THE GREATEST MEDICAL DISCOVERY OF THE AGE. DR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures Every Kind of Humor.

It has tried it in over 100 cases, and never failed except in two cases, (both thunder humors). He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing Sore Mouth. One to three bottles will cure the worst kind of Pimples on the Face.

Two bottles are warranted to cure the worst Canker in the Mouth and Stomach. Three to five bottles are warranted to cure the worst case of Erysipelas.

Two bottles are warranted to cure all Humors in the eyes. Two bottles are warranted to cure Running of the Eyes and Itching of the Lids.

Four to six bottles are warranted to cure corrupt and running Ulcers. One bottle will cure Scaly Eruption of the Skin.

Two to three bottles are warranted to cure the worst case of Ringworm. Two bottles are warranted to cure the worst case of Rheumatism.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor.

Some of the wondrous cures of Dropsy, all of them aged people, cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the Stile, Blueness of the Spine, and particularly in disease of the Kidney, &c., the discovery has done more good than any medicine ever known.

TO INVALIDS! DR. HARDMAN, Physician for Diseases of the Lungs, Throat and Heart.

Physician for Diseases of the Lungs, Throat and Heart—formerly Physician to Cincinnati Marine Hospital and Invalids' Retreat—Corresponding Member of the London Medical Society of Observation—Author of "Letters to Invalids," &c.

IS COMING. JANUARY APPOINTMENTS. Dr. Hardman, Physician for Diseases of the Lungs, Formerly Physician to the Cincinnati Marine Hospital, MAY BE CONSULTED AT Lewistown, National Hotel, Monday, Jan. 18.

The great point in the treatment of all human maladies is to get at the disease in a direct manner. All medicines are estimated by their action upon the organ requiring relief. This is the important fact upon which Inhalation is based.

Other Diseases Treated. In relation to the following diseases, either when complicated with Lung Affections, or existing alone, I also invite consultation—usually finding them PROMPTLY CURABLE: PROLAPSEUS and all forms of FEMALE COMPLAINTS, Irregularities and Weakness.

PALPITATION and other forms of HEART DISEASE, Liver Complaint, Dyspepsia, and all other Diseases of Stomach and Bowels, Piles, &c. All diseases of the Eye and Ear; Neuralgia, Epilepsy, and all forms of Nervous Disease.

The Medicine of the Million. PHILOSOPHY AND FACT. HOLLOWAY'S PILLS.

THE EXCITING CAUSE OF SICKNESS. THE blood is the life-sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and integument. The stomach is its manufactory, the veins its distributors, and the intestines the channel through which the waste matter is rejected in its productions.

THE NATIONAL COMPLAINT. Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary preparations, it yields readily and rapidly to this searching and unerring remedy.

BILIOUS AFFECTIONS. The quantity and quality of the bile are of most vital importance to health. Upon the liver, the gland which secretes this fluid, these Pills operate specifically, infallibly rectifying its irregularities and effectually curing Jaundice, Bilious Remittants, and all the varieties of disease generated by an unnatural condition of the organ.

BOWEL COMPLAINTS. Unless the bowels perform their functions properly, the whole body suffers. Tens of thousands die annually of Dysentery, Diarrhea, Chronic Constipation, and other diseases of these waste pipes of the system. The effect of the Pills upon all intestinal disorders, whether casual or epidemic, is a phenomenon in medicine.

A WORD TO FEMALES. The local debility and irregularities which are the especial annoyances of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being, and prevented for the time to come, by a course of this mild but thorough alterative.

Holloway's Pills are the best remedy known in the world for the following Diseases: Asthma, Diarrhea, Indigestion, Secondary Bowel Complaint, Dropsy, Influenza, Sympyctic Pleurisy, Debility, Inflammation, Inward Weakness, Coughs, Fever and Venereal Affections.

Home Grown Seeds. Buist's Warranted Garden and Flower Seeds. The constant inspection of the subscriber to the growth of his SEEDS has secured a reputation to them that has never been attained in the same period by any other house.
