COMPLAINTS.
Nearly half the human race have taken these Pills. It has been proved in all parts of the world, that nothing has been found equal to them in cases of disorders of the liver, dyspepsia, and stomach complaints generally. They soon give a healthy tone to these organs, however much deranged, and when all other means have failed.

GENERAL DEBILITY. ILL HEALTH.
Many of the most despotic Governments have opened their Custom Houses to the introduction of these Pills, that they may become the medicine of the masses.—Learned Colleges admit that this medicine is the best remedy ever known for persons of delicate health, or where the system has been impaired, as its invigorating properties never fail to afford relief.

FEMALE COMPLAINTS.
No female, young or old, should be without this celebrated medicine. It corrects and regulates the monthly course at all periods, acting in many cases like a charm. It is also the best and safest medicine that can be given to children of all ages, and for any complaint; consequently no family should be without it.

Holloway's Pills are the best remedy known in the world for the following Diseases:

Acting on the Bowels: Dropsy, Indigestion, Secondary, Bowel Complaints, Inflammation, Symptoms, Debility, Inflammation, Inward Weakness, Coughs, Fever, and Venereal Affections.
