#### THE GREATEST MEDICAL DISCOVERY

OF THE AGE. DR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures

#### Every Kind of Humor

from the worst Scrofula down to a common Pimple.

HE has tried it in over 1100 cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of s virtue, all within twenty miles of Boston. Two bottles are warranted to cure a nursing Sore

A benefit is always experienced from the first bottle.

and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that sold an other; after a trial it always speaks for itself. There are two things about this herb that appears to me surprising; first that it grows in our pastures, in some pla ces quite plentiful, and yet its value has never been known until I discovered it in 1846—second, that it should

cure all kinds of humor.

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day of it.

Some of the wholesale Druggists who have been in usiness twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters

In my own practice I always kept it strictly for humors great and wonderful virtues have been found in it that I ever suspected.

Several cases of epileptic fits-a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it will prove effectual in all seen more of it than I have.

I know of several cases of Dropsy, all of them aged I know of several cases of Dropsy, all of them aged people, cured by it. For the various diseases of the Liv-er, Sick Headache, Dyspepsia, Asthma, Fever and Agne, Pain in the Side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done nore good than any medicine ever known. No change of diet ever necessary-eat the best you

Dr. J. WILLIAMS, Chemist and Pharmaceutist, after studying closely the practices of Drs. Abernethy and J. Johnston, England, and observing the nature of the disease in all its stages, during a sojourn in the southern and western portions of the United States, where it pre-vails to a greater extent than elsewhere, procured from South America certain roots and herbs from which he prepared an "Elixir," which, after eighteen years' use in private practice, has proved itself more efficacious in the cure of Dyspepsy than any medicine that has ever been

prepared in any age or clime for the same purpose. Having submitted it, with an extlanation of its components, to a number of physicians of Philadelphia, among whom were the late Drs. Joseph Hartshorne and J. C. Morton, it has received their entire approval, and many of the medical faculty are now not only prescribing it for their patients but are using it themselves, personally and in their families. As a tonic it is unequalled, and its properties are of so invigorating a nature that it is given with perfect safety and success to the most tender infints. The Elixir is very gradual, but certain in its action up the organs of digestion, the increased secretions of the liver, pancreas and mucous membranes of the stomach. and requires that only one dose be taken in twenty-four hours; for confirmed Dyspepsy can only be cured by grad ually restoring the organs of digestion to a healthy state The great success met with in curing the most aggravated cases of Dyspepsy, accompanied sometimes with a high grade of hypochondriasis, has established the most unbounded confidence in the curative properties of this Elixir, in corroboration of which read the following test

ATTESTATION - We, having used Williams' Anti Dys peptic Elixir with the most perfect satisfaction and suc-cess, take great pleasure in recommending it to all persons suffering with Dyspepsy, as we are fully convi of its most estimable qualities in restoring the digestive powers, removing all pains and uneasiness, and impart

ing a healthy tone to the stomach.

Dr. J. Williams-Dear Sir-For fifteen years previous to 1954, I suffered so much from dyspepsy that I became completely prostrated both in mind and body, and at length became so weakened I could not attend to my business, and was sinking into a decline, and it was believe I never could recover. The best medical aid was procured for me, and every means resorted to without any relief till I was advised to use your Elixir, and from the time began taking it I gradually improved till I was completely restored to health. The dreadful sufferings I endured from dyspepsy I cannot describe; but I am confident that without the use of your Elixir I should be in my grave. I assert that I solemnly believe your Elixir has saved me from an early death. I continue now in the enjoyment

f most excellent health. H. N. Sperry, June 6th, 1857. No. 1104 N. Third st., Philadelphia. We, the undersigned, have known Mr H. N. Sperry for several years and take pleasure in stating that his as-sertion can be perfectly relied on, and that we ourselves know that he has been wonderfully restored to health from the brink of the grave, and we believe, as he assert solely by the use of Dr. Williams' Elixir.
