WHAT WE PAY FOR GUANO.
The Genesee Farmer says: "The quantity of guano which will be brought to the United States this year will be about 200,000 tons."

Two hundred thousand tons of guano purchased at fifty-five dollars a ton, (the price in New York) will take out of the country eleven million dollars for imported manure. For a comparatively new country, this is a startling fact. All the corn and meal exported in the last fiscal year amounted to less than two and a half million of dollars. When will our people see the folly of wasting so much of the elements of crops in all their cities and villages, and in almost every rural district, and then sending to the west coast of South America for ten millions' worth of manure.—*Scientific American.*

[There is no doubt that a farmer living in the vicinity of Lewistown could readily gather street scrapings, manure, &c. within the borough every spring to cover 6 or 8 acres of ground, yet nearly all this is suffered to go to waste by being deposited in holes. What this will do can be seen on the lots formerly known as the brick pond, which was reclaimed by the borough, filled up, and after bestowing two sixty feet lots to the school board, the remainder sold for several hundred dollars.—*ED. GAZETTE.*]

HOW TO MAKE GOOD YEAST.

"A Country Cook," writing upon "the bread question," says she cannot make good bread because she cannot always get good yeast where she lives, in the interior of Indiana, and asks the N. Y. Tribune to aid her, which it does as follows: Take 3 ounces of good fresh hops, 3 pounds of rye flour, 7 pounds of India corn meal, and 1 gallon of water. Rub the hops so as to separate them. Put them into boiling water, and boil half an hour. Strain the liquor through a fine sieve into an earthen vessel. While hot put in the rye flour, stirring the liquor well, and quickly as it goes in. Next day, put in the Indian meal, stirring it well, and the mess will be stiff dough. Knead it well as you would pie crust, roll it out to the thickness of about a third of an inch, and cut it up into cakes with a tumbler or something else, and lay the cakes on a clean board or tin, and put them to dry in the sun. Turn them every day; let them receive no wet; and they will become as hard as ship biscuit. Store them in a bag or box, perfectly free from damp. When you bake take two cakes, and crack and put them into hot water over night, in a vessel near the fire-place, where they will dissolve by morning, and then you use them in setting your sponge (as it is called), as you would use the yeast of beer; and these yeast cakes may be kept as long as you desire.

DOMESTIC RECEIPTS.

A Kentucky lady offers the following: **BREAD No. 1.**—To Make THREE LOAVES.—At night add to three quarts of sifted flour, one tablespoonful of salt, two quarts of sweet milk scalding hot; stir to a batter; when milk warm add one cup of good hop yeast, or less if brewer's; in the morning early mould thoroughly with flour, not stiff; stand till well cracked open in the pans, bake one hour.

BREAD No. 2.—At noon, boil and mash six or eight potatoes, turn over them nearly one quart of boiling water, half pint of flour, one tablespoonful of salt, and one of sugar; when milk warm add one cup of good yeast; at night stir this with one quart of warm water to two and a half quarts of flour; mould in the morning as above.

LEMON PIE No. 1.—Seed and chop one cup of raisins, with one large lemon, pulverize four soda crackers, one cup of sugar, a little salt; stir into one quart of boiling water a small lump of butter; this quantity will make two pies; bake with upper and under crust.

LEMON PIE No. 2.—To one cup or half a pint of scalding milk add one soda cracker rolled fine; four tablespoonful of sugar; three or four eggs, a small lump of butter; put in cold milk enough to fill a plate that holds a quart, then add the grated rind of one lemon; bake with under crust.

GLAD NEWS.

Full of Hope to the Afflicted and Suffering!
Many of the Thousand Portals of Death may be closed, and life made happier and more comfortable to thousands who are now in danger. Doubtless this world contains many a balm to soothe its physical woes and cure its Diseases. Among those in prominent rank stands

BOWMAN'S VEGETABLE COMPOUND,

A SAFE and speedy cure for Consumption, not only in those milder forms of Throat and Lung Diseases, such as Croup, Whooping Cough, and Lung Disease, but in the most violent forms of Consumption, such as Croup, Whooping Cough, Pain in the Breast and Side, Hoarseness, Catarrh and Catarrhal Affections, Inflammation of the Lungs, Bleeding of the Lungs, &c. But its superiority is evidenced in the more advanced affections of the Lungs. For the truth of the above statement and the efficiency of the preparation as an antidote, we refer the public to the following testimonials. Language is scarcely strong enough to tell the great power of this wonderful discovery. The doubting and the converted. The proprietors point to the following bona fide certificates with confidence in their influence on the community; they are but samples of the many hundreds of testimonials in our possession:

