IS COMING. FEBRUARY APPOINTMENTS. Dr. Hardman, Physician for Diseases of the Lungs, Formerly Physician to the Cincinnati Marine Hospital, MAY BE CONSULTED AT Lewistown, National Hotel, Wednesday, February 17th, (seventeenth.)

DR. HARDMAN treats Consumption, Bronchitis, Laryngitis, Asthma, and all diseases of the Throat by MEDICATED INHALATION. The great point in the treatment of all human maladies is to get at the disease in a direct manner. All medicines are estimated by their action upon the organ requiring relief. This is the important fact upon which Inhalation is based. If the stomach is diseased, we take medicine directly into the stomach. If the lungs are diseased, breathe or inhale medicated vapors directly into them.

OTHER DISEASES TREATED. In relation to the following diseases, either when complicated with Lung Affections, or existing alone, I also invite consultation—usually finding them PROMPTLY CURABLE: BRONCHITIS and all forms of FEMALE COMPLAINTS, Irregularities and Weakness. PALPITATION and other forms of HEART DISEASE, Liver Complaint, Dyspepsia, and all other Diseases of the Stomach and Bowels, Piles, &c. &c. THE GREATEST MEDICAL DISCOVERY OF THE AGE. DR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures Every Kind of Humor.

From the worst Scrofula down to a common Pimple. HE has tried it in over 1000 cases, and never failed except in two cases, (both thunder humors.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston.

One to three bottles will cure the worst kind of Pimples on the Face. Two to three bottles will clean the system of Biles. Two bottles are warranted to cure the worst Canker in the Mouth and Stomach. Three to five bottles are warranted to cure the worst case of Erysipelas.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it will prove effectual in all cases of that awful malady—there are few who have seen more of it than I have.
