## Our Little Trip to Paraguay.

Uncle Sam, being disappointed of a fight in Utah, is about to ride out a-colonelling to South America. A few years ago one of his surveying steamers, the Water-Witch, was fired into, on the Parana river, by a Paraguayan fort, the commander of which, it appears, had orders not to permit vessels to pass up the channel on the Paraguayan side of the river. Afterwards President Lopez refused to ratify a certain treaty with the United States. Again, a certain United States Navigation Company, of so, certain water privileges in another tract which Mr. Edward A. Hopkins was the land in said township and county aforerepresentative, got into trouble in Paraguay; Mr. Hopkins, who was also United States Consul, offended the government of the country; his exequatur was revoked, and

the Paraguayans asserted that they had a claim against him for a large amount. These little difficulties remain unsettled,

We know of numerous cases where hair was rapidly falling out, which it restored in greater perfection than it ever had been before. It is also without doubt one of the best articles for keeping the hair in good condition, making it soft and glossy, removing dandruff, and has proved itself the greatest enemy to all the tills that hair is her to. Cohoeton, Ohio, Nov. 17, 1855: O. J. Wood & Co-Gents: As I have been engaged in selling your Huir Restorative the last season for one of your local agents, (R. M. Hackinson) and laving experi-anced the beneficial effects of it myself, I would like to obtain an agency for the State of Ohio or some State in the West, should you wish to make such an arrangement. as I am convinced there is nothing equal to 1 in the Uni-ted States for restoring the hair. I have been engaged in the Drug business for several years, and have sold vari-ous preparations for the hair, but have found nothing that restores the secretive organs or invigorates the scalp as well as yours. Being fully convinced that your restorative is what you represent it to be, I would like to engage in the sale of it, for I am satisfied it must sell. Yours truly, S T. STOCKMAN.

Wood & Co.-Gents : Having realized the good effects of your Hair Restorative, I wish to state, that finding my hair growing thin as well as gray, I was induced from what I read and heard to try the article-prepared by you to promote its growth and change its color as it was in youth, both of which it has effected completely. In the operation I have used nearly three completely. In the operation 1 have used nearly three bottles. Yours, &c., JAS. PRANCIS. O. J. WOOD & CO, Proprietors, 312 Broadway, N. Y. (in the great N.
