"NO SUCH WORD AS FAIL."

A RESISTLESS REMEDY. THE first hospital surgeons and medical publicists of Europe admit the unparalleled anti-inflammatory and healing properties of this Ointment; and governments sanction its use in their naval and military services, and the masses in this country and throughout the world repose the utmost confidence in its curative properties.

HOLLOWAY'S OINTMENT.

Circular to the Sick. These are among the most terrible and agonizing diseases of the human system, the fleshy fibre and the skin; and in their worst forms, and when seemingly incurable, they invariably disappear under a persevering application of this soothing, healing antidote to pain and inflammation.

Rheumatism, Scrofula, Erysipelas.

These are among the most terrible and agonizing diseases of the human system, the fleshy fibre and the skin; and in their worst forms, and when seemingly incurable, they invariably disappear under a persevering application of this soothing, healing antidote to pain and inflammation.

Discharging Ulcers.

A most remarkable and happy change is produced in the appearance of malignant ulcers after a few applications of this Ointment. The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter. This process goes on more or less rapidly until the ulcer is filled up with sound material, and the ulcer radically cured.

Significant Facts.

This Ointment is universally used on board the Atlantic and Pacific whaling fleets as a cure for scorbutic affections, and as the best possible remedy for wounds and bruises, and Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes.

Both the Ointment and Pills should be used in the following Cases:

Burrows Lumbago Sore Legs Scalds Burns Mercurial Eruptions Sore Breasts Swell'd Glands Chapped hands Urticaria Sore Heads Stiff Joints Chilblains Piles Sore Throats Ulcers Fistulas Rheumatism Sores of all Venereal sores Salt Rheum kinds Wounds of all kinds Skin Diseases Sprains kinds

A GREAT BOOK FOR AGENTS.

PUBLISHED THIS DAY, Feb. 9th, 1858. FIFTY YEARS IN CHAINS: OR, THE LIFE OF AN AMERICAN SLAVE. WRITTEN BY HIMSELF. 450 Pages, Cloth, Gilt Back. Price \$1

THIS is the title of one of the most interestingly interesting biographies of the day.

THE story is told with great simplicity, but with much power and pathos. Whoever takes it will find it difficult to lay it down until it is finished.—National Era, Washington, D. C. A narrative of real experience like the above, will have far more effect against slavery than the ingenuously wrought novel, however true to life its pictures may be.—Sun, Boston. Here is a book of facts, stranger than fiction, and a thousand fold more thrilling to the soul as we mean to see it, revealing the workings of the "peculiar institution" in our country. To the story-loving we would say, here is a story worth reading.—Mission Record.

A THOROUGH CANNASSER IS WANTED.

In each county in the free States, to engage in the sale of the above work immediately. Such can easily clear from \$50 TO \$100 PER MONTH!

This remedy, so valuable when pure, becomes worthless or injurious when adulterated. See that the label has the eagle and mortar, and the signature over the cork of each bottle, as thousands have been cured by the use of the genuine article who had used others without success.
