

# THE HOUSEKEEPER.

**Welsh Rabbit.**—Cut up half a pound of new cheese, put in a lump of butter as large as an egg, a teaspoonful of mustard; set it over the fire in a tin pan, stirring till thoroughly melted; have ready two pieces of bread toasted, spread the melted cheese thickly over the toast, place it before the fire to brown and serve hot.

**Good Pumpkin Pie Without Eggs.**—One quart of boiling milk, two soda or Boston crackers rolled fine, put to the boiling milk two teaspoons of strained boiled pumpkin, a little salt, one cup of sugar, extract of lemon, a little ginger. If this quantity will not make two pies, put in a little cold milk. Bake in a hot oven.

**Preserved Pumpkin.**—Cut a good pumpkin in strips like citron, sprinkle sugar on them over night, pound for pound, and the juice of four lemons; in the morning boil the peel and a little ginger root, and add to the syrup. Boil the pumpkin till tender, then turn on the syrup boiling hot.

**Wedding Cake.**—One pound of flour, one pound of sugar, one pound of butter, two pounds of raisins stoned, three pounds of currants well washed, one and a quarter ounce of mace, one ounce of nutmeg, one and a quarter pounds of citron, half a gill of brandy, a few cloves. Bake in large loaves three hours.

**Cream Fritters.**—Beat six eggs until quite light, then stir in one pint of cream, one teaspoonful of salt, half a grated nutmeg, and sifted flour enough to make a thin batter; stir it until it becomes smooth, then drop it by spoonfuls into hot lard, and fry and serve.

**Molasses Pie.**—Take nine tablespoonfuls of molasses, six tablespoonfuls of good vinegar, one and a half tablespoonfuls of flour, a small piece of butter, a few slices of lemon or grated lemon peel; cover with a rich paste. This is decidedly the best substitute for apple pie.

**Snow Ball Pudding.**—Pare and core large, mellow apples, and enclose them separately in a cloth spread with boiled rice; boil them one hour; dip them in cold water before turning out. Serve them with cream sauce.

**Cracker Pie.**—Two soda crackers soaked in one cup of warm water, one small teaspoonful of tartaric acid or lemon juice, one cup of sugar. Season and bake as an apple pie.

**Molasses Cookies.**—One coffee-cup of molasses, half a cup of butter, three teaspoonfuls of soda, one and a half of cream of tartar, flour enough to roll out.

**HIGHLY IMPORTANT TO FARMERS.**  
**M. M. FAXON'S**  
Attachment of Vulcanized India Rubber Spring to the Tubes of Grain Drills.

THE undersigned, having perfected an arrangement for the attachment of a Gum Spring to the Tubes and Drag Bars of Grain Drills, is happy to inform Farmers and all others interested in the growing of Wheat and other grains, that he is prepared to furnish GRAIN DRILLS, with the above article attached, at the shortest notice, at his Foundry, in McVeytown, Pa. Seeders have become an almost indispensable article to the Farmer, and he will find that the attachment of the Gum Spring will enhance its value at least one-half. All the detentions and trouble caused by the breaking of wooden pins is entirely done away with by this arrangement, and a man, or boy, can perform nearly double the labor that he could under the old plan, with much greater ease, both to himself and horses. There is no fear of the Spring breaking, for if there is an article that will neither break, rot, or wear out, the Gum Spring is that article, and it is a hazard nothing in saying that my Grain Drill is the simplest in construction, most economical in performance, and therefore the most durable ever offered to the agricultural public. The feed is so arranged that it will sow 1 1/2, 1 1/4, 1 1/2, and 2 bushels per acre. Persons desiring one for the coming season are requested to send in their orders as early as possible. Direct to McVeytown, Mifflin county, Pa., or F. G. FRANCISCUS, Lewistown, E. L. FAXON, Hollidaysburg, Blair co., Pa.; BOYER & BRO., Harrisburg, Pa., who are authorized to act as agents, and from whom any further information may be obtained.

**PRICE OF DRILLS,** with the attachment, \$75. Farmers who already have drills, can have them altered, and the India Rubber Spring attached, for from \$10 to \$15.  
All branches of the FOUNDRY BUSINESS still carried on, for which orders are respectfully solicited.  
M. M. FAXON.

Its friends and patrons may rest assured that every effort will be made to increase its growing reputation and render it worthy of the confidence and patronage of all. Parents who wish their children removed as far as possible from temptation and the scenes of vice and immorality so common to large towns and small villages, could not desire a better location, as it is entirely in the country, and there are no public houses where liquor is sold within five miles of the institution. The assistants employed are eminently qualified by their education and ability for their profession. Lectures will be delivered on History, Geography, Anatomy, and other scientific subjects.
