KISHACOQUILLAS SEMINARY. H. S. ALEXANDER, A. B., Principal,

THE Summer Session of this Institution opens on THURSDAY, 6th of May. The course of study is extensive, embracing all the branches usually taught in Seminaries and Academies. In Mathematics and the Classics, students are prepared to enter any class in College.

Parents who wish their children removed as far as possible from evil influences, could not secure a more desirable situation, as it is entirely in the country—there being no towns, or any public house where liquor is sold, within five miles of the Institution.

The community is hospitable, moral and intelligent, the situation beautiful and easy of access, while the health and scenery of the valley are proverbial.

The Medicine of the Million.

HOLLOWAY'S PILLS.

THE EXCITING CAUSE OF SICKNESS.

THE blood is the life-sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and integument. The stomach is its manufactory, the veins its distributors, and the intestines the channel through which the waste matter rejected in its productions is expelled Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating the excretions.

THE NATIONAL COMPLAINTS

Dyspepsia is the most common disease among all clas-ses in this country. It assumes a thousand shapes, and is the primary source of innumerable dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary preparations, it yields readily and rapidly to this searching and unerring remedy.

BILIOUS AFFECTIONS. The quantity and quality of the bile are of most vital importance to health. Upon the liver, the gland which secretes this fluid, these Pills operate specifically, infallibly rectifying its irregularities and effectually curing Jaundice, Bilions Remittants, and all the varieties of dis-ease generated by an unnatural condition of the organ. BOWEL COMPLAINTS.

Unless the bowels perform their functions properly, the whole body suffers. Tens of thousands die annually of Dysentery, Diarrhæa, Chronic Constipation, and other diseases of these waste pipes of the system. The effect of the Pills upon all intestinal disorders, whether casual or epidemic, is a phenomenon in medicine. By following the printed directions, the most alarming cases of bowel complaint are promptly controlled.

A WORD TO FEMALES.

The local debility and irregularities which are the es pecial annoyances of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being, and prevented for the time to come, by a course of this mild but thorough alterative. DR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures

Every Kind of Humor

from the worst Scrofola down to a common Pimple.

HE has tried it in over 1100 cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing Sore Mouth.

One to three bottles will cure the worst kind of Pimples on the Face
Two to three bottles will clean the system of Biles.

Two bottles are warranted to cure the worst Canker the Mouth and Stomach. Three to five bottles are warranted to cure the worst

Ears and Blotches among the Hair. Four to six bottles are warranted to cure corrupt and unning Ulcers.

One bottle will cure Scaly Eruption of the Skin.

Two to three bottles are warranted to cure the worst ase of Ringworm.

Two to three bottles are warranted to cure the most

esperate case of Rheumatism.

Three to four bottles are warranted to cure the Salt Five to eight bottles will cure the worst case of Scrof

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quanti-Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that sold an other; after a trial it always speaks for itself. There are two things about this berb that appears to me sur-prising; first that it grows in our pastures, in some pla-ces quite plentiful, and yet its value has never been known until I discovered it in 1846—second, that it should

cure all kinds of humor.

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it and sold about six bottles per day—in April, 1854. I sold over one thousand bottles per day of it. Some of the wholesale Druggists who have been in ousiness twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters

In my own practice I always kept it strictly for humors, but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I

great and wonderful virtues have oeen found in it that i never suspected.

Several cases of epiteptic fits—a disease which was always considered incubable, have been cound by a few bottles. O, what a mercy if it will prove effectual in all cases of that awful malady—there are few who have seen more of it than I have. I know of several cases of Dropsy, all of them aged T know of several cases of Dropsy, and them age people, cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Agueç Patn in the Side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than any medicine ever known.

No change of diet ever necessary—eat the best you get and planty of it.

get and plenty of it. get and plenty of it.

DIRECTIONS FOR USE.—Adults one table spoonful per day—Children over 10 years, dessert spoonful—Children from 5 to 8 years, tea-spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.
