A GREAT BOOK FOR AGENTS.

Published this Day, Feb. 9th, 1858. FIFTY YEARS IN CHAINS: OR, THE LIFE OF AN AMERICAN SLAVE,

WRITTEN BY HIMSELF.

430 Pages, Cloth, Gilt Back Price \$1 9 16 THIS is the title of one of the most intensely interesting biographies of the day. It is the plain history of an American slave in the far South, who, after two or three escapes and recaptures, finally, an old man, found freedom and rest in one of the Northern States.

What the Press say,

A natrative of real experience like the above, will have
far more effect against slavery than the ingeniously
wrought novel, however true to life its pictures may be.

Here is a book of facts, stranger than fiction, and a thousand fold more thrilling; a simple tale of life-long oppression, revealing truly the workings of the "peculiar institution" in our country. To the story loving we would say, here is a story worth reading -- Mission Rec-

Genuine Cod-Liver Oil,

HAS stood the test of over ten years experience, and to recommended by all the most eminent physicians as the most valuable remedy in use. Dr. Williams, the celebrated Physician of the London Cunaumption Hospital, took notes of its effects in about 500 cases, and found it more efficacious than all remedles yet discovered. This remedy, so valuable when pure, becomes worthless or injurious when adulterated. See that the label has the carle and prottar, and the signature over the cork of eagle and mortar, and the signature over the cork of each bottle, as thousands have been cured by the use of the genuine article who had used others without success.
