American Republican Ticket.

FOR GOVERNOR: DAVID WILMOT, of Bradford county. FOR CANAL COMMISSIONER: WILLIAM MILLWARD, of Philadelphia.

COUNTY MEETING.

The citizens of Mifflin county opposed to the present National Administration, and in favor of concentrating their strength in the next State and County election, are requested to meet in the Town Hall, Lewistown, on Tuesday evening, August 4, 1857.

Notices of New Advertisements.

Valuable Property for Sale.—Capitalists or others desirous of making an investment in property which must annually increase in value, are referred to the sale advertised to take place at the court house in Williamsport on the 19th of August.

Proposals will be received for ready work at the school house on Third street.

Mr. J. H. Lewis will call on our citizens in a short time to solicit subscriptions to Johnson's new map of the Republic of North America.

The letter of Judge Wilmot, which we publish in to-day's paper, deserves an attentive perusal from all Americans in this country who have been led to regard the Lancaster nominations as the nominations of that party.

In Alabama, party lines seem to have been nearly effaced by the general confidence evinced that Mr. Buchanan will do all he safely can to uphold and extend slavery.

A special interest is given to the Legislative contest in this State by the appearance of a bulletin from the present Governor, John A. Winston, announcing himself a candidate for the U. S. Senate in opposition to Clement C. Clay, whose term expires with the next Congress.

Utah.—Late advices from Utah show how the news of the military expedition to that Territory is received by the Saints.—The tone of Young's organ is scurrilous and defiant of eastern "intermeddlers."

The steamer North America, arrived at Quebec, brings Liverpool dates to the 15th instant. The mutiny in India had spread to twenty-three regiments of the native troops.

A young man named John Huntsberger, was seriously injured at Patterson last week, by the cars running over both his feet near the ankles. His feet caught in the switch, and before he could extricate himself the cars struck him.

LAW AND ORDER PARTY.

Our democratic friends have had a great deal to say of late years about law and order, but it appears as only in favor of law and order so long as they answer their ends and aims.

St. Paul's, via Chicago, July 25.—The "Jovial headed" Constitutional Convention is still in session. The Republicans meet in the Convention Hall, Mr. A. D. Bolcombe presiding, and the Democrats in the Council Chamber, Mr. H. H. Silby presiding.

OUR PUBLIC SCHOOLS.—The reason often given for the low standard of our schools is, that teachers are not properly paid for their services. To this the intelligent director quickly answers, "We don't pay them all they are worth."
