Dr. DUPONCO'S GOLDEN FEMALE PILLS ar

infallible in removing stoppages or irregularities of the menses. These pills are nothing new, but have been used

by the Doctor for many years, both in France and America, with unparalleled success in every case, and he is

arged by many ladies who have used them to make these

pills public for the a leviation of those suffering from any irregularities whatever, as well as a preventive to those

ladies whose health will not permit an increase of family.

Pregnant females, or those supposing themselves so, are cautioned against using these pills, as the proprietor as-sumes no responsibility after the above admonition, al-

though their mildness would prevent any injury to health;

## FIFTY YEARS IN CHAINS: OR, THE LIFE OF AN AMERICAN SLAVE,

WRITTEN BY HIMSELF. 430 Pages, Cloth, Gilt Back. Price \$1 This is the title of one of the most intensely interesting biographies of the day. It is the plain history of an American slave in the far South, who, after two or

What the Press say.
