THE MINSTREL.

Hard Times Come Again No More.

BY S. C. FOSTER.

Let me pause in life's pleasures, and count its many tears,
While we all sup sorrow with the poor;
There's a song that will linger forever in our ears,
O hard times come again no more.
'Tis the song, the sigh of the weary,
Hard times, hard times come again no more:
Many days you have lingered around my cabin door,
Oh, hard times come again no more.

While we seek mirth and beauty and music light and gay,
There are frail forms fainting at the door;
Though their voices are silent there pleading looks will say,
Oh, hard times come again no more.
'Tis the song, &c.

There's a pale, drooping maiden, who works her life away,
With worn heart, whose better days are o'er;
Though her voice would be merry, 'tis sighing all the day,
Oh, hard times come again no more.
'Tis the song, &c.

'Tis a sigh that is wafted across the troubled wave,
'Tis a wail that is heard across the shore;
'Tis a dirge that is murmured around the lowly grave,
Oh, hard times come again no more.
'Tis the song, &c.

CULTIVATORS! CULTIVATORS!—5, 7 & 10 Teeth Cultivators, with part reversable cast steel teeth. F. G. FRANCISCUS.

THE GREATEST

MEDICAL DISCOVERY

OF THE AGE.

DR. KENNEDY, of Roxbury, has discovered in one of our *common pasture weeds* a remedy that cures

Every Kind of Humor

from the worst Scrofula down to a common Pimple.

HE has tried it in over 1100 cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing Sore Mouth.

One to three bottles will cure the worst kind of Pimples on the Face

Two to three bottles will clean the system of Biles.

Two bottles are warranted to cure the worst Canker in the Mouth and Stomach.

Three to five bottles are warranted to cure the worst case of Erysipelas.

One to two bottles are warranted to cure all Humor in the eyes.

Two bottles are warranted to cure Running of the Ears and Blotches among the Hair.

Four to six bottles are warranted to cure corrupt and running Ulcers.

One bottle will cure Scaly Eruption of the Skin.

Two to three bottles are warranted to cure the worst case of Ringworm.

Two to three bottles are warranted to cure the most desperate case of Rheumatism.

Three to four bottles are warranted to cure the Salt Rheum.

Five to eight bottles will cure the worst case of Scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that sold another; after a trial it always speaks for itself. There are two things about this herb that appears to me surprising; first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second, that it should cure all kinds of humor.

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1852, I peddled it and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day of it.

Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it will prove effectual in all cases of that awful malady—there are few who have seen more of it than I have.

I know of several cases of Dropsy, all of them aged people, cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the Side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than any medicine ever known.

No change of diet ever necessary—eat the best you get and plenty of it.

DIRECTIONS FOR USE.—Adults one table spoonful per day—Children over 10 years, dessert spoonful—Children from 5 to 8 years, tea-spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

HIGHLY IMPORTANT TO FARMERS.

M. M. FAXON'S

Attachment of Vulcanized India Rubber Spring to the Tubes of Grain Drills.

THE undersigned, having perfected an arrangement for the attachment of a Gum Spring to the Tubes and Drag Bars of Grain Drills, is happy to inform Farmers and all others interested in the growing of Wheat and other grains, that he is prepared to furnish GRAIN DRILLS, with the above article attached, at the shortest notice, at his Foundry, in McVeytown, Pa. Seeders have become an almost indispensable article to the Farmer, and he will find that the attachment of the Gum Spring will enhance its value at least one-half. All the detention and trouble caused by the breaking of wooden pins is entirely done away with by this arrangement, and a man, or boy, can perform nearly double the labor that he could under the old plan, with much greater ease, both to himself and horses. There need be no fear of the Spring breaking, for if there is an article that will neither break, rot, or wear out, the Gum Spring is that article, and I hazard nothing in saying that my Grain Drill is the simplest in construction, most economical in performance, and therefore the most durable ever offered to the agricultural public. The feed is so arranged that it will sow 1, 1½, 1¾, 2, and 2 bushels per acre. Persons desiring one for the coming seeding are requested to send in their orders as early as possible. Direct to McVeytown, Mifflin county, Pa., or F. G. FRANCISCUS, Lewistown; E. L. FAXON, Hollidaysburg, Blair co., Pa.; BOYER & BRO., Harrisburg, Pa., who are authorized to act as agents, and from whom any further information may be obtained.

