I never sold a bottle of it but that sold an other ; after a trial it always speaks for itself. There are two things about this herb that appears to me sur prising; first that it grows in our pastures, in some pla ces quite plentiful, and yet its value has never been nown until I discovered it in 1816-second, that it should

ure all kinds of humor. In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it and sold about six bottles per day—in April, 1854. I sold over one thousand bottles per day of it. Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

HE following, from that eminent Physician of Philadelphia, Dr. Brinckle, added to the stimony of Professor Booth, only confirms what is evidenced by thousands who have used Hover's Due.

"GIRARD ROW, CAESTNUT STREET, Philadelphia, December 22d, 1853. } In regard to Hover's Hair Dye, I can state un-

W. D. BRINCKLE, M. D. HOVER'S WRITING AND INDELIBLE INKS are so well and widely known as to require no eulogy of their merits; it is only necessary to say that the steady and increasing demand gives the best evidence that they maintain their character for superiority, which distinguished them when first introduced, years ago.

Orders, addressed to the manufactory, No. 416 Race street above Fourth, (old No. 144,) Philadelphia, will receive prompt attention by JOSEPH E. HOVER, Manufacturer.