Mr. H. M. Bowman—Dear Sir:—I feel it my duty to let you know what your compound has done for my daughter, and wish you to publish it if you can in hope that some suffering one may be induced by it to try your valuable medicine and be cured. My daughter was married in 1855, and went to Cincinnati to live with her husband (James Hoyt), who was engaged in business. In six months after her husband died, and I sent her to her home, where in four months she was confined and caught cold which settled on her lungs. It seemed as though we could get nothing to help her. We tried six different physicians for over one year and then sent to New York to a celebrated physician there, and she took medicine from him for eight months; but he could not cure her. Her cough was fixed and stubborn and seemed as though it would tear her breast during the paroxysms of coughing, and her breathing was at times very difficult. Failing to get relief from physicians, we thought we would try Ayer's Cherry Pectoral, and she took it regular for seven weeks, but it did her no permanent good. We then tried Sellers' Imperial Cough Syrup, but with all still she could not get any better. We all were in our prayers to God that you may prosper and that your Vegetable Compound may be the means of restoring health to many, as it has to one who is dear to us; we cheerfully recommend it to the public as the best medicine for Lung Diseases that we ever got hold of. Try it, suffering one and see. Believe me, my dear sir, to ever remain
Your earnest friend,
THOS. H. BANKS,
Philadelphia, Aug. 12, 1856.

Last spring, while in Pittsburgh, I had a bad cold and cough which troubled me much, and a friend of mine gave me a bottle of Bowman's Vegetable Compound for the cure of the throat and lungs, which I commenced taking and found relief almost immediately. I had taken many things for cold and hoarseness but never got anything to help me as it has done. I believe it to be the best antidote for coughs and hoarseness that is sold, and cheerfully recommend it to the public. F. H. TAYLOR,
Pastor of the 1st Prot. Meth. Church, Philadelphia.
From Judge Vanhorn, of the District Court at Cincinnati:
Cincinnati, May 1, 1856.

I have used Bowman's Vegetable Compound for bronchitis and cough, and believe it to be the best medicine for those diseases, and the only one I ever got which me any permanent relief. It will cure. I recommend it to the public as an honest and efficient medicine and will perform what it is promised to do.
WM. VANHORN, Esq.,
TO THE PUBLIC.
I have used Bowman's Vegetable Compound in my family for coughs, colds, and ministers' sore throat and believe it to be the best thing that I ever got for those complaints, and cheerfully recommend it to the public.
Rev. JACOB GASTON,
Pastor of the Clinton street M. E. Church,
Cincinnati, June 10, 1856.

Here is one from the old pioneer Methodist preacher of Ohio, Rev. J. B. Finley:
I believe Bowman's Vegetable Compound to be the best remedy for diseased throat and lungs, of the day. I have tested it, and found it to be the best of all the popular remedies I ever tried, and I have tried very many. I recommend it to the public—try it and you will be convinced of its superiority.
Rev. J. B. FINLEY,
Cincinnati, July 12, 1856.

Hear what the celebrated Dr. Peck says:
I have used Bowman's Vegetable Compound for coughs and hoarseness in speaking, and believe it to be the best preparation for throat and lung complaints I ever got; and I recommend it to the public speaker and singer as well as those afflicted with lung diseases.
J. T. PECK,
New York, May 12, 1856.

Hear what Dr. Benson, of Cincinnati, says—(extract from a letter):
Bowman's Vegetable Compound contains a virtue that is not possessed by any other popular medicine in my knowledge. It does not only soothe the disease over, giving it only temporary relief (like most of patent medicines), but it commences at the root of the disease and performs a perfect cure.

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

DR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures

Every Kind of Humor

from the worst Scrofula down to a common Pimple. HE has tried it in over 1100 cases, and never failed except in two cases, (both thunder boils). He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston. One bottle is warranted to cure a nursing Sore Mouth. Two bottles are warranted to cure a nursing Sore on the Face. One to three bottles will cure the worst kind of Pimples on the Face. Two bottles are warranted to cure the worst Canker in the Mouth and Stomach. Three to five bottles are warranted to cure the worst case of Erysipelas. One to two bottles are warranted to cure all Humor in the eyes. Two bottles are warranted to cure Running of the Ears and Blotches among the Hair. Four to six bottles are warranted to cure corrupt and running Ulcers. One bottle will cure Scaly Eruption of the Skin. Two to three bottles are warranted to cure the worst case of Itch. Two to three bottles are warranted to cure the most desperate case of Rheumatism. Three to four bottles are warranted to cure the Salt Rheum. Five to eight bottles will cure the worst case of Scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken. Reader, I peddled over a thousand bottles of this in the city of Boston. I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that sold another; after a trial it always speaks for itself. There are two things about this herb that appears to me surprising. One is, that I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor.