PRICE OF DRILLS, with the attachment, $75. Farmers who already have drills, can have them altered, and the India Rubber Spring attached, for from $10 to $15.

☞All branches of the FOUNDRY BUSINESS still carried on, for which orders are respectfully solicited.

PUBLIC NOTICE.

MANNY'S COMBINED

Mowing and Reaping Machine,

WITH WOOD'S IMPROVEMENT,

For the Harvest of 1857.

ALL persons desirous of getting this celebrated machine will please send in their orders early, to prevent delay and disappointment as was the case in so many instances last season. This machine took the premium at York, Huntingdon, Carlisle Chambersburg, Harrisburg, Bellefonte, and other places too numerous to mention. Last summer we had hundreds of testimonials and official reports, vouching the superiority of this machine over all others now in use. This machine excels all others in the following points, viz: Its easy convertibility from a Mower to a Reaper and *vice versa*; its construction for adaptation to uneven surface; the ease with which it can be raised or lowered, for cutting from two inches to eighteen inches from the ground, which is done by means of a lever controlled by the driver while in his seat; its ease of draft, portability, and cleanness and ease of cut. Many of these features are patented and cannot be embodied in any other machine, and all will admit how essential and indispensable they are to a complete combined machine. With each machine will be furnished two scythes, two extra guards, two extra sections, one extra pinion and wrench.

They are warranted to give satisfaction, either as a Mower or Reaper, or no sale.

Price $140, delivered in Lewistown. All communications directed to F. G. Franciscus, Agent, Lewistown, Mifflin county, Pa. will meet prompt attention. To persons nearer home, I respectfully refer them to R. A. Means, J. D. Nageny, O. P. Smith, R. McManigal, and Jas. Parker, all of whom having used this machine last season, consider it unsurpassed by any combined Mower and Reaper now in use.

GLAD NEWS.

Full of Hope to the Afflicted and Suffering!

Many of the Thousand Portals of Death may be closed, and life made happier and more comfortable to thousands who are now in danger. Doubtless this world contains many a balm to sooth its physical woes and cure its Diseases. Among those in prominent rank stands

BOWMAN'S

VEGETABLE COMPOUND,

A SAFE and speedy cure for Consumption, not only in those milder forms of Throat and Lung Diseases, such as Colds, Coughs, Quinsey, Difficulty of Breathing, Bronchitis, Ministers' Sore Throat, Weakness of the Chest, Asthma, Inward Ulcer, Spitting of Blood, Influenza, Croup, Whooping Cough, Pain in the Breast and Side, Hoarseness, Catarrh and Catarrhal Affections, Inflammation of the Lungs, Bleeding of the Lungs, &c. But its superior excellence is seen and tested in the more advanced affections of the Lungs. For the truth of the above statement and the efficiency of the preparation as an antidote, we refer the public to the following testimonials. Language is scarcely strong enough to tell the great power of this wonderful discovery! The doubting may try and be convinced. The proprietors point to the following *bona fide* certificates with confidence in their influence on the community; they are but samples of the many hundreds of testimonials in our possession:

Allegheny, July 19, 1856

Mr. H. M. Bowman—Dear Sir:—I feel it my duty to let you know what your compound has done for my daughter, and wish you to publish it if you can in hope that some suffering one may be induced by it to try your valuable medicine and be cured. My daughter was married in 1853, and went to Cincinnati to live, where her husband (James Hoyt,) was engaged in business. In six months after her husband died, and I sent for her to come home, where in four months she was confined and caught cold which settled on her lungs. It seemed as though we could get nothing to help her. We tried six different physicians for over one year and then sent to New York to a celebrated physician there, and she took medicine from him for eight months; but he could not cure her.—Her cough was fixed and stubborn and seemed as though it would tear her breast during the paroxysm of cough, and her breathing was at times very difficult. Failing to get relief from physicians, we thought we would try Ayer's Cherry Pectoral, and she took it regular for seven weeks, but it did her no permanent good. We then tried Sellers' Imperial Cough Syrup, but with all she still became worse, and it seemed as though she was beyond cure, when one day my wife was in at one of our neighbor's houses (Mr. Maynese') and she saw them give your Vegetable Compound to one of their children for a cough and she got three or four doses to bring home and try it. After my daughter had taken it she breathed a little easier, and we sent and got a bottle of it, and when it was taken there was a marked change for the better. I then got six bottles, the most of which she took as directed until finally cured—it is three months since, and she has not had a symptom of the old complaint, and is getting as lusty as she ever was. We all unite in our prayers to God that you may be prospered and that your Vegetable Compound may be the means of restoring health to many, as it has to one who is dear to us; we cheerfully recommend it to the public as the best medicine for Lung Diseases that we ever got hold of. Try it suffering one and see. Believe me, my dear sir, to ever remain

Your earnest friend,
THOS. H. BANKS.

Philadelphia, Aug. 12, 1856.

Last spring, while in Pittsburgh, I had a bad cold and cough which troubled me much, and a friend of mine gave me a bottle of Bowman's Vegetable Compound for diseases of the throat and lungs, which I commenced taking and found relief almost immediately. I had taken many things for cough and hoarseness but never got anything to help me as it has done. I believe it to be the best antidote for coughs and hoarseness that is out, and cheerfully recommend it to the public. T. H. STANTON,

Pastor of the 1st Prot. Meth Church, Philadelphia.

From Judge Vanhorn, of the District Court at Cincinnati:

Cincinnati, May 4, 1856.

I have used Bowman's Vegetable Compound for bronchitis and cough, and believe it to be the best medicine out for those diseases, and the only one I ever got to give me any permanent relief. *It will cure.* I recommend it to the public as an honest and efficient medicine and will perform what it is published to do.

WM. VANHORN, Esq.

TO THE PUBLIC.

I have used Bowman's Vegetable Compound in my family for coughs, colds, and ministers' sore throat and believe it to be the best thing that I ever got for those complaints, and cheerfully recommend it to the public.

Rev. JACOB GASTON,
Pastor of the Clinton street M. E. Church,
June 10, 1856. Cincinnati.

Here is one from the old pioneer Methodist preacher of Ohio, Rev. J. B. Finley:

I believe Bowman's Vegetable Compound to be the best remedy for diseased throat and lungs, of the day. I have tested it, and found it to be the best of all the popular remedies I ever tried, and I have tried very many. I recommend it to the public—try it and you will be convinced of its superiority. Rev. J. B. FINLEY.

Cincinnati, July 12, 1856.

Hear what the celebrated Dr. Peck says:

I have used Bowman's Vegetable Compound for coughs and hoarseness in speaking; and believe it to be the best preparation for throat and lung complaints I ever got; and I recommend it to the public speaker and singer as well as those afflicted with lung diseases. J. T. PECK

New York, May 12, 1856.

Hear what Dr. Benson, of Cincinnati, says—(extract from a letter):

Bowman's Vegetable Compound contains a virtue that is not possessed by any other popular medicine in my knowledge. It does not only smooth the disease over, giving it only temporary relief (like most of patent medicines), but it commences at the root of the disease and *performs a perfect cure.* G. W. BENSON, M. D.

LET US REASON TOGETHER.

HOLLOWAY'S PILLS.

WHY ARE WE SICK?

IT has been the lot of the human race to be weighed down by disease and suffering. HOLLOWAY'S PILLS are specially adapted to the relief of the WEAK, the NERVOUS, the DELICATE, and the INFIRM, of all climes, ages, sexes, and constitutions. Professor Holloway personally superintends the manufacture of his medicines in the United States, and offers them to a free and enlightened people, as the best remedy the world ever saw for the removal of disease.

THESE PILLS PURIFY THE BLOOD.

