Choice Farm Lands for Sale. The Illinois Central R. R. Co.

IS NOW PREPARED TO SELL ABOUT 1,500,000 ACRES OF

## CHOICE FARMING LANDS In Tracts of 40 acres and Upwards, on Long Credits and at Low Rates of Interest.

THESE lands were granted by the Government to aid in the construction of this road are among the richest and most fertile in the world. They extend from North East and North West, through the middle of the State, to the extreme South, and include every variety of climate and productions found between those parallels of latitude. The Northern portion is chiefly prairie, interspersed with fine groves, and in the middle and Southern sections timber predominates, alternating with beautiful prairies and openings.

The climate is more healthy, mild and equable, than any other part of the country-the air is pure and bracing, while living streams and springs of excellent water abour d.

Bituminous Coal is extensively mined, and supplies a cheap and desirable fuel, being furwood can be had at the same rate per cord.

Building Stone of an excellent quality also abounds, which can be procured for little more

than the expense of transportation.

The great fertility of these lands, which are a black rich mould from two to five feet deep, and gently rolling-their contiguity to this road, by which every facility is furnished for travel and transportation, to the principal markets North, South, East, West, and the economy the principal markets with which they can be cultivated, render them the most valuable investment that can be found. and present the most favorable opportunity for persons of industrious habits and small means to acquire a comfortable independence in a few

The great point in the treatment of all human maladies is to get at the disease in a direct manner. All medicines are estimated by their action upon the organ requiring relief. This is the important fact upon which Inhalation is based. If the stomach is diseased, we take medicine directly into the stomach. If the lungs are diseased, breathe or inhale medicated vapors directly into them.— The reason why Consumption and diseases of the Lungs have heretofore resisted all treatment, has been because were not approached in a direct manner by medicine. inistered that they could only act constitutionally, ex ending their immediate action upon the stomach, whils penaling the final the Lungs were unmolested. In-the foul ulcers within the Lungs were unmolested. In-halation brings the medicine into direct contact with the ease, without the disadvantage of any violent action Its application is so simple that it may be employed by the youngest infant or feeblest invalid. DESOLVED by the Senate and House of Reping amendments are proposed to the constitu-tion of the commonwealth, in accordance with the provisions of the tenth article thereof. FIRST AMENDMENT.

There shall be an additional article to said constitution to be designated as article eleven, as follows :-

OF PUBLIC DEBTS. Section I. The state may contract debts, to supply casual deficits or fallures in revenues, or to meet expenses not otherwise provided for; but the aggregate amount of such debts direct and contingent, whether contracted by virtue of one or more acts of the general assembly, or at different periods of time, shall never exceed seven hundre I and fifty thousand dollars, ceed seven hundre; and lifty thousand dollars, and the money arising from the creation of such debts, shall be applied to the purpose for which it was obtained, or to repay the debts so contracted, and to no other purpose whatever.

Section 2. In addition to the above limited power the state may contract debts to repel investing supports insurged to defend the state.

vasion, suppress insurrection, defend the state in war, or to redeem the present outstanding indebtedness of the state; but the money arising from the contracting of such debts, shall be applied to the purpose for which it was raised, or to repay such debts, and to no other purpose whatever.

Section 3. Except the debts above specified, in sections one and two of this article, no debt whatever shall be created by, or on behalf of the state.

Section 4. To provide for the payment of the present debt, and any additional debt con-tracted as aforesaid, the legislature shall, at its first session, after the adoption of this amend-ment, create a sinking fund, which shall be sufficient to pay the accruing interest on such debt, and annually to reduce the principal thereof by a sum not less than two hundred and fifty thousand dollars; which sinking fund shall consist of the net annual income of the public works, from time to time owned by the state, or the proceeds of the sale of the same, or any part thereof, and of the income or proceeds of sale of stocks owned by the state, together with other funds, or resources, that may be designated by law. The said sinking fund may be increased, from time to time, by assigning to it any part of the taxes, or other revenues of the state, not required for the ordinary and current expenses of government, and unless in case of war, invasion or insurrection, no part of the said sinking fund shall be used or applied otherwise than in extinguishment of the public debt. until the amount of such debt is reduced below the sum of five millions of dollars.

Section 5. The credit of the commonwealth shall not in any manner, or event, be pledged, or loaned to, any individual, company, corpora-tion, or association; nor shall the commonwealth hereafter become a joint owner, or stockhold-

er, in any company, association, or corporation, Section 6 The commonwealth shall not assume the debt, or any part thereof, of any county, city, borough, or township; or of any corporation, or association; unless such debt shall have been contracted to enable the state to repel invasion, suppress domestic insurrection, defend itself in time of war, or to ssist the state in the discharge of any portion of its present indebtedness.

Section 7. The legislature shall not authorize any county, city, borough, township, or in-corporated district, by virtue of a vote of its contains 203 acres, 39 perches, about 150 acres of which are cleared, with a Dwelling House, Barn and Saw Mill thereon.

Corporated district, by virtue of a vote of its citizens, or otherwise, to become a stockholder in any company, association, or corporation; or obtain money for, or loan its credit to, any corporation, association, institution, or party.

SECOND AMENDMENT. There shall be an additional article to said constitution, to be designated as article XII, as

St. Stephen's Place,
Philadelphia, February 17th, 4857.
Being well acquainted with the substances composing Hover's Liquid Hair Dye, I am satisfied that by following the simple directions given for its use, it will not injure Hair or Skin,

but will give a natural and durable color to the Hair. JAS. C. BOOTH, Analytic Chemist. HOVER'S WRITING INKS, including Hover's Fluid and Hover's Indelible Inks, are too well known and introduced to require any additional testimony of their character. The sales have been increasing since their first introduction, giving evidence that the articles truly possess that intrinsic merit claimed at first for them by the manufacturer.