These famous Pills are expressly combined to operate on the stomach, the liver, the kidneys, the lungs, the skin, and the bowels, correcting any derangement in their functions, purifying the blood, the very fountain of life, and thus curing disease in all its forms.

DYSPEPSIA AND LIVER COMPLAINTS.

Nearly half the human race have taken these Pills. It has been proved in all parts of the world, that nothing has been found equal to them in cases of disorders of the liver, dyspepsia, and stomach complaints generally. They soon give a healthy tone to these organs, however much deranged, and when all other means have failed.

GENERAL DEBILITY. ILL HEALTH.

Many of the most despotic Governments have opened their Custom Houses to the introduction of these Pills, that they may become the medicine of the masses.—Learned Colleges admit that this medicine is the best remedy ever known for persons of delicate health, or where the system has been impaired, as its invigorating properties never fail to afford relief.

FEMALE COMPLAINTS.

No Female, young or old, should be without this celebrated medicine. It corrects and regulates the monthly courses at all periods, acting in many cases like a charm. It is also the best and safest medicine that can be given to Children of all ages, and for any complaint; consequently no family should be without it.

CATHARTIC PILL

OPERATE by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their healthy action to health, correct, wherever they exist, the derangements as are the first causes of disease. An extensive trial of their virtues, by Physicians, and Patients, has shown cures of the most obstinate diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give *Directions* for their use in the complaints which they have been found to cure.

FOR COSTIVENESS.—Take one or two Pills to produce such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of PILES, and the cure of one complaint is the cure of both. No person can feel well while under the influence of costive habit of body. Hence it should be, and can be, promptly relieved.

FOR DYSPEPSIA, which is sometimes the result of *Costiveness*, and always uncomfortable, take small doses—from one to four—to stimulate the stomach and liver into healthy action. They will do this in the *heartburn, bodyburn*, and *southern of dyspepsia* will rapidly disappear. When it has gone, you forget what cured you.

FOR A FOUL STOMACH, or *Morbid Inaction of the Bowels*, which produces general depression of the spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until the bowels and strength is restored to the system.

FOR NERVOUSNESS, SICK HEADACHE, *Pain in the Stomach, Back, or Side*, take from two to eight pills on going to bed. If they do not operate sufficiently, take more the next day until they do. These complaints will be swept out from the system. Don't wear these and their kindred orders because your stomach is foul.

FOR SCROFULA, ERYSIPELAS, *and all Diseases of the Skin*, take the Pills freely and frequently to keep the bowels open. The eruptions will generally soon begin to diminish and disappear. In dreadful ulcers and sores have been healed by the purging and purifying effect of these Pills. In some disgusting diseases which seemed to taint the whole system have completely yielded to their influence, leaving the sufferer in perfect health. Patients! your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all the horrors of the unclean diseases of the skin, because your system wants cleansing.

TO PURIFY THE BLOOD, they are the best medicine ever discovered. They should be taken freely and frequently, and the impurities which are the seeds of miserable diseases will be swept out of the system like chaff before the wind. By this purifying they do as much good in preventing sickness as the remarkable cures which they are making everywhere.

LIVER COMPLAINT, JAUNDICE, *and all Bilious Affections* arise from some derangement—perhaps torpidity, congestion, or obstructions of the liver. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrous to health, and the constitution is frequently undermined by no other cause. Indigestion is the next step. Obstruction of the duct which empties the bile into the stomach causes the bile to enter into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, alternately costiveness and diarrhœa, yellow Feverish symptoms, langnor, low spirits, want of restlessness, and melancholy, with sometimes inability to sleep, and sometimes great drowsiness; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish hue; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever which may turn to bilious fever, bilious colic, bilious diarrhœa, dysentery, &c. A medium dose of these or four Pills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wrong to suffer such pains when you can cure them for 25 cents.

RHEUMATISM, GOUT, *and all Inflammatory Diseases* are rapidly cured by the purifying effect of these Pills upon the blood and the stimulus which they afford to the vital principle of Life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently but freely.

AS A DINNER PILL, this is both agreeable and useful. No Pill can be made more pleasant to take, and certainly none has been made more effectual for the purpose for which a dinner pill is employed.
